Form 8635 (2003) Page **2**

Line 1 Current Shipping Address

Verify the name and address where we will ship your order. If you prefer to receive your order at a different address, cross this one out and CLEARLY print the new address. If you do not wish to participate in the BPOL program any longer please place an "X" in the box marked *Please remove my account from the program*.

Line 2 Account Number

Your account number is located next to the bar code. Use this number when placing an order or inquiring about your account.

Line 3 Contact Name

This is the name of the current contact person on file. Verify the name, and correct if necessary.

Line 4 Telephone Number

This is the Telephone Number on file for the current contact person. If we have any questions about your order or account information, we will call the contact person at this phone number.

Line 5 Email Address

To receive BPOL information, please provide your email address.

Line 6 Branches

This indicates the total number of locations that will receive tax products from this order. For Example, if ordering for only your branch, write "1." However, if you are ordering for your branch and 5 others, write "6." If the preprinted numbered response is incorrect cross it out and print in the correct number.

Line 7 Motor Freight Shipments

To keep shipping costs low and save taxpayer dollars, shipments of **16** or more cartons are usually sent via motor freight. However, trucking companies can only deliver to you if you meet certain requirements. Complete the worksheet below to find out if you meet the requirements and are able to receive motor freight shipments.

If you answer yes to all questions below, you shipments by motor freight and should check to n line 7.			
	Yes	No	
Do you have a loading dock that will accommodate a large truck unit?			
 Can you accept one or more pallets of up to 63 cartons, maximum size 48" X 40" X 55"? 			
3. Do you have storage space for at least 16 cartons of product?			

If you cannot accept motor freight, you have two options:

- Reduce your Plan size to one with less than 16 cartons, and order additional tax products as you need them by calling 1-800-829-2765. Be sure to change your Plan size on Line 8.
- Order a Plan size with 16 or more cartons and the materials will ship via USPS or small package carrier instead of motor freight

Where will my stock be delivered?

The IRS pays carriers for inside delivery and our Internal Revenue Bill of Lading (IRBL) specifies inside delivery. Unfortunately, each carrier has a different definition of inside delivery.

Motor freight carriers are obligated to place their truck immediately adjacent to the delivery location so the freight is easily available for unloading, usually at the tailgate of the truck. If personnel from the receiving location cannot unload from the tailgate, and a dock, platform, or ramp is directly accessible to the carrier's truck, the request of "inside delivery" will direct the carrier to unload the shipment. The carrier will then move the load under the first available cover. Unloading service does not include unpacking, dismantling, scanning, sorting, segregating,

or stocking shipped items.

What should I do if a carrier wants payment on delivery?

Do not pay the carrier. The IRS pays all freight charges. Although the charge may appear on your delivery papers, the carrier should not ask for payment. If they will not leave the order without payment, please call the BPOL HOTLINE, 1-800-829-2765 for assistance.

Line 8 Tax Product Plans

Tax Products Plans, hereafter referred to as Plans, help facilitate ordering and shipping tax materials. There are 12 Plan sizes from which to choose, Plans AA through LL on the order blank. All Plans include Forms and Instructions 1040, 1040A, 1040 EZ; 1040 Schedules A/B, EIC; and 1040A Schedules 1 and 2. The Plans all contain the same ten products, while the quantity of each product in the plan differs based on Plan size. To simplify the ordering process, choose the Plan size that will best fit your needs. If you ordered a Plan last filing season, an "X" is preprinted in the box above the Plan size you ordered. You will receive this same Plan again unless you change it. Should you decide to decrease or increase your Plan size, cross out the prechecked box and place an "X" in the box above the Plan you want to receive.

Ordering additional quantities of Plan products

If you need additional quantities of any of the ten Plan products, then write the additional quantity in the ZZ column and place an "X" above that column. In this case you will have two columns checked. Example: you order Plan CC but need 50 additional copies of Form 1040 and 30 more copies of Form 1040A. You will place an "X" above the CC column and an "X" above the ZZ column. In the ZZ column, write in "50" next to Form 1040 and "30" next to Form 1040A.

Ordering quantities larger than a Plan

If you need larger quantities than those contained in Plan LL, cross out the prechecked box and place an "X" above the ZZ column. Write in the quantities you want next to each individual tax product.

Note: If you add additional quantities to your Plan order, the 'estimated total cartons' listed on the front of the order blank, may change. To help estimate the additional number of cartons you will receive, refer to the chart below:

Forms	3000/carton
Instructions 1040	70/carton
Instructions 1040 A	110/carton
Instructions 1040 EZ	250/carton

Line 9 Additional Tax Products

A quantity is preprinted next to each additional tax product you ordered last year. If you wish to make changes to the quantity of additional tax products you ordered last year, cross out the preprinted quantity and CLEARLY print the new quantity. If you want other products not listed, attach a list of the products and quantities.

Line 10 Informational Posters

A box with a preprinted "X" marks a poster you ordered last year. If you wish to make changes, mark an "X" next to a poster you want, or cross out the preprinted "X" of a poster you no longer wish to receive.
