Instructions

Section references are to the Internal Revenue Code.

Purpose of form. Partnerships and S corporations use Form 8825 to report income and deductible expenses from rental real estate activities, including net income (loss) from rental real estate activities that flow through from partnerships, estates, or trusts.

Before completing this form, be sure to read:
 • *Passive Activity Limitations* in the instructions for Form 1065 or Form 1120S, or *Passive Loss Limitation Activities* in the Instructions for Form 1065-B, especially for the definition of "rental activity."

• *Extraterritorial Income Exclusion* in the instructions for Form 1065, 1065-B, or 1120S.

Lines 1 through 21. Form 8825 provides space for up to eight properties. If there are more than eight properties, complete and attach additional Forms 8825.

The number of columns to be used for reporting income and expenses on this form may differ from the number of rental real estate activities the partnership or S corporation has for purposes of the passive activity limitations. For example, a partnership owns two apartment buildings, each located in a different city. For purposes of the passive activity limitations, the partnership grouped both buildings into a single activity. Although the partnership has only one rental real estate activity, it must report the income and deductions for each building in separate columns.

However, if the partnership or S corporation has more than one rental real estate activity, attach a statement to Schedule K that reports the net income (loss) for each separate activity. Also, attach a statement to each Schedule K-1 that reports each partner's or shareholder's share of the net income (loss) for each separate activity (except for limited partners in an electing large partnership). See *Passive Activity Reporting Requirements* in the instructions for Form 1065, Form 1065-B, or Form 1120S for additional information that must be provided for each activity.

Complete lines 1 through 16 for each property. But complete lines 17 through 21 on only one Form 8825. The figures on lines 17 and 18 should be the combined totals of all forms.

Do not report on Form 8825 any:

- Income or deductions from a trade or business activity or a rental activity other than rental real estate.
- Portfolio income or deductions.
- Section 179 expense deduction.
- Other items that must be reported separately to the partners or shareholders.
- Commercial revitalization deductions.

Line 1. Show the kind of property rented out (for example, "apartment building"). Give the street address, city or town, and state.

Line 14. The partnership or S corporation may claim a depreciation deduction each year for rental property (except for land, which is not depreciable). If the partnership or S corporation placed property in service during the current tax

year or claimed depreciation on any vehicle or other listed property, complete and attach Form 4562, Depreciation and Amortization. See Form 4562 and its instructions to figure the depreciation deduction.
