Instructions

Who Must File

• A foreign corporation must file Form 8848 if it has completely terminated all of its U.S. trade or business according to Temporary Regulations section 1.884-2T(a) during the tax year.

• A domestic transferee corporation must file Form 8848 if U.S. assets have been transferred to it from a foreign corporation in a transaction described in section 381(a), if the foreign corporation was engaged (or deemed engaged) in the conduct of a U.S. trade or business immediately prior to the section 381(a) transaction. See Regulations section 1.884-2T(c).

When To File

Form 8848 must be filed on or before the due date (including extensions) prescribed for filing the corporation's income tax return. Attach Form 8848 to the corporation's return for the tax year during which the complete termination or section 381(a) transaction occurred.

If the corporation timely filed its return for the tax year during which the complete termination or section 381(a) transaction occurred without executing a consent to extend the time to assess the branch profits tax under Regulations sections 1.884-2(a) and (c), the corporation may still execute the consent by filing an amended return within 6 months of the due date of the original return (excluding extensions). Attach Form 8848 to the amended return and write "Filed pursuant to section 301.9100-2" at the top of Form 8848. File the amended return at the same address the original return was filed.

Signature

Form 8848 must be signed by the person authorized to sign the income tax returns for the corporation (including an agent authorized to do so under a general or specific power of attorney). If an agent signs for the corporation, include a copy of the power of attorney with Form 8848.
