Sec. 1. Purpose

- .01 The purpose of this Revenue Procedure is to provide the specifications for filing Form 1042-S with IRS electronically through the FIRE (Filing Information Returns Electronically) System or magnetically, using IBM 3480, 3490, 3490E, 3590, 3590E or AS400 compatible tape cartridges or 3½-inch diskette. **IRS/MCC will no longer accept 8mm, 4mm and Quarter-Inch Cartridges (QIC) for the processing of information returns.** This Revenue Procedure must be used to prepare current and prior year information returns **filed beginning January 1, 2004, and received by IRS/MCC or postmarked by December 31, 2004.**
- .02 Generally, the box names on the paper Form 1042-S correspond with the fields used to file electronically/magnetically; however, if discrepancies occur, the instructions in this Revenue Procedure govern.
- .03 This Revenue Procedure supersedes Rev. Proc. 2001-40 published as Publication 1187, Specifications for Filing Form 1042-S, Foreign Person's U.S. Source Income Subject to Withholding, Electronically or Magnetically.
- .04 Refer to Part A, Sec.16, for definitions of terms used in this publication.
- .05 Specifications for filing Forms W-2 , Wage and Tax Statements, electronically/magnetically are available from the Social Security Administration (SSA) **only**. Filers can call 1-800-SSA-6270 to obtain the phone number of the SSA Employer Service Liaison Officer for their area.
- .06 IRS/MCC does **not** process Forms W-2. Paper **and/or** magnetic media for Forms W-2 must be sent to SSA. IRS/MCC does, however, process waiver requests (Form 8508) and extension of time to file requests (Form 8809) for Forms W-2 and requests for an extension of time to provide the employee copies of Forms W-2.
- .07 The following Revenue Procedures and publications provide more detailed filing procedures for certain information returns:
 - (a) 2003 Instructions for Form 1042-S.
 - (b) Publication 1179, Rules and Specifications for Private Printing of Substitute Forms 1096, 1098, 1099, 1042-S, 5498, and W-2G.
 - (c) Publication 1239, Specifications for Filing Form 8027, Employer's Annual Information Return of Tip Income and Allocated Tips, Electronically or Magnetically.
 - (d) Publication 1220, Specifications for Filing Forms 1098, 1099, 5498, and W-2G, Electronically or Magnetically.
 - (e) Publication 1245, Specifications for Filing Form W-4, Employee's Withholding Allowance Certificate, Electronically or Magnetically.

Sec. 2. Nature of Changes-Current Year (Tax Year 2003)

- .01 The title of Publication 1187 is changed to Specifications for Filing Form 1042-S, Foreign Person's U.S. Source Income Subject to Withholding, Electronically or Magnetically.
- .02 The organization of information in Publication 1187 was changed for emphasis and clarity. All extension and waiver information is contained in Part D, Extensions of Time and Waivers. Part E, Miscellaneous Information, was deleted since this information is found in Part A, Sec. 3. Part B is now Electronic Filing Specifications, Part C is Magnetic Media Specifications, and Part D is Extensions of Time and Waivers.

- .03 A new Section 12, Common Submission Problems, was added to Part A. The sections following Section 12 were renumbered.
- .04 IRS/MCC no longer accepts 8mm, 4mm and Quarter-Inch Cartridges for the filing of Forms 1042-S.
- .05 Money amounts in the Recipient “Q” Record must equal the total amounts reported in the corresponding fields in the Reconciliation “C” Record.
- .06 Do not send a file that doesn’t include Recipient “Q” Records. If there are no Recipient “Q” Records to report, do not send a file of Transmitter “T”, Withholding Agent “W”, Reconciliation “C” and End of Transmission “F” Records.
- .07 In the Transmitter “T” Record, Province Code, positions 117-118, the Province Code for Quebec was changed to QC. The new Province Code, NU, for Nunavut was added.
- .08 In the Recipient “Q” Record, if Recipient Code 20 is used, Recipient Name Line-1, must be reported as “Unknown “ and additional recipient name and address lines must be blank.
- .09 Additional editorial changes of a clarifying nature have been made throughout this publication. Please read the entire publication carefully.

Sec. 4. Filing Requirements

- .01 The regulations under section 6011(e)(2)(A) of the Internal Revenue Code provide that any person, including a corporation, partnership, individual, estate, and trust, who is required to file 250 or more information returns must file such returns electronically/magnetically. Withholding agents who meet the threshold of 250 or more Forms 1042-S are required to submit their information electronically or magnetically.

Note: Even though filers with less than 250 information returns are not required to submit the information returns electronically or magnetically and may submit them on paper, IRS encourages filers to transmit those information returns electronically or magnetically.

- .02 These requirements apply separately to both originals and corrections filed electronically/magnetically.
- .03 All filing requirements that follow apply individually to each reporting entity as defined by its separate Taxpayer Identification Number (TIN), [Social Security Number (SSN), Employer Identification Number (EIN), Individual Taxpayer Identification Number (ITIN), or Qualified Intermediary Employer Identification Number (QI-EIN)]. For example, if a corporation with several branches or locations uses the same EIN, the corporation must aggregate the total volume of returns to be filed for that EIN and apply the filing requirements to each type of return accordingly.
- .04 Filers who are required to submit their information returns on magnetic media may choose to submit their documents by electronic filing. IRS/MCC has one method for filing information returns electronically; see Part B.
- .05 The above requirements do not apply if the filer establishes hardship (see Part D, Sec. 5).

Sec. 5. Vendor List

- .01 IRS/MCC prepares a list of vendors who support electronic filing or magnetic media. The Vendor List (Pub. 1582) contains the names of service bureaus that will produce files on the prescribed types of magnetic media or via electronic filing. It also contains the names of vendors who provide software packages for filers who wish to produce electronic or magnetic media files on their own computer systems. This list is compiled as a courtesy and in no way implies IRS/MCC approval or endorsement.
- .02 If filers meeting the filing requirements engage a service bureau to prepare media on their behalf, the filers should be careful not to report duplicate data, which may cause penalty notices to be generated.
- .03 The Vendor List, Publication 1582, is updated as needed. The most current copy is available by contacting IRS/MCC toll-free at 1-866-455-7438 or in writing (see Part A, Sec. 3). The Vendor List is also available at www.irs.gov.
- .04 A vendor who offers a software package, has the ability to produce magnetic media for customers, or has the capability to electronically file information returns, and would like to be included on the list, must submit a written request to IRS/MCC. The request should include:
- (a) Company name,
 - (b) Address (include city, state, and ZIP code),
 - (c) Telephone number (include area code),
 - (d) Email address,
 - (e) Contact person,
 - (f) Type(s) of service provided (e.g., service bureau and/or software),
 - (g) Type(s) of media offered (e.g., tape cartridge, 3½-inch diskette, or electronic filing),
 - (h) Type(s) of return(s)

Sec. 6. Form 4419, Application for Filing Information Returns Electronically/Magnetically

- .01 Transmitters are required to submit Form 4419, Application for Filing Information Returns Electronically/Magnetically, to request authorization to file information returns with IRS/MCC. A single Form 4419 may be filed. IRS/MCC encourages transmitters who file for multiple withholding agents or qualified intermediaries to submit one application and to use the assigned TCC for all. Please make sure you submit your electronic/magnetic files using the correct TCC.

EXCEPTIONS

An additional Form 4419 is required for filing each of the following types of returns:

Forms 1098, 1099, 5498, W-2G, 8027 and Questionable W-4.

FORM	TITLE	EXPLANATION
1098, 1099, 5498 W-2G	Various types of information returns	Payments subject to reporting requirements under Code Section 6011(e)(2)(A), including interest, dividends, royalties, pensions and annuities, gambling winnings and compensation for personal services.
8027	Employer's Annual Information Return of Tip Income and Allocated Tips	Receipts from operations where tipping is customary. Used by employers to report employees' tips or allocated tips.
Questionable W-4 (See <i>Note</i>)	Employee's Withholding Allowance Certificate	Forms received during the quarter from employees still employed at the end of the quarter who claim (a) More than 10 withholding allowances, or (b) Exempt status and wages normally would be more than \$200 a week.

Note: Employers are not required to send other Forms W-4 unless notified to do so by the IRS.

- .02 Tape cartridge, diskette, and electronically-filed returns may not be submitted to IRS/MCC until the application has been approved. Please read the instructions on the back of Form 4419 carefully. A Form 4419 is included in the Publication 1187 for the filer's use. This form may be photocopied. Additional forms may be obtained by calling **1-800-TAX-FORM (1-800-829-3676)**. The form is also available at **www.irs.gov**.
- .03 Upon approval, a five-character alpha/numeric Transmitter Control Code (TCC) beginning with the digits "22" will be assigned and included in an approval letter. The TCC **must** be coded in the Transmitter "T" Record. If a transmitter uses more than one TCC to file, each TCC must be reported on separate media or in separate transmissions if filing electronically.
- .04 When revisions occur, a Publication 1187 containing the current Revenue Procedure, forms, and instructions will be sent to the attention of the contact person indicated on Form 4419.
- .05 If **any** of the information (name, TIN or address) on the Form 4419 changes, please notify IRS/MCC in writing so the IRS/MCC database can be updated. However, a change in the method by which information returns are being submitted is not information which needs to be updated (e.g., tape cartridge to diskette). The transmitter should include the TCC in all correspondence.

- .06 Form 4419 may be submitted anytime during the year; however, it **must** be submitted to IRS/MCC at least 30 days before the due date of the return(s) for current year processing. This will allow IRS/MCC the minimum amount of time necessary to process and respond to applications. In the event that computer equipment or software is not compatible with IRS/MCC, a waiver may be requested to file returns on paper documents.
- .07 IRS/MCC encourages a transmitter who files for multiple withholding agents to submit one application and to use the assigned TCC for all withholding agents.
- .08 If a withholding agent's files are prepared by a service bureau, it may not be necessary for the withholding agent to submit an application to obtain a TCC. Some service bureaus will produce files, code their own TCC on the media, and send it to IRS/MCC for the withholding agent. Other service bureaus will prepare magnetic media and return the media to the withholding agent for submission to IRS/MCC. These service bureaus may require the withholding agent to obtain a TCC to be coded in the Transmitter "T" Record. Withholding agents should contact their service bureaus for further information.
- .09 Once a transmitter is approved to file electronically or magnetically, it is not necessary to reapply each year **unless**:
 - (a) The withholding agent has discontinued filing electronically or magnetically for two consecutive years; the withholding agent's TCC may have been reassigned by IRS/MCC. Withholding agents who are aware that the TCC assigned will no longer be used are requested to notify IRS/MCC so these numbers may be reassigned; **or**
 - (b) The withholding agent's magnetic media files were transmitted in the past by a service bureau using the service bureau's TCC, but now the withholding agent has computer equipment compatible with that of IRS/MCC and wishes to prepare his or her own files. The withholding agent must request a TCC by filing Form 4419.
- .10 One Form 4419 may be submitted regardless of how many types of media or methods are used to file the return. Multiple TCCs will only be issued to withholding agents with multiple TINs. Only one TCC will be issued per TIN unless the filer has checked the application for the following forms in addition to the Form 1042-S: Forms 1098, 1099, 5498, W-2G, 8027, and/or W-4. A separate TCC will be assigned for these forms.
- .11 Approval to file does not imply endorsement by IRS/MCC of any computer software or of the quality of tax preparation services provided by a service bureau or software vendor.

Sec. 7. Test Files

- .01 IRS/MCC strongly encourages all electronic or magnetic media filers to submit a test. The test file must consist of a sample of each type of record:
 - (a) Transmitter "T" Record
 - (b) Withholding Agent "W" Record
 - (c) Multiple Recipient "Q" Records (**at least 20**)
 - (d) Reconciliation "C" Record
 - (e) End of Transmission "F" Record
- .02 Use the Test Indicator "**TEST**" (upper case) in Field Positions 195-198 of the "T" Record to show this is a test file.
- .03 IRS/MCC will check the file to ensure it meets the specifications of this Revenue Procedure. For current filers, sending a test file will provide the opportunity to ensure their software reflects all required programming changes. Filers are reminded that no validity, consistency, or math error tests will be conducted.
- .04 Tests should be sent to IRS/MCC between January 1 and February 15. Tests must be received at MCC by February 15 in order to be processed.

- .05 For tests filed on tape cartridge, and 3 1/2-inch diskette, the transmitter must include the signed Form 4804 in the same package with the corresponding magnetic media. Mark the “TEST” box in Block 1 on the form. Also, mark “TEST” on the external media label.
- .06 IRS/MCC will send a letter of acknowledgment to indicate the test results for magnetic media with documentation identifying the fatal errors. Resubmission of magnetic media test files must be received by IRS/MCC no later than February 15. See Part B, Sec. 5.03 for information on electronic test results.
- .07 Magnetic media will not be returned to filers.

Note: Validity, consistency and related math error checks within individual “Q” Records will no longer be conducted as part of MCC’s testing procedures.

Sec. 8. Filing of Information Returns Magnetically and Retention Requirements

- .01 Form 4804, Transmittal of Information Returns Reported Magnetically, or a computer-generated substitute, must accompany **all** magnetic media shipments.
- .02 IRS/MCC allows for the use of computer-generated substitutes for Form 4804. The substitutes must contain all information requested on the original forms including the affidavit and signature line. Photocopies are acceptable but an original signature is required. When using computer-generated forms, be sure to mark very clearly which tax year is being reported. This will eliminate phone communication from IRS/MCC to question the tax year.
- .03 Multiple types of media may be submitted in a shipment. However, submit a separate Form 4804 for each type of media.
- .04 Current and prior year data may be submitted in the same shipment; however, each tax year must be on separate media, and a separate Form 4804 must be prepared to clearly indicate each tax year.
- .05 Filers who have prepared their information returns in advance of the due date should to submit this information to IRS/MCC no earlier than January 1 of the year the return is due.
- .06 Do not report duplicate information. If a filer submits returns electronically/magnetically, identical paper documents must not be filed. This may result in erroneous penalty notices.
- .07 Form 4804 may be signed by the withholding agent or the transmitter, service bureau, paying agent, or disbursing agent (all hereafter referred to as agent) on behalf of the payer. Failure to sign the affidavit on Form 4804 may delay processing or could result in IRS/MCC requesting a replacement file. An agent may sign the Form 4804 if the agent has the authority to sign the affidavit under an agency agreement (either oral, written, or implied) that is valid under state law and adds the caption “FOR: (name of withholding agent/payer).”
- .08 Although an authorized agent may sign the affidavit, the withholding agent is responsible for the accuracy of the Form 4804 and the returns filed. The withholding agent will be liable for tax and interest penalties for failure to comply with filing requirements.
- .09 A self-adhesive external media label, created by the filer, must be affixed to each piece of magnetic media. For instructions on how to prepare an external media label, refer to Notice 210 in the forms section of this publication.
- .10 On the outside of the shipping container, affix or attach a label which reads “**IRB Box ___ of ___**” reflecting the number of containers in the shipment. (Filers can create a label with this information or cut out one of the labels on the special label page provided in this publication.) If there is only one container, mark the outside as Box 1 of 1. For multiple containers, include the sequence (for example, Box 1 of 3, 2 of 3, 3 of 3).
- .11 When submitting magnetic files include the following:
 - (a) A **signed** Form 4804;
 - (b) External media label (created by filer) affixed to magnetic media;
 - (c) IRB Box _____ of _____ outside label.

- .12 IRS/MCC will not pay for or accept “Cash-on-Delivery” or “Charge to IRS” shipments of tax information that an individual or organization is legally required to submit.
- .13 Withholding agents should retain a copy of the information returns filed with IRS or have the ability to reconstruct the data for at least 3 years from the due date of the returns.

Sec. 9. Due Dates

- .01 The due dates for filing paper returns with IRS also apply to magnetic media. Filing of Form 1042-S is on a calendar year basis.
- .02 Form 1042-S filed magnetically must be submitted to IRS/MCC postmarked on or before March 15.
- .03 If any due date falls on a Saturday, Sunday or legal holiday, the return or statement is considered timely if filed or furnished on the next day that is not a Saturday, Sunday, or legal holiday.
- .04 Magnetic media returns postmarked by the United States Postal Service (USPS) on or before March 15, and delivered by United States mail to IRS/MCC after the due date, are treated as timely under the “timely mailing as timely filing” rule. Notice 97-26, 1997-1 C.B. 413, provides rules for determining the date that is treated as the postmark date. A similar rule applies to items delivered by private delivery services (PDSs) designated by the IRS. A PDS must be designated by the IRS before it will qualify for the timely mailing rule. (See **Note.**) Notice 99-41, 1999-35 I.R.B. 325, provides the list of designated PDSs. Designation is effective until the IRS issues a revised list. For items delivered by a non-designated PDS, the actual date of receipt by IRS/MCC will be used as the filing date. For items delivered by a designated PDS, but through a type of service not designated in Notice 99-41, the actual date of receipt by IRS/MCC will be used as the filing date.

Note: Due to security regulations at MCC, the Internal Revenue police officers will only accept media from PDSs or couriers from 7:00 a.m. to 5:00 p.m., Monday through Friday.

- .05 Statements to recipients must be mailed on or before March 15.

Sec. 10. Processing of Information Returns Magnetically at IRS/MCC

- .01 All data received at IRS/MCC for processing will be given the same protection as individual income tax returns (Form 1040). IRS/MCC will process the data and determine if the records are formatted and coded according to this Revenue Procedure.
- .02 **If the data is formatted incorrectly, IRS/MCC will request a replacement file in writing. When IRS/MCC requests a replacement file, it is because we encountered errors and were unable to process the media. Filers will receive a Media Tracking Slip (Form 9267) and letter detailing the reason(s) their media could not be processed. It is imperative that filers maintain backup copies and/or recreate capabilities for their information return files.**
 - A **replacement** is an information return file sent by the filer **at the request of IRS/MCC** because of errors encountered while processing the filer’s original submission. After necessary changes have been made, the file must be resubmitted for processing along with the Media Tracking Slip (Form 9267) which was included in the correspondence from IRS/MCC. Filers should never send anything to IRS/MCC marked “Replacement” unless IRS/MCC has requested a replacement file in writing or via the FIRE System.
- .03 The following list of errors are considered fatal processing errors and will cause IRS/MCC to request a replacement file:
 - (a) **Pre-processing Errors:**
 - Damaged Media
 - Media Type Invalid/Missing
 - Invalid Record Length (**MUST** be 780 positions)
 - Invalid Block Size (**cannot** exceed 23,400)

(b) Processing Errors:

- Invalid Tax Year
- Transmitter Control Code Invalid/Missing (**MUST** begin with “22”)
- No Transmitter Record (“T” Record)
- No Withholding Agent Record (“W” Record)
- No Recipient Record (“Q” Record)
- No Reconciliation Record (“C” Record)
- No End of Transmission Record (“F” Record)
- Records are not in proper sequence (e.g., T, W, Q, C, F)
- No data entered in “W” Record
- No data entered in “Q” Record
- No data entered in “C” Record
- No data entered in a “Required” field
- Count of “Q” Records missing in “C” Record
- Total “Q” Record count differs from count indicated in “C” Record
- Total Gross Amount Paid missing in “C” Record
- Total U.S. Tax Withheld missing in “C” Record
- Total Gross Amount in “Q” Records differs from amount indicated in “C” Record
- Total U.S. Tax Withheld amount in “Q” Records differs from amount indicated in “C” Record

- .04 Magnetic media files must be corrected and returned with the Media Tracking Slip (Form 9267) to IRS/MCC within 45 days from the date of the letter. Refer to Part B, Section 6, for procedures for correcting files submitted electronically. A penalty for failure to file correct information returns by the due date will be assessed if the files are not corrected and replaced within the 45 days **or if IRS/MCC requests replacement files more than two times**. A penalty for intentional disregard of the filing requirements will be assessed if a replacement file is not received. (For penalty information, refer to the Penalty section of the current Instructions for Form 1042-S.)
- .05 A letter identifying errors encountered will be provided. It is the responsibility of the transmitter to check the entire replacement file for errors before resubmitting.
- .06 IRS/MCC will not return magnetic media. Therefore, if the transmitter wants proof that IRS/MCC received a shipment, the transmitter should select a service with tracking capabilities or one that will provide proof of delivery.
- .07 IRS/MCC will work with filers as much as possible to assist with processing problems.

Sec. 11. Validation of Information Returns at IRS Service Center

- .01 The accuracy of data reported on Form 1042-S will now be reviewed and validated at the IRS Service Center. All fields indicated as “**Required**” in the record layouts in Part C **must** contain valid information. If the Service identifies an error, you will be notified and required to provide correct information.
- .02 **Know your recipient!**
- .03 The tax rate entered must be a valid tax rate based on the Internal Revenue Code or on a valid treaty article. The valid treaty rate is based on the recipient’s country of residence for tax purposes. The rate selected must be justified by the appropriate treaty.
- .04 The Gross Income amount field must reflect pretax income. The Gross Income amount is the total income paid before any deduction of tax at source.
- .05 If a qualified intermediary is acting as such, either as a withholding agent or as a recipient, the TIN reported must be a QI-EIN, WP-EIN or WT-EIN and must begin with “98”. See definition of QI in the Instructions for Form 1042-S.
- .06 Country Codes used must be valid codes taken from the Country Code Table. Generally, the use of “OC” or “UC” will generate an error condition. If a recipient is claiming treaty benefits, the Country Code can never be “OC” or “UC”.

- .07 If a recipient is an “Unknown Recipient” or “Withholding Rate Pool”, no address should be present. These are the only two situations where a street address is not required.
- .08 A U.S. TIN for a recipient is now generally required, particularly for most treaty benefits. The exceptions are very limited and are listed in the current Instructions for Form 1042-S.
- .09 Apply the following formula to determine U.S. Federal Tax Withheld (field positions 48-59 of the “Q” Record). All field positions described below are in the “Q” Record.

<u>Income Codes (15, 16, 17, 18, 19)</u>	<u>All other Income Codes</u>
Gross Income Paid (6-17)	Gross Income Paid (6-17)
– <u>Withholding Allowance (18-29)</u>	<u>x Tax Rate (42-45)</u>
= Net Income Amount (30-41)	= U.S. Federal Tax Withheld (48-59)
<u>x Tax Rate (42-45)</u>	
= U.S. Federal Tax Withheld (48-59)	

- .10 If the Recipient Code is 20 (Unknown Recipient), the tax rate **must** be 30%.
- .11 When making a payment to an international organization (e.g., United Nations) or a tax-exempt organization under IRC 501(a), use Country Code “OC”. Use “UC” only when you have an “Unknown Recipient”.
- .12 When using Exemption Code 4, the Recipient Country of Residence Code for Tax Purposes **MUST** be a VALID treaty country (e.g. if tax resident of Northern Ireland use United Kingdom). Do not use Exemption Code 4 unless a reduction or exemption of tax is based on a treaty claim.
- .13 Generally, payments under Income Codes 06 and 08 are not exempt from withholding, however, certain exceptions apply. See the current Instructions for Form 1042-S.
- .14 If income is from gambling winnings (Income Code 28) or is not specified (Income Code 50), the tax rate must generally be 30%. This type of income is only exempt from withholding at source if the exemption is based on a tax treaty that has an “Other Income” article.
- .15 If Income Code 20 (Earnings as Artist or Athlete) is used, the Recipient Code must be 09. Do not use Recipient Code 01 (Individual), 02 (Corporation), or 03 (Partnership). Generally, the tax rate cannot be reduced even if a treaty may apply.
- .16 When paying scholarship and fellowship grants (Income Code 15), the Recipient’s Country of Residence for Tax Purposes must be identified and cannot be “OC” or “UC”. Grants that are exempt under Code Section 117 are no longer required to be reported on Form 1042-S.

Note: Grants that are exempt under Code 117 include only amounts provided for tuition, fees, books, and supplies to a qualified student. Amounts provided for room and board can only be exempted under a tax treaty and must be reported on Form 1042-S whether exempt from tax or not.

- .17 If a student is receiving compensation (Income Code 19) or a teacher or a researcher is receiving compensation (Income Code 18), all or part of which is exempted from tax under a tax treaty, the Country of Residence for Tax Purposes must be identified and cannot be “OC” or “UC”.

Sec. 12. Common Submission Problems

- .01 Publication 1187 is a format document, **not** a tax law document. Therefore, this publication cannot provide for all possible reporting situations. For any given record entry, it is the responsibility of the filer to make sure that the relevant tax law is applied to the record entry being made.

1. Incorrect TIN indicator in the “W” Record

Be careful that the correct TIN Indicator is used. A U.S. withholding agent always has an EIN. Only a foreign withholding agent that has entered into a Qualified Intermediary agreement with the IRS can have a QI-EIN.

If the withholding agent is a foreign company then a foreign address must be entered in the withholding agent address fields.

2. Blank or invalid information in the Withholding Agent’s name and address fields

The IRS error correction process requires that the “W” Record be checked for validity before the “Q” Record can be corrected. Please ensure that the withholding agent’s Name, EIN, Street Address, City and State or Country is present along with the appropriate Postal or ZIP Code. Withholding Agent’s Name Line-1 **must** contain the withholding agent’s name.

3. Missing Recipient TIN in the “Q” Record

A Recipient TIN must be present in order to allow a reduction or exemption from withholding at 30% tax rate. The only major exceptions to this rule involve payments of portfolio interest, dividends, and certain royalty payments. If the recipient doesn’t have a TIN, one must be applied for and provided to the withholding agent before a reduction or exemption of withholding is allowed.

4. Invalid recipient name and address information

The recipient name entered in Recipient’s Name Line-1 must be the same name shown on the withholding certification document provided to and retained by the withholding agent. Recipient’s Street Line-1 should only show the official street address. Use Recipient’s Street Line-2 for additional internal distribution information such as mail stop numbers or attention information. Follow the instructions for entry of foreign postal codes, cities and countries. Do not input all information in the City field. Use the appropriate fields and codes.

5. Incorrect use of Recipient Code 20 (Unknown Recipient)

This Recipient Code may be used **only** if no withholding certification document has been provided to and retained by the withholding agent, or the withholding certification document provided to and retained has been determined by the withholding agent to be incomplete or otherwise unreliable. If Recipient Code 20 is used then Recipient Name Line-1 must contain the words Unknown Recipient and the other name and address fields must be blank.

6. Incorrect use of Recipient Code 20 and the Tax Rate and U. S. Tax Withheld fields

If Recipient Code 20 is used, the Tax Rate and the U.S. Tax Withheld must always be 30%. Exemption Code 04 (treaty exemption) **CANNOT BE USED**.

7. Incorrect use of Country Codes in the “Q” Record

There are 3 places in the “Q” Record where country information must be entered. Generally, the information entered in these three fields should be consistent. The country list in the Instructions for Form 1042-S is comprehensive. **Do not** use any code that isn’t on the list. Read the instructions for Form 1042-S regarding the use of “OC” and “UC”. **Do not** use these two codes under any circumstance other than those specifically indicated in the Instructions for Form 1042-S.

8. Incorrect reporting of Tax Rates in the “Q” Record

A Table of Allowable Tax Rates can be found in Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities. Please refer to this table and only use the tax rates listed. “Blended rates” are not allowed. If a tax rate for a given recipient changes during the year, two “Q” Records must be submitted.

9. Total amounts reported in the “C” Record do not equal the total amounts reported in the “Q” Records.

The total Gross Income and U.S. Tax Withheld reported in the “Q” Record must equal the Total Gross Income and Total U.S. Tax Withheld reported in the corresponding “C” Record.

.02 Problems relating specifically to filing Form 1042-S electronically can be found in Part B, Sec. 12.

Sec. 13. Voided and Corrected Returns

.01 A corrected record must always have a corresponding voided record submitted prior to or in association with the corrected record.

.02 To provide clarification of the correction process for Form 1042-S, the following definitions have been provided:

(a) A void record is an information return (Form 1042-S) submitted by the transmitter to delete a previously filed incorrect original return. A void record must be a duplicate of the original successfully processed return with the exception of a Return Type Indicator of “1” (1 = Void) in field position 2 of the “W” and “Q” Records. The voided “Q” Record can be filed with or without a corresponding correction record. For example, a Form 1042-S was submitted, and it should have been prepared as a Form 1099. A “Q” Record with the original Form 1042-S information would be filed with a Return Type Indicator of “1” (1 = Void) in field position 2. In this instance, a corresponding “Q” Record coded as a correction would NOT be necessary and should not be submitted.

(b) A correction is an information return (Form 1042-S) submitted by the transmitter to correct a return that was successfully processed by IRS/MCC, but contained erroneous information. A Return Type Indicator of “2” (2 = Corrected) in field position 2 of the “W” and “Q” Records identifies a correction record. **A corrected record must always have a corresponding voided record submitted prior to or in association with the corrected record.**

.03 The magnetic media filing requirement of information returns of 250 or more applies separately to both original and corrected returns.

If a withholding agent has 100 Forms 1042-S to be corrected, they can be filed on paper because they fall under the 250 threshold. However, if the withholding agent has 300 Forms 1042-S to be corrected, they must be filed electronically or magnetically because they exceed the 250 threshold. If for some reason a withholding agent cannot file the 300 corrections on magnetic media, to avoid penalties, a request for a waiver must be submitted before filing on paper. If a waiver is approved for original documents, any corrections for the same type of return will be covered under this waiver.

.04 Corrections should be filed **as soon as possible**. Corrections filed after August 1 may be subject to the maximum penalty of \$50 per return. Corrections filed by August 1 may be subject to a lesser penalty. For information on penalties, refer to the Penalty section of the current Instructions for Form 1042-S. However, if a withholding agent discovers errors after August 1, the withholding agent is still required to file corrections or be subject to a penalty for intentional disregard of the filing requirements. If a record is incorrect, all fields on that record must be completed with the correct information. Submit corrections only for the returns filed in error. Do not submit the entire file. Furnish corrected statements to recipients as soon as possible.

.05 Corrected returns must be identified on the Form 4804 and the external media label by indicating “Correction”.

Note: Do not include original returns and corrected returns on the same media or in the same electronic file.

.06 If filers discover that certain information returns were omitted on their original file, they must not code these documents as corrections. The file must be coded and submitted as an original file.

.07 Prior year data, original and corrected, **must** be filed according to the requirements of this Revenue Procedure. If submitting prior year corrections, use the record format for the current year and submit on separate media. However, use the actual year designation of the correction in Field Positions 2-5 of the “T” Record. If filing electronically, a separate transmission must be made for each tax year.

- .08 In general, filers should submit corrections for returns filed within the last 3 calendar years.
- .09 All paper returns, whether original or corrected, must be filed with IRS Philadelphia Service Center.
- .10 Form 4804 must be submitted with corrected files submitted magnetically.
- .11 The “Q” Record provides a 20-position field (positions 72-91) for the recipient’s account number assigned by the withholding agent. This number will help identify the appropriate incorrect return if more than one return is filed for a particular payee. This number should appear on the initial return and on the corrected return in order to identify and process the correction properly. **Do not enter a TIN in this field.**
- .12 The record sequence for filing corrections is the same as for original returns.
- .13 Following is a chart showing the steps to be taken for voiding and correcting Form 1042-S:

Guidelines for Filing Corrected Returns Electronically/Magnetically

Transaction 1: Identify incorrect returns (void process)

The record sequence for filing corrections is the same as for original returns. Create the file in the following order exactly the same as the original transmission:

- (a) Transmitter “T” Record
- (b) Withholding Agent “W” Record with a Return Type Indicator of “1” (1 = Void) in field position 2
- (c) Recipient “Q” Record (s) with the exact information as submitted originally; however, place a Return Type Indicator of “1” (1 = Void) in field position 2 of the “Q” Record (See **Note**)
- (d) Prepare a Reconciliation “C” Record summarizing the preceding voided “Q” Records. (See sample format below.)

Note: A voided “Q” Record may or may not have a corresponding corrected “Q” Record.

Transaction 2: Report the correct information (correction process)

If possible, on the same media or electronic submission prepare:

- (a) Withholding Agent “W” Record with a Return Type Indicator of “2” (2 = Corrected) in field position 2.
- (b) Recipient “Q” Record(s) with the correct information. Place a “2” (2 = Corrected) in field position 2 of the “Q” Record.
- (c) Prepare a Reconciliation “C” Record summarizing the preceding corrected “Q” Records
- (d) Prepare an End of Transmission “F” Record.

Note: Each corrected “Q” Record **MUST** have a corresponding voided “Q” Record submitted prior to or in association with the corresponding correction record.

Sample data sequence for void/correction records submitted in the same file:

- “T” Record
- “W” Record coded for voided records
- “Q” Record coded as void
- “Q” Record coded as void
- “Q” Record coded as void
- “Q” Record coded as void
- “Q” Record coded as void
- “C” Record to summarize voided records

“W”	Record coded for corrected records
“Q”	Record coded as corrected records
“Q”	Record coded as corrected
“Q”	Record coded as corrected
“C”	Record to summarize corrected records
“F”	Record

- .14 For information on when an amended Form 1042 is required, refer to Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Corporations.

Sec. 14. Taxpayer Identification Number (TIN)

- .01 Section 6109 of the Internal Revenue Code establishes the general requirements under which a person is required to furnish a TIN to the person obligated to file the information return.
- .02 The Withholding Agent must provide its EIN, QI-EIN, WP-EIN or WT-EIN as appropriate, in the “W” Record and “T” Record if the Withholding Agent is also the transmitter.
- .03 A recipient TIN (SSN, ITIN, EIN, QI-EIN) must be provided on every “Q” Record when:
- Tax rate is less than 30% (See the current Instructions for Form 1042-S for exceptions)
 - Income is effectively connected with the conduct of a trade or business in the United States
 - Recipient claims tax treaty benefits (generally)
 - Recipient is a Qualified Intermediary
 - An NRA individual is claiming exemption from withholding on independent personal services
 - Other situations may apply, see Publication 515
- .04 In the event the recipient does not have a TIN, the withholding agent should advise the recipient to take the necessary steps to apply for one.
- .05 The recipient’s TIN and name combination are used to associate information returns reported to IRS/MCC with corresponding information on recipients’ tax returns. It is imperative that **correct** Taxpayer Identification Numbers (TINs) for recipients be provided to IRS/MCC. **Do not enter hyphens or alpha characters.** Entering all zeros, ones, twos, etc., will have the effect of an incorrect TIN.
- .06 The withholding agent and recipient names with associated TINs should be consistent with the names and TINs used on other tax returns.

Note: A withholding agent must have valid EINs and/or QI-EINs. It is no longer valid for a withholding agent to use SSNs and ITINs.

Sec. 15. Effect on Paper Returns and Statements to Recipients

- .01 Electronic/magnetic reporting of Form 1042-S eliminates the need to submit paper documents to the IRS. **CAUTION: Do not send Copy A of the paper forms to IRS for any forms filed electronically or on magnetic media.** This will result in duplicate filing.
- .02 Withholding agents are responsible for providing statements to the recipients as outlined in the current Instructions for Form 1042-S. Refer to those instructions for filing Form 1042-S on paper with the IRS and furnishing statements to recipients.
- .03 Statements to recipients should be clear and legible. If the official IRS form is not used, the filer must adhere to the specifications and guidelines in Publication 1179, Rules and Specifications for Private Printing of Substitute Forms 1096, 1098, 1099, 1042-S, 5498, and W-2G.
- .04 The address for filing paper Forms 1042-S and Form 1042 is: Internal Revenue Service Center, Philadelphia, PA 19255. Do **NOT** send paper Forms 1042-S or 1042 to IRS/MCC.

Sec. 16. Definition of Terms

Element	Description
Asynchronous Protocols	This type of data transmission is most often used by microcomputers, PCs and some minicomputers. Asynchronous transmissions transfer data at arbitrary time intervals using the start-stop method. Each character transmitted has its own start bit and stop bit.
<i>b</i>	Denotes a blank position. Enter blank(s) when this symbol is used (do not enter the letter “b”). This appears in numerous areas throughout the record descriptions.
Beneficial Owner	The beneficial owner of income is, generally, the person who is required under U.S. tax principles to include the income in gross income on a tax return. For additional information and special conditions see Definitions in the current Instructions for Form 1042-S.
Correction	A correction is an information return submitted by the transmitter to correct an information return that was previously submitted to and processed by IRS/MCC, but contained erroneous information. A corrected record must always have a corresponding voided record submitted prior to or in association with the corrected record.
Employer Identification Number (EIN)	A nine-digit number assigned by IRS for Federal tax reporting purposes.
Electronic Filing	Submission of information returns using switched telecommunications network circuits. These transmissions use modems, dial-up phone lines, and asynchronous protocols. See Parts A and B of this publication for specific information on electronic filing.
File	For purposes of this Revenue Procedure, a file consists of one Transmitter “T” Record at the beginning of the file, a Withholding Agent “W” Record, followed by the Recipient “Q” Record (s), a Reconciliation “C” Record summarizing the number of preceding “Q” Records and total of preceding money fields. Follow with any additional “W”, “Q”, and “C” Record sequences as needed. The last record on the file will be the End of Transmission “F” Record. Nothing should be reported after the End of Transmission “F” Record. A file format diagram is located at the end of Part D.
Filer	Person (may be withholding agent and/or transmitter) submitting information returns to IRS.
FIRE System	Filing Information Returns Electronically (FIRE) System is the method for submitting Forms 1042-S electronically to IRS/MCC. See Part B.
Filing Year	The calendar year in which the information returns are being submitted to IRS.

Element	Description
Flow-Through Entity	A flow-through entity is a foreign partnership (other than a withholding foreign partnership), or a foreign simple or grantor trust (other than a withholding foreign trust). For any payments for which a reduced rate of withholding under an income tax treaty is claimed, any entity is considered to be a flow-through entity if it is considered to be fiscally transparent under IRC Section 894 with respect to the payment by an interest holder's jurisdiction.
Foreign Person	A foreign person includes a nonresident alien individual, a foreign corporation, a foreign partnership, a foreign trust, a foreign estate, and any other person that is not a U.S. person. The term also includes a foreign branch or office of a U.S. financial institution or U.S. clearing organization if the foreign branch is a Qualified Intermediary. Generally, a payment to a U.S. branch of a foreign person is a payment to a foreign person.
Gross Income	Gross income includes income from all sources, except certain items expressly excluded by statute. Gross income is the starting point for computing adjusted gross income and taxable income.
Individual Taxpayer Identification Number (ITIN)	A nine-digit number issued by IRS to individuals who are required to have a U.S. Taxpayer Identification Number for tax purposes but are not eligible to obtain a Social Security Number (SSN). ITIN may be used for tax purposes only.
Information Return	The vehicle for withholding agents to submit required tax information about a recipient to IRS. For this Revenue Procedure, it is information about a foreign person's U.S. source income subject to withholding, and the information return is Form 1042-S.
Intermediary	An intermediary is a person that acts as a custodian, broker, nominee, or otherwise as an agent for another person, regardless of whether that other person is the beneficial owner of the amount paid, a flow-through entity, or another intermediary.
ISDN - Integrated Services Digital Network	ISDN's basic service is Basic Rate Interface (BRI) which is made up of two 64Kbps B channels and one 16Kbps D channel. If both channels are combined into one, called Bonding, the total data rate becomes 128Kpbs and is 4½ Times the bandwidth of a 28.8 modem.
Magnetic Media	For this Revenue Procedure, the term magnetic media refers to IBM 3480, 3490, 3490E, 3590, 3590E or AS400 compatible tape cartridge; or 3½-inch diskette.
Media Tracking Slip	Form 9267 accompanies correspondence sent by IRS/MCC requesting a replacement file due to incorrect format or certain errors encountered when trying to process the media. This form must be returned with the replacement file.

Element	Description
Nonqualified Intermediary (NQI)	A Nonqualified Intermediary is a foreign intermediary that is not a U.S. person and that is not a Qualified Intermediary.
Payer	A payer is the person for whom the withholding agent acts as a paying agent pursuant to an agreement whereby the withholding agent agrees to withhold and report a payment.
Presumption Rules	The presumption rules are those rules prescribed under Chapter 3 and Chapter 61 of the Internal Revenue Code that a withholding agent must follow to determine the status of a beneficial owner as a U.S. or foreign person when it cannot reliably associate a payment with valid documentation.
Pro-Rata Basis Reporting	If the withholding agent has agreed that an NQI may provide information allocating a payment to its account holders under the provisions of Regulations section 1.1441-1(e)(3)(iv)(D), and the NQI fails to allocate the payment in a withholding rate pool to the specific recipients in the pool, the withholding agent must file a Form 1042-S for each recipient on a pro-rata basis.
Qualified Intermediary (QI)	A Qualified Intermediary is a foreign intermediary that is a party to a withholding agreement with the IRS, in which it agrees to comply with the relevant terms of Chapters 3 and 61 of the Internal Revenue Code.
Qualified Intermediary Employer Identification Number (QI-EIN)	A nine-digit number assigned by IRS to a QI for Federal tax reporting purposes. A QI-EIN may be used only when the QI is not acting on its own behalf.
Recipient	Person (nonresident alien individual, fiduciary, foreign partnership, foreign corporation, Qualified Intermediary, Withholding Rate Pool, or other foreign entity) that receives payments from a withholding agent as a beneficial owner or as a qualified intermediary acting on behalf of a beneficial owner. A non-qualified intermediary cannot be a recipient.
Replacement File	A replacement file is an information return file sent by the filer at the request of IRS/MCC because of certain errors encountered while processing the filer's original submission.
Service Bureau	Person or organization with whom the withholding agent has a contract to prepare and/or submit information return files to IRS/MCC. A parent company submitting data for a subsidiary is not considered a service bureau.
Social Security Number (SSN)	A nine-digit number assigned by Social Security Administration to an individual for wage and tax reporting purposes.
Special Character	Any character that is not a numeric, an alpha, or a blank.

Element	Description
Taxpayer Identification Number (TIN)	Refers to either an Employer Identification Number (EIN), Social Security Number (SSN), Individual Taxpayer Identification Number (ITIN), or a Qualified Intermediary Employer Identification Number (QI-EIN).
Tax Year	The year in which payments were made by a withholding agent to a recipient.
Transmitter	Refers to the person or organization submitting file(s) electronically/magnetically. The transmitter may be the payer, agent of the payer, or withholding agent.
Transmitter Control Code (TCC)	A five-character alpha/numeric number assigned by IRS/MCC to the transmitter prior to filing electronically or magnetically. An application Form 4419 must be filed with IRS/MCC to receive this number. This number is inserted in the Transmitter “T” Record (field positions 190-194) of the file and must be present before the file can be processed. Transmitter Control Codes assigned to 1042-S filers will always begin with “22”.
Unknown Recipient	For this Revenue Procedure, an unknown recipient is a recipient for which no documentation has been received by a withholding agent or intermediary or for which documentation received cannot be reliably associated. This includes incomplete documentation. An unknown recipient is always subject to withholding at the maximum applicable rate. No reduction of or exemption from tax may be applied <u>under any circumstances.</u>
Vendor	Vendors include service bureaus that produce information return files on the prescribed types of magnetic media or via electronic filing for withholding agents. Vendors also include companies that provide software for those who wish to produce their own media or electronic files.
Void	A void record is used in the correction process of Form 1042-S. For purposes of this Revenue Procedure, a void record is submitted by the transmitter to delete a previously filed incorrect original Form 1042-S. A void record must be a duplicate of the original successfully processed record with the exception of a “1” in field position 2 of the “W” and “Q” Records.
Withholding Agent	Any person, U.S. or foreign, that has control, receipt, or custody of an amount subject to withholding or who can disburse or make payments of an amount subject to withholding. The withholding agent may be an individual, corporation, partnership, trust, association, or any other entity. The term withholding agent also includes, but is not limited to, a qualified intermediary, a nonqualified intermediary, a withholding foreign partnership, a withholding foreign trust, a flow-through entity, a U.S. branch of a foreign insurance company or foreign bank that is treated as a U. S. person, and an authorized foreign agent. A person may be a withholding agent under U.S. law even if there is no requirement to withhold from a payment or even if another person has already withheld the required amount from a payment.

Element	Description
Withholding Foreign Partnership (WP) or Withholding Foreign Trust (WT)	A foreign partnership or trust that has entered into a withholding or Withholding Foreign Trust agreement with the IRS in which it agrees to assume primary withholding responsibility for all payments that are made to it for its partners, beneficiaries, or owners.

Part B. Electronic Filing Specifications

Sec. 1. Background

01. Information returns filed electronically are received at IRS/MCC via the FIRE (Filing Information Returns Electronically) System. The FIRE System can be accessed via analog and ISDN BRI connections. The system is designed to support the electronic filing of information returns only. The telephone number for electronic filing is (304-262-2400). Publications and forms are no longer available electronically from MCC. Users needing publications and forms will need to download them from the IRS Website at www.irs.gov or order them by calling 1-800-TAX-FORM (1-800-829-3676). IRS/MCC encourages the sending of test files, especially, when extensive changes have occurred in processing procedures, format, or if you have never filed electronically. See Sec. 5 for testing procedures.

Sec. 2. Advantages of Filing Electronically

01. Some of the advantages of filing electronically are as follows:
 - (a) Paperless, no Form 4804 requirements.
 - (b) Acknowledgment of files received.
 - (c) Better customer service due to on-line availability of transmitter's files for research purposes.

Sec. 3. General

- .01 Electronic filing of Form 1042-S (originals, corrections, and replacements) is offered as an alternative to magnetic media (tape cartridge or diskette) or paper filing, but is not a requirement. Transmitters filing electronically will fulfill the magnetic media requirements for those withholding agents who are required to file magnetically. It may also be used by withholding agents who are under the filing threshold requirement, but would prefer to file their information returns electronically. If the original file was sent magnetically, but IRS/MCC requested a replacement file, the replacement may be transmitted electronically. Also, if the original file was submitted via magnetic media, any corrections may be transmitted electronically.
- .02 Files submitted to IRS/MCC electronically must be in standard ASCII code. No magnetic media or paper forms are to be submitted with the same information as the electronically submitted file.
- .03 If a request for an extension is approved, transmitters who file electronically will be granted an extension of time to file. Part D, Sec. 1, explains procedures for requesting extensions of time. Filers are encouraged to file their data as soon as possible.
- .04 The formats of the "T", "W", "Q", "C" and "F" Records are the same for electronically filed records as they are for magnetic media, and must be in standard ASCII code. For electronically filed documents, each transmission is considered a separate file; therefore, each transmission must begin with a Transmitter "T" Record and end with an End of Transmission (EOT) "F" Record.

Sec. 4. Electronic Filing Approval Procedure

- .01 Filers must obtain, or already have, a Transmitter Control Code (TCC) assigned before submitting their files electronically. (Filers who currently have a TCC for magnetic media filing of Form 1042-S, beginning with "22", will not be assigned a second TCC for electronic filing.) Refer to Part A, Sec. 6, for information on how to obtain a TCC.
- .02 Once a TCC is obtained, electronic filers assign their own logon name, password and PIN (Personal Identification Number) and do not need prior or special approval. See Part B, Sec. 7.
- .03 If a filer is submitting files for more than one TCC, it is not necessary to create a separate logon and password for each TCC.
- .04 For all passwords, it is the user's responsibility to remember the password and not allow the password to be compromised. Passwords are user assigned at first logon and must be 8 alpha/numerics containing at least 1

uppercase, 1 lowercase, and 1 numeric. However, if filers forget their password or PIN, call **toll-free 1-866-455-7438** for assistance. The FIRE System will require users to change their passwords on a yearly basis.

Note: Passwords are case sensitive.

Sec. 5. Test Files

- .01 Filers are not required to submit a test file; however, the submission of a test file is encouraged for all new electronic filers to test hardware and software. If filers wish to submit an electronic test file, it **must** be submitted to IRS/MCC **no earlier than** January 6, and **no later than** February 15.
- .02 If a filer encounters problems while transmitting the electronic test file, contact IRS/MCC for assistance.
- .03 Filers can verify the status of the transmitted test data by connecting to the electronic filing system at **304-262-2400**.
- .04 Form 4804 is no longer required for test files submitted electronically. See Part B, Sec. 7.

Sec. 6. Electronic Submissions

- .01 Electronically filed information may be submitted to IRS/MCC 24 hours a day, 7 days a week. Technical assistance will be available Monday through Friday between 8:30 a.m. and 4:30 p.m. Eastern time by calling us toll-free at **1-866-455-7438**.
- .02 **The FIRE System will be down from December 24 through January 5.** This allows IRS/MCC to update its system to reflect current year changes.
- .03 Data compression is encouraged when submitting information returns electronically. WinZip and PKZip are acceptable compression packages. UNIX COMPRESS may be acceptable; however, a test file is recommended to verify compatibility. IRS/MCC cannot accept self-extracting zip files or compressed files containing multiple files

The time required to transmit information returns electronically will vary depending on the modem speed and the type of data compression used, if any. The time required to transmit a file can be reduced by as much as 95 percent by using software compression.

The following are transmission rates achieved in test uploads at MCC using compressed files. The transmission rates will vary depending on the modem speeds.

Transmission Speed in bps	1,000 Records	10,000 Records	100,000 Records
19.2K	34 Sec.	6 Min.	60 Min.
56K	20 Sec.	3½ Min.	33 Min.
128K (ISDN)	8 Sec.	1 Min.	10 Min.

- .04 Files submitted electronically will be assigned a unique filename by the FIRE System (the users may name files anything they choose from their end). The filename assigned by the FIRE System will consist of submission type [TEST, ORIG (original), CORR (correction), and REPL (replacement)], the filer's TCC and a four-digit number sequence. The sequence number will be incremented for every file sent. For example, if it is your first original file for the calendar year and your TCC is 22000, the IRS assigned filename would be ORIG.22000.0001. Record the filename.
- .05 If a file was submitted timely and is bad, the filer will receive a letter and listing detailing the reasons a replacement file is needed. The filer will have up to 45 days to transmit the first replacement file, and 30 days thereafter, if additional replacements are necessary.

- .06 Filers are advised not to resubmit an entire file if records were omitted from the original transmission. This will result in duplicate filing. A new file should be sent consisting of only those records that had not previously been submitted.
- .07 The TCC (beginning with the numbers “22”) in the Transmitter “T” Record must be the TCC used to transmit the file; otherwise, the file will be considered an error.

Sec. 7. PIN Requirements

- .01 The Form 4804 is not required for electronic files. All new users will be prompted to create a PIN consisting of ten numerics when they are establishing their initial logon name and password. All users having existing accounts will already have a PIN assignment from the previous year.
- .02 The PIN is required each time you send us a file electronically and is your permission to release the file. If you forget your PIN, please call us **toll-free at 1-866-455-7438**.

Sec. 8. Electronic Filing Specifications

- .01 Connect to the FIRE System by dialing **304-262-2400**. This number supports analog connections from 1200bps to 56Kbps or ISDN BRI 128Kbps. The system can be accessed via Dial-up network/web browser (see Part B, Sec. 9) or communications software (see Part B, Sec. 10). The Dial-up network/web browser (point-to-point) will provide an Internet-like look, however, it is not the Internet. If you do not have this capability, a text interface is provided that can be accessed via communication software such as Hyperterminal, Procomm, PCAnywhere, etc.
- .02 It is the filer’s responsibility to dial back to verify the acceptability of files submitted by checking the File Status area of the system.

Sec. 9. Dial-up Network/Browser Specifications (Web Interface)

Sec. 11. Modem Configuration

.01 Hardware features

- (a) Enable hardware flow control
- (b) Enable modem error control
- (c) Enable modem compression

Sec. 12. Common Problems Associated with Electronic Filing

.01 Refer to Part A, for Major Problems Encountered with Form 1042-S electronic/magnetic files.

.02 The following are the major non-format errors associated with electronic filing:

(a) **Transmitter does not dial back to the electronic system to determine file acceptability.**

It is your responsibility to verify file acceptability and, if the file contains errors, you can get an online listing of the errors after 20 business days. Date received and number of payee records are also displayed.

(b) **Transmitter uses wrong TCC.**

Use the TCC assigned for Form 1042-S filing only. This TCC will begin with a “**22**”.

(c) **Transmitter compresses several files into one.**

Only compress one file at a time. For example, if you have 10 uncompressed files to send, compress each file separately and send 10 separate compressed files.

(d) **Transmitter sends a file and File Status indicates that the file is good, but the transmitter wants to send a replacement or correction file to replace the original/correction/replacement file.**

Once a file has been transmitted, you cannot send a replacement file unless File Status indicates the file is bad (20 business days after file was transmitted). If you do not want us to process the file, you must first contact us toll-free at 1-866-455-7438 to see if this is a possibility. However, this will count as a replacement. (See Part A, Sec. 16, for the definition of replacement.)

-
- (e) **Transmitter sends an original file that is good, then sends a correction file for the entire file even though there are only a few changes.**

The correction file, containing the proper coding, should only contain the records needing correction, not the entire file.

- (f) **File is formatted as EBCDIC.**

All files submitted electronically must be in standard ASCII code.

- .03 The following are the most common problems associated with connecting with dial-up networking/web browser:
-

- (a) **Transmitter is unable to connect to the FIRE System using dial-up networking.**

- (1) The user name and password should be blank when trying to connect unless it is needed for your system.
 - (2) Windows 95/98: Disable 'enable software compression'
 - (3) Windows NT/2000: Disable both 'enable software compression' and 'enable PPP/LCP extensions'
 - (4) TCP/IP should be the only network protocol that is enabled.
- (Make sure you are using analog lines rather than digital.)
-

- (b) **Transmitter is connecting using dial-up networking, but is unable to bring up the URL address using my web browser.**

- (1) Proxy server should be disabled for a dial-up connection.
 - (2) Using a modem option should be selected.
 - (3) The home page should either display **http://10.225.224.2** or be set to 'about:blank'.
 - (4) The security level should be set at medium.
 - (5) The option 'enable software compression' should be disabled under Dial-Up Networking.
-

- (c) **Transmitter clicks on 'start the FIRE application', but the logon screen is displayed again.**

Your browser must be set to receive 'cookies'.

- (d) **Transmitter is getting a menu when connecting with dial-up networking.**

The option 'pop-up a terminal window' should be disabled.

- (e) **Transmitter cannot find the browse button to upload file.**

If using Internet Explorer, you must have version 4.0 or higher. If using Netscape Navigator, it must be version 2.0 or higher.

- (f) **The line is busy when dialed.**

The volume of filers accessing the FIRE System peaks during the last weeks and days of February and March. If you wait to download your files until these peak times, you may receive a busy signal. If you do, please keep trying and make sure you have dialed the correct number, 304-262-2400, and used the proper number to access an outside line (e.g. 8 or 9). Also, some companies require an access code for long distance dialing. Contacting the Customer Service Section will not expedite your access to the FIRE System. We encourage you to prepare and download your files during less busy times in February and March.

- (g) **Transmitter is receiving the error message "Remote PPP Peer Not Responding".**

Disable 'enable PPP/LCP Extensions' in Dial-Up Networking

.04 The following are the most common problems associated with connecting with hyperterminal:

(a) Transmitter is unable to connect using hyperterminal.

- (1) If you need a number such as an 8 or a 9 to access an outside line, make sure it is present.
- (2) Set the terminal emulation to VT100.
- (3) Try lowering the modem speed.
- (4) Turn the modem off and then back on to reset it.

Make sure you are using analog lines rather than digital.

(b) Transmitter is getting the message 'annex command line interpreter'.

Disconnect and try again. You may need to lower the modem speed if this happens several times in a row.

(c) When trying to logon, the cursor is not in the correct box, or the menus are distorted.

Check the terminal emulation. It must be set to VT100. Also, verify that the data bits are set at 8, the stop bit is set at 1 and parity is set at None.

(d) Transmitter was able to connect and the menu is displayed, but is unable to type anything.

Scroll lock cannot be turned on.

(e) When transmitter connects, the menus keep scrolling and display garbage characters.

Make sure 'Use error control' and 'Compress data' are enabled under the Advanced Connection Settings.

(f) Transmitter receives message saying 'bad data packet' when the file is transmitting. What does this mean?

Your modem is having problems sending the data, so it is re-trying to send it. Normally, if the transfer does not abort, the file will be sent successfully.

Part C. Magnetic Media Specifications

Sec. 1. General

- .01 The specifications contained in this part of the Revenue Procedure define the **required** format and content of the records to be included in the electronic/magnetic media file. Do not deviate from this format.
- .02 Transmitters must be consistent in the use of recording modes and density on files. If the media does not meet these specifications, IRS/MCC will request a replacement file. Filers are encouraged to submit a test prior to submitting the actual file. Contact IRS/MCC for further information **toll-free at 1-866-455-7438**.
- .03 Regardless of the type of media used or if returns are filed electronically, the record length must be 780 positions.

Sec. 2. Tape Cartridge Specifications

- .01 In most instances, IRS/MCC can process tape cartridges that meet the following specifications:
 - (a) Must be IBM 3480, 3490, 3490E, 3590, 3590E or AS400 compatible.
 - (b) Must meet American National Standard Institute (ANSI) standards, and have the following characteristics:
 - (1) Tape cartridges will be ½-inch tape contained in plastic cartridges which are approximately 4-inches by 5-inches by 1-inch in dimension.
 - (2) Magnetic tape will be chromium dioxide particle based ½-inch tape.
 - (3) Cartridges must be 18-track, 36-track, 128-track, or 256-track parallel (See **Note**).
 - (4) Cartridges will contain 37,871 CPI or 75,742 CPI (characters per inch).
 - (5) Mode will be full function.
 - (6) The data may be compressed using EDRC (Memorex) or IDRC (IBM) compression.
 - (7) Either EBCDIC (Extended Binary Coded Decimal Interchange Code) or ASCII (American Standard Coded Information Interchange) may be used.
- .02 The tape cartridge records defined in this Revenue Procedure may be blocked subject to the following:
 - (a) A block **must not** exceed 23,400 tape positions.
 - (b) All records, except the header and trailer labels, may be blocked or unblocked. A record may not contain any control fields or block descriptor fields which describe the length of the block or the logical records within the block. The number of logical records within a block (the blocking factor) must be constant in every block with the exception of the last block which may be shorter (see item (b) above). The block length must be evenly divisible by 780.
 - (c) **Records may not span blocks.**
- .03 Tape cartridges may be labeled or unlabeled.
- .04 For the purposes of this Revenue Procedure, the following must be used:

Tape Mark:

 - (a) Signifies the physical end of the recording on tape.
 - (b) For even parity, use BCD configuration 001111 (8421).
 - (c) May follow the header label and precede and/or follow the trailer label.

Note: Filers should indicate on the external media label and transmittal Form 4804 whether the cartridge is 18-track, 36-track, 128-track or 256-track.

Sec. 3. 3½-Inch Diskette Specifications

- .01 To be compatible, a diskette file must meet the following specifications:
 - (a) 3½-inches in diameter.
 - (b) Data must be recorded in standard ASCII code.
 - (c) Records must be a fixed length of 780 bytes per record.
 - (d) Delimiter character commas (,) must not be used.
 - (e) Positions 779 and 780 of each record have been reserved for use as carriage return/line feed (cr/lf) characters, if applicable.
 - (f) Filename of 1042TAX must be used. Do not enter any other data in this field. If a file will consist of more than one diskette, the filename 1042TAX will contain a three-digit extension. This extension will indicate the sequence of the diskettes within the file. For example, if the file consists of three diskettes, the first diskette will be named 1042TAX.001, the second will be 1042TAX.002, and the third will be 1042TAX.003. The first diskette, 1042TAX.001 will begin with a “T” Record and the third diskette, 1042TAX.003 will have an “F” Record at the end of the file.
 - (g) A diskette will not contain multiple files as defined in Part A, Section 16. A file may have only ONE Transmitter “T” Record.
 - (h) Failure to comply with instructions will result in IRS/MCC requesting a replacement file.
 - (i) Diskettes must meet one of the following specifications:

Capacity	Tracks	Sides/Density	Sector Size
1.44 mb	96tpi	hd	512
1.44 mb	135tpi	hd	512

- .02 IRS/MCC encourages transmitters to use blank or currently formatted diskettes when preparing files. If extraneous data follows the End of Transmission “F” Record, IRS/MCC will request a replacement file.
- .03 IRS/MCC will only accept 3½-inch diskettes created using MS-DOS.

Note: IRS no longer has the capability to process non-MS-DOS compatible diskettes.) 3½-inch diskettes created on a System 36 or AS400 are not acceptable.

- .04 Transmitters should check diskettes for viruses before submitting it to IRS/MCC.

Sec. 4. Transmitter “T” Record

- .01 This record identifies the entity preparing and transmitting the file. The transmitter and the withholding agent may be the same, but they need not be.
- .02 The first record of a file **MUST** be a Transmitter “T” Record (preceded only by header labels). The “T” Record must appear on each tape and cartridge; otherwise a replacement file may be requested.
- .03 The “T” Record is a fixed length of 780 positions.
- .04 All alpha characters entered in the “T” Record must be upper case.

Note 1: FOR ALL FIELDS MARKED **REQUIRED**, THE TRANSMITTER MUST PROVIDE THE INFORMATION DESCRIBED UNDER **DESCRIPTION AND REMARKS**. IF REQUIRED FIELDS ARE NOT COMPLETED IN ACCORDANCE WITH THESE INSTRUCTIONS, IRS WILL CONTACT YOU TO REQUEST CORRECT INFORMATION. FOR THOSE FIELDS NOT MARKED **REQUIRED**, A TRANSMITTER MUST ALLOW FOR THE FIELD, BUT MAY BE INSTRUCTED TO ENTER BLANKS OR ZEROES IN THE INDICATED MEDIA POSITION(S) AND FOR THE INDICATED LENGTH. Sec. 6. Recipient “Q” Record

- .01 The “Q” Record contains name and address information for the Recipient of Income, Non-Qualified Intermediary or Flow-Through Entity if appropriate, Payer, and all data concerning the income paid and tax withheld that is required to be reported under U.S. law. Each Recipient “Q” Record is treated as if it were a separate Form 1042-S.
- .02 Since the “Q” Record is restricted to one type of income and one tax rate, under certain circumstances it may be necessary to submit more than one “Q” Record for the same recipient. Failure to provide multiple Recipient “Q” Records when necessary may generate math computation errors during processing. This will result in IRS contacting you for correct information.
- .03 Following are some of the circumstances when more than one “Q” Record for a recipient would be required:
 - Different types of income. For example, Recipient X derived income from Capital Gains (Income Code 09) and Industrial Royalties (Income Code 10). A separate “Q” Record must be reported for each Income Code, providing Gross Income Paid and U.S. Federal Tax Withheld pertaining to that Income Code.
 - Change in Country Code during the year. For example, the Withholding Agent received notification via Form W-8BEN that the recipient’s country of residence for tax purposes changed from country X to country Y. A separate “Q” Record must be reported for each Country Code providing Gross Income Paid, Tax Rate, U.S. Federal Tax Withheld and Exemption Code, if any. The amounts reported must be based on each country.
 - Change in a country’s tax treaty rate during the year. For example, effective April 1, country X changes its tax

treaty rate from 10% to 20%. A separate “Q” Record must be reported for each of the tax rates. Provide the Gross Income Paid, Tax Rate, and U.S. Federal Tax Withheld under each tax rate.

- .04 All recipient “Q” Records for a particular Withholding Agent must be written after the corresponding Withholding Agent “W” Record, followed by a Reconciliation “C” Record, and before the “W” Record for another Withholding Agent begins.
- .05 All alpha characters entered in the “Q” Record must be upper case.
- .06 Report income and tax withheld in whole dollars only. Round up or down as appropriate. DO NOT enter cents.

Note 1: FOR ALL FIELDS MARKED **REQUIRED**, THE TRANSMITTER MUST PROVIDE THE INFORMATION DESCRIBED UNDER **DESCRIPTION AND REMARKS**. IF REQUIRED FIELDS ARE NOT COMPLETED IN ACCORDANCE WITH THESE INSTRUCTIONS, **IRS** WILL CONTACT YOU TO REQUEST THE CORRECT INFORMATION. FOR THOSE FIELDS NOT MARKED **REQUIRED**, A TRANSMITTER MUST ALLOW FOR THE FIELD, BUT MAY BE INSTRUCTED TO ENTER BLANKS OR ZEROES IN THE INDICATED MEDIA POSITION(S) AND FOR THE INDICATED LENGTH. Part D. Extensions of Time and Waivers

Sec. 1 General - Extensions

- .01 An extension of time to file may be requested for Form 1042-S.
- .02 Submit Form 8809, Request for Extension of Time To File Information Returns to IRS/MCC at the address listed in .08 of this section. This form may be used to request an extension of time to file Form 1042-S submitted on paper, electronically or magnetically to the IRS. Use a separate Form 8809 for each method of filing information returns you intend to use, i.e. electronically and/or magnetically.
- .03 To be considered, an extension request must be postmarked or transmitted by the due date of the returns; otherwise, the request will be denied. (See Part A, Sec. 9.) If requesting an extension of time to file several types of forms, use one Form 8809; however, Form 8809 or file must be postmarked no later than the earliest due date. For example, if requesting an extension of time to file both Forms 1099-INT and 1042-S, submit Form 8809 on or before March 1, 2004.
- .04 **As soon as it is apparent** that a 30-day extension of time to file is needed, an extension request should be submitted. It will take a minimum of 30 days for IRS/MCC to respond to an extension request. Generally, IRS/MCC does not begin processing extension requests until January. Extension requests received prior to January are input on a first come, first serve basis.
- .05 Under certain circumstances, a request for an extension of time may be denied. When a denial letter is received, any additional or necessary information may be resubmitted within 20 days.
- .06 Requesting an extension of time for multiple withholding agents (50 or less) may be done by submitting Form 8809 and attaching a list of the withholding agents names and associated TINs. **The listing must be attached to ensure an extension is recorded for all withholding agents.** Form 8809 may be computer-generated or photocopied. Be sure to use the most recently updated version and include all the pertinent information.
- .07 Requests for an extension of time to file for more than 50 withholding agents are **required** to be submitted electronically or magnetically. IRS encourages requests for 10 to 50 withholding agents to be filed electronically or magnetically. (See Sec. 3, for the record layout.) The request may be filed electronically, on tape cartridges, and 3½-inch diskettes.
- .08 All requests for an extension of time filed on Form 8809 or magnetic media should be sent using the following address:

IRS-Martinsburg Computing Center
Information Reporting Program
Attn: Extension of Time Coordinator
240 Murall Drive
Kearneysville, WV 25430

Note: Due to the large volume of mail received by IRS/MCC and the time factor involved in processing Extension of Time (EOT) requests, it is imperative that the attention line be present on all envelopes or packages containing Form 8809.

- .09 Requests for extensions of time to file postmarked by the United States Postal Service on or before the due date of the returns, and delivered by United States mail to IRS/MCC after the due date, are treated as timely under the “timely mailing as timely filing” rule. A similar rule applies to designated private delivery services (PDSs). See Part A, Sec.9, for more information on PDSs. For requests delivered by a designated PDS, but through a non-designated service, the actual date of receipt by IRS/MCC will be used as the filing date.
- .10 Transmitters requesting an extension of time for multiple withholding agents will receive one approval letter, accompanied by a list of withholding agents covered under that approval.
- .11 If an additional extension of time is needed, a second Form 8809 or file must be filed by the initial extended due date. Check line 7 on the form to indicate that an additional extension is being requested. A second 30-day

extension will be approved only in cases of extreme hardship or catastrophic event. **If requesting a second 30-day extension of time, submit the information return files as soon as prepared. Do not wait for MCC's response to your second extension request.**

- .12 If an extension request is approved, the approval letter should be kept on file. **DO NOT** send the approval letter or copy of the approval letter to IRS/MCC with the magnetic media file or to the Philadelphia Service Center where the paper Forms 1042-S are filed.
- .13 Request an extension for only one tax year.
- .14 The extension request must be signed by the withholding agents or a person who is duly authorized to sign a return, statement or other document for the withholding agents.
- .15 Failure to properly complete and sign Form 8809 may cause delays in processing the request or result in a denial. Carefully read and follow the instructions on the back of Form 8809.
- .16 Form 8809 may be obtained by calling **1-800-TAX-FORM (1-800-829-3676)**. The form is also available on the **IRS Website at www.irs.gov**. A copy of Form 8809 is also provided in the back of Publication 1187.

Sec. 2. Specifications for Electronic Filing or Magnetic Media Extensions of Time

- .01 The specifications in Sec. 3 include the required 200-byte record layout for extensions of time to file requests submitted electronically or magnetically. Also included are the instructions for the information that is to be entered in the record. **Filers are advised to read this section in its entirety to ensure proper filing.**
- .02 If a filer does not have an IRS/MCC assigned Transmitter Control Code (TCC), Form 4419, Application for Filing Information Returns Electronically/Magnetically, must be submitted to obtain a TCC. This number must be used to submit an extension request electronically/magnetically. (See Part A, Sec. 6.)
- .03 For extension requests filed on magnetic media, the transmitter **must** mail the completed, signed Form 8809, Request for Extension of Time To File Information Returns, in the same package as the corresponding media or fax it to 304-264-5602. For extension requests filed electronically, the transmitter must fax Form 8809 the same day the transmission is made.
- .04 Transmitters submitting an extension of time electronically or magnetically should not submit a list of withholding agents names and TINs with Form 8809 since this information is included on the electronic or magnetic file. However, Line 6 of Form 8809 must be completed with the total number of records included on the electronic file or magnetic media.
- .05 Do not submit extension requests filed on magnetic media before January 1, or electronically before January 6.
- .06 Each piece of magnetic media must have an external media label containing the following information:
 - (a) Transmitter name
 - (b) Transmitter Control Code (TCC)
 - (c) Tax year
 - (d) The words "Extension of Time"
 - (e) Record count
- .07 Electronic Filing, Tape Cartridge, and 3½-inch Diskette specifications for extensions are the same as the specifications for filing of information returns. (See Part B, or C for specific technical information.)

Sec. 3. Record Layout - Extension of Time

- .01 Positions 6 through 188 of the following record should contain information about the payer for whom the extension of time to file is being requested. Do not enter transmitter information in these fields. **Only one TCC may be present in a file.**

Sec. 4. Extension of Time for Recipient Copies of Information Returns

- .01 Request an **extension of time to furnish the statements to recipients** of Form 1042-S by submitting a letter to IRS/MCC at the address listed in Part D, Sec 1.08. The letter should contain the following information:
 - (a) Withholding Agent's name
 - (b) TIN
 - (c) Address
 - (d) Type of return
 - (e) Specify that the extension request is to provide statements to recipients
 - (f) Reason for delay
 - (g) Signature of withholding agent or duly authorized person.
- .02 Requests for an extension of time to furnish statements to recipients of Form 1042-S are not automatically approved; however, if approved, generally an extension will allow a maximum of 30 additional days from the due date. The request must be postmarked by the date on which the statements are due to the recipients.
- .03 Generally, only the withholding agent may sign the letter requesting the extension for recipient copies. A transmitter must have a contractual agreement with the withholding agents to submit extension requests on their behalf. This should be stated in your letter of request for recipient copy extensions. If you are requesting an extension for multiple withholding agents electronically or magnetically, you must use the format specifications in Sec. 3. The Transmitter Control Code (TCC) is not required for recipient's requests.

Sec. 5. Form 8508, Request for Waiver From Filing Information Returns on Magnetic Media

- .01 If a withholding agent is required to file on magnetic media but fails to do so (or fails to file electronically in lieu of magnetic media filing) and does not have an approved waiver on record, the withholding agent will be subject to a penalty of \$50 per return in excess of 250. (For penalty information, refer to the Penalty Section of the *Instructions for Form 1042-S*.)
- .02 If withholding agents are required to file original or corrected returns on magnetic media, but such filing would create an undue hardship, they may request a waiver from these filing requirements by submitting Form 8508, Request for Waiver From Filing Information Returns on Magnetic Media, to IRS/MCC. Form 8508 can be obtained on the IRS Website at www.irs.gov or by calling toll-free 1-800-829-3676.
- .03 Even though a withholding agent may submit as many as 249 corrections on paper, IRS encourages electronic or magnetic filing of corrections. Once the 250 threshold has been met, filers are required to submit any returns of 250 or more electronically or magnetically. However, if a waiver for original documents is approved, any corrections for the same type of returns will be covered under this waiver.
- .04 Generally, only the withholding agent may sign Form 8508. A transmitter may sign if given power of attorney; however, a letter signed by the payer stating this fact must be attached to Form 8508.

- .05 A transmitter must submit a separate Form 8508 for each withholding agent. Do not submit a list of withholding agents.
- .06 All information requested on Form 8508 must be provided to IRS for the request to be processed.
- .07 The waiver, if approved, will provide exemption from the magnetic media filing requirement for the current tax year only. Withholding agents may not apply for a waiver for more than one tax year at a time; application must be made each year a waiver is necessary.
- .08 Form 8508 may be photocopied or computer-generated as long as it contains all the information requested on the original form.
- .09 Filers are encouraged to submit Form 8508 to IRS/MCC at least 45 days before the due date of the returns. Generally, IRS/MCC does not process waiver requests until January. Waiver requests received prior to January are processed on a first come, first serve basis.
- .10 All requests for a waiver should be sent using the following address:
 - IRS-Martinsburg Computing Center
 - Information Reporting Program
 - 240 Murall Drive
 - Kearneysville, WV 25430
- .11 Waivers are evaluated on a case-by-case basis and are approved or denied based on criteria set forth in the regulations under section 6011(e) of the Internal Revenue Code. The transmitter must allow a minimum of 30 days for IRS/MCC to respond to a waiver request.
- .12 If a waiver request is approved, keep the approval letter on file. **DO NOT** send a copy of the approved waiver to the Philadelphia Service Center.
- .13 An approved waiver only applies to the requirement for filing Form 1042-S electronically/magnetically. The payer must still timely file information returns on the official IRS paper forms or an acceptable substitute form with the Philadelphia Service Center.

Instructions for Form 1042-S

Foreign Person's U.S. Source Income Subject to Withholding

Section references are to the Internal Revenue Code unless otherwise noted.

General Instructions

Use the 2003 Form 1042-S only for income paid during 2003. Do not use the 2003 Form 1042-S for income paid during 2002.

A Change To Note

We added **Avoid Common Errors** on page 11. Please follow these new instructions to ensure that your Forms 1042-S can be correctly processed.

Purpose of Form

Use Form 1042-S to report income described under **Amounts Subject to Reporting on Form 1042-S** on page 4 and to report amounts withheld under Chapter 3 of the Internal Revenue Code.

Note: Every person required to deduct and withhold any tax under Chapter 3 of the Code is liable for such tax.

Copy A is filed with the Internal Revenue Service. Copies B, C, and D are for the recipient. Copy E is for your records.

Do not use Form 1042-S to report an item required to be reported on —

- **Form W-2** (i.e., wages and other compensation made to employees (other than compensation for dependent personal services for which the beneficial owner is claiming treaty benefits) including wages in the form of group-term life insurance),
- Form 1099, or
- **Form 8288-A**, Statement of Withholding on Dispositions by Foreign Persons of U.S. Real Property Interests, or **Form 8805**, Foreign Partner's Information Statement of Section 1446 Withholding Tax. Withholding agents otherwise required to report a distribution partly on a Form 8288-A or Form 8805 and partly on a Form 1042-S may instead report the entire amount on Form 8288-A or Form 8805.

Who Must File

Every withholding agent (defined on page 2) must file an information return on Form 1042-S to report amounts paid during the preceding calendar year that are described under **Amounts Subject to Reporting on Form 1042-S** on page 4. However, withholding agents who are individuals are not required to report a payment on Form 1042-S if they are not making the payment as part of their trade or business and no withholding is

required to be made on the payment. For example, an individual making a payment of interest that qualifies for the portfolio interest exception from withholding is not required to report the payment if the portfolio interest is paid on a loan that is not connected to the individual's trade or business. However, an individual paying an amount that has actually been subject to withholding (e.g., U.S. source alimony) to a nonresident alien is required to report the payment, whether or not the individual actually withholds because the individual is required to withhold on the payment. See **Multiple Withholding Agent Rule** on page 10 for exceptions to reporting when another person has reported the same payment to the recipient.

You must file a Form 1042-S even if you did not withhold tax because the income was exempt from tax under a U.S. tax treaty or the Code, including the exemption for income that is effectively connected with the conduct of a trade or business in the United States, or you released the tax withheld to the recipient. For exceptions, see **Amounts That Are Not Subject to Reporting on Form 1042-S** on page 4.

Amounts paid to residents of U.S. possessions and territories are not subject to reporting on Form 1042-S if the beneficial owner of the income is a U.S. citizen, national, or resident alien.

Note: If you are required to file Form 1042-S, you must also file **Form 1042**, Annual Withholding Tax Return for U.S. Source Income of Foreign Persons. See Form 1042 for more information.

Where, When, and How To File

Forms 1042-S, whether filed on paper, on magnetic media, or electronically, must be filed with the Internal Revenue Service by March 15, 2004. You are also required to furnish Form 1042-S to the recipient of the income on or before March 15, 2004.

Send any paper Forms 1042-S with **Form 1042-T**, Annual Summary and Transmittal of Forms 1042-S, to the Internal Revenue Service Center, Philadelphia, PA 19255-0607. You must use Form 1042-T to transmit paper Forms 1042-S. Use a separate Form 1042-T to transmit each type of Form 1042-S. See **Payments by U.S. Withholding Agents** on page 5 and the Form 1042-T instructions for more information. If you have 250 or more Forms 1042-S to file,

follow the instructions under **Magnetic Media/Electronic Reporting** below.

Extension of time to file. To request an extension of time to file Forms 1042-S, file **Form 8809**, Request for Extension of Time To File Information Returns, with the address shown on that form. You should request an extension as soon as you are aware that an extension is necessary, but no later than the due date for filing Form 1042-S. A request for an extension of time to file Form 1042-S is not automatically approved. If your request for an extension is approved, you will have an additional 30 days to file Form 1042-S. If you need more time, a second Form 8809 may be submitted before the end of the initial extended due date. See Form 8809 and **Pub. 1187**, Specifications for Filing Form 1042-S, Foreign Person's U.S. Source Income Subject to Withholding, Magnetically or Electronically, for more information.

Note: If you are a magnetic media / electronic transmitter requesting extensions of time to file for more than 50 withholding agents or payers, you must submit the extension requests magnetically or electronically. For instructions on submitting extension requests on magnetic media, see **Pub. 1187**.

Magnetic Media/Electronic Reporting

You must use magnetic media if you are required to file 250 or more Forms 1042-S. Acceptable forms of magnetic media are magnetic tape, tape cartridge, and 3 1/2-inch diskettes.

Electronic submissions are filed using the Filing Information Returns Electronically (FIRE) System. The FIRE System operates 24 hours a day, 7 days a week, and is accessed using your personal computer and modem at 304-262-2400 (not a toll-free number). For more information, see **Pub. 1187**.

Note: Filing electronically will satisfy the magnetic media filing requirements. Any reference to magnetic media in these instructions includes electronic filing.

The magnetic media/electronic filing requirement applies separately to originals and corrections. Any person, including a corporation, partnership, individual, estate, and trust, that is required to file 250 or more Forms 1042-S must file such returns magnetically/electronically. The filing requirement applies individually to each

reporting entity as defined by its separate taxpayer identification number (TIN). This requirement applies separately to original and corrected returns. For example, if you have 300 original Forms 1042-S, they must be filed magnetically/electronically. However, if 200 of those forms contained erroneous information, the corrections may be filed on paper forms because the number of corrected Forms 1042-S is less than the 250-or-more filing requirement. If you are filing 250 or more Form 1042-S corrections, they must be filed magnetically/electronically.

If you file on magnetic media, do not file the same returns on paper. Duplicate filing may cause penalty notices to be generated.

Note: Even though as many as 249 Forms 1042-S may be submitted on paper to the IRS, the IRS encourages filers to transmit forms magnetically / electronically.

Hardship waiver. To receive a hardship waiver from the required filing of Forms 1042-S on magnetic media, submit **Form 8508**, Request for Waiver From Filing Information Returns Magnetically. Waiver requests should be filed at least 45 days before the due date of the returns. See Form 8508 for more information.

For additional information and instructions on filing Forms 1042-S on magnetic media, extensions of time to file (Form 8809), and hardship waivers (Form 8508), see Pub. 1187. You may also call the Martinsburg Computing Center Information Reporting Program at 866-455-7438 (toll-free) or 304-263-8700 (not a toll-free number) Monday through Friday from 8:30 a.m. to 4:30 p.m. Eastern time. The Martinsburg Computing Center Information Reporting Program may also be reached by e-mail at mccirp@irs.gov or by fax at 304-264-5602 (not a toll-free number).

Additional Information

For more information on withholding of tax, see **Pub. 515**, Withholding of Tax on Nonresident Aliens and Foreign Entities. To order this publication and other publications and forms, call 1-800-TAX-FORM (1-800-829-3676). You can also download forms and publications from the IRS Web Site at www.irs.gov.

Need assistance? The IRS operates a centralized call site to answer questions related to the filing of information returns on magnetic media. Among the topics covered are Forms 1042-S, questionable Forms W-4, Forms 8027, and backup withholding due to missing or incorrect TINs. For assistance, you may call 866-455-7438 (toll-free) or 304-263-8700 (not a toll-free number) Monday through Friday from 8:30 a.m. to 4:30 p.m. Eastern time, or fax 304-264-5602 (not a toll-free number). You may also reach the call site via e-mail at mccirp@irs.gov.

Note: This call site does not answer tax law questions concerning the requirements for withholding of tax on payments of U.S. source income to

foreign persons under Chapter 3 of the Code. If you need such assistance, you may call 215-516-2000 (not a toll-free number) from 6:00 a.m. to 2:00 a.m. Eastern time or write to: Internal Revenue Service, International Section, P.O. Box 920, Bensalem, PA 19020-8518.

Record Retention

Withholding agents should retain a copy of the information returns filed with the IRS, or have the ability to reconstruct the data, for at least 3 years after the reporting due date. See Pub. 1187.

Substitute Forms

The official Form 1042-S is the standard for substitute forms. Because a substitute form is a variation from the official form, you should know the requirements of the official form for the year of use before you modify it to meet your needs. The IRS provides several means of obtaining the most frequently used tax forms. These include the Internet, fax-on-demand, CD-ROM, and an electronic forms bulletin board. For details on the requirements of substitute forms, see **Pub. 1179**, General Rules and Specifications for Substitute Forms 1096, 1098, 1099, 5498, W-2G (and 1042-S).

Note: You are permitted to use substitute payee copies of Form 1042-S (i.e., copies B, C, and D) that contain more than one income line for boxes 1 through 8. This will reduce the number of Forms 1042-S you send to the recipient. **Under no circumstances, however, may the copy of the form filed with the IRS (copy A) contain more than one income line.**

Deposit Requirements

For information and rules concerning Federal tax deposits, see **Depositing Withheld Taxes** in Pub. 515, or the Form 1042 instructions.

Definitions

Withholding agent. A withholding agent is any person, U.S. or foreign, that has control, receipt, or custody of an amount subject to withholding or who can disburse or make payments of an amount subject to withholding. The withholding agent may be an individual, corporation, partnership, trust, association, or any other entity. The term withholding agent also includes, but is not limited to, a qualified intermediary (QI), a nonqualified intermediary (NQI), a withholding foreign partnership, a withholding foreign trust, a flow-through entity, a U.S. branch of a foreign insurance company or foreign bank that is treated as a U.S. person, and an authorized foreign agent. A person may be a withholding agent even if there is no requirement to withhold from a payment or even if another person has already withheld the required amount from a payment.

Note: Generally, the U.S. person who pays (or causes to be paid) the item of U.S. source income to a foreign person (or to its agent) must withhold. However, other persons may be required to

withhold. For example, if a payment is made by a QI (whether or not it assumes primary withholding responsibility) that knows that withholding was not done by the person from which it received the payment, that QI is required to do the appropriate withholding. In addition, withholding must be done by any QI that assumes primary withholding responsibility under Chapter 3 of the Code, a withholding foreign partnership, a withholding foreign trust, a U.S. branch of a foreign insurance company or foreign bank that agrees to be treated as a U.S. person, or an authorized foreign agent. Finally, if a payment is made by an NQI or a flow-through entity that knows, or has reason to know, that withholding was not done, that NQI or flow-through entity is required to withhold since it also falls within the definition of a withholding agent.

Beneficial owner. For payments other than those for which a reduced rate of withholding is claimed under an income tax treaty, the beneficial owner of income is, generally, the person who is required under U.S. tax principles to include the income in gross income on a tax return. A person is not a beneficial owner of income, however, to the extent that person is receiving the income as a nominee, agent, or custodian, or to the extent the person is a conduit whose participation in a transaction is disregarded. In the case of amounts paid that do not constitute income, beneficial ownership is determined as if the payment were income.

Foreign partnerships, foreign simple trusts, and foreign grantor trusts are not the beneficial owners of income paid to the partnership or trust. The beneficial owners of income paid to a foreign partnership are generally the partners in the partnership, provided that the partner is not itself a partnership, foreign simple or grantor trust, nominee, or other agent. The beneficial owner of income paid to a foreign simple trust (i.e., a foreign trust that is described in section 651(a)) is generally the beneficiary of the trust, if the beneficiary is not a foreign partnership, foreign simple or grantor trust, nominee or other agent. The beneficial owner of a foreign grantor trust (i.e., a foreign trust to the extent that all or a portion of the income of the trust is treated as owned by the grantor or another person under sections 671 through 679) is the person treated as the owner of the trust. The beneficial owner of income paid to a foreign complex trust (i.e., a foreign trust that is not a foreign simple trust or foreign grantor trust) is the trust itself.

The beneficial owner of income paid to a foreign estate is the estate itself.

Note: A payment to a U.S. partnership, U.S. trust, or U.S. estate is treated as a payment to a U.S. payee that is not subject to 30% foreign-person withholding. A U.S. partnership, trust, or estate should provide the withholding agent with a **Form W-9**, Request for

Taxpayer Identification Number and Certification.

Foreign person. A foreign person includes a nonresident alien individual, a foreign corporation, a foreign partnership, a foreign trust, a foreign estate, and any other person that is not a U.S. person. The term also includes a foreign branch or office of a U.S. financial institution or U.S. clearing organization if the foreign branch is a QI. Generally, a payment to a U.S. branch of a foreign person is a payment to a foreign person.

Nonresident alien individual. Any individual who is not a citizen or resident of the United States is a nonresident alien individual. An alien individual meeting either the “green card test” or the “substantial presence test” for the calendar year is a resident alien. Any person not meeting either test is a nonresident alien individual. Additionally, an alien individual who is a resident of a foreign country under the residence article of an income tax treaty, or an alien individual who is a resident of Puerto Rico, Guam, the Commonwealth of the Northern Mariana Islands, the U.S. Virgin Islands, or American Samoa, is a nonresident alien individual. See **Pub. 519**, U.S. Tax Guide for Aliens, for more information on resident and nonresident alien status.

Note: *Even though a nonresident alien individual married to a U.S. citizen or resident alien may choose to be treated as a resident alien for certain purposes (e.g., filing a joint income tax return), such individual is still treated as a nonresident alien for withholding tax purposes on all income except wages.*

Withholding certificate. The term “withholding certificate” generally refers to Form W-8 or Form W-9.

Note: *Throughout these instructions, a reference to or mention of “Form W-8” is a reference to Forms W-8BEN, W-8ECI, W-8EXP, and/or W-8IMY.*

Intermediary. An intermediary is a person that acts as a custodian, broker, nominee, or otherwise as an agent for another person, regardless of whether that other person is the beneficial owner of the amount paid, a flow-through entity, or another intermediary.

Qualified intermediary (QI). A QI is an intermediary that is a party to a withholding agreement with the IRS. An entity must indicate its status as a QI on a Form W-8IMY submitted to a withholding agent.

Nonqualified intermediary (NQI). An NQI is any intermediary that is not a U.S. person and that is not a QI.

Private arrangement intermediary (PAI). A QI may enter into a private arrangement with another intermediary under which the other intermediary generally agrees to perform all of the obligations of the QI. See Section 4 of Rev. Proc. 2000-12 for details. You can find Rev. Proc. 2000-12 on page 387 of

Internal Revenue Bulletin 2000-4 at www.irs.gov/pub/irs-irbs/irb00-04.pdf.

Withholding foreign partnership or withholding foreign trust. A withholding foreign partnership or trust is a foreign partnership or trust that has entered into a withholding agreement with the IRS in which it agrees to assume primary withholding responsibility for all payments that are made to it for its partners, beneficiaries, or owners.

Authorized foreign agent. An agent is an authorized foreign agent only if **all four** of the following apply.

1. There is a written agreement between the withholding agent and the foreign person acting as agent.
2. The IRS International Section has been notified of the appointment of the agent before the first payment for which the authorized agent acts on behalf of the withholding agent. (This notification must be sent to the following address: Internal Revenue Service, International Section, P.O. Box 920, Bensalem, PA 19020-8518.)
3. The books and records and relevant personnel of the foreign agent are available to the IRS so that the IRS may evaluate the withholding agent’s compliance with its withholding and reporting obligations.
4. The U.S. withholding agent remains fully liable for the acts of its agent and does not assert any of the defenses that may otherwise be available.

For further details, see Regulations section 1.1441-7(c)(2).

Payer. A payer is the person for whom the withholding agent acts as a paying agent pursuant to an agreement whereby the withholding agent agrees to withhold and report a payment.

Presumption rules. The presumption rules are those rules prescribed under Chapter 3 and Chapter 61 of the Code that a withholding agent must follow to determine the status of a beneficial owner (e.g., as a U.S. person or a foreign person) when it cannot reliably associate a payment with valid documentation. See, for example, Regulations sections 1.1441-1(b)(3), 1.1441-4(a), 1.1441-5(d) and (e), 1.1441-9(b)(3), and 1.6049-5(d). Also see Pub. 515.

U.S. branch treated as a U.S. person. The following types of U.S. branches (of foreign entities) may reach an agreement with the withholding agent to treat the branch as a U.S. person: **(a)** a U.S. branch of a foreign bank subject to regulatory supervision by the Federal Reserve Board or **(b)** a U.S. branch of a foreign insurance company required to file an annual statement on a form approved by the National Association of Insurance Commissioners with the Insurance Department of a State, Territory, or the District of Columbia.

The U.S. branch must provide a Form W-8IMY evidencing the agreement with the withholding agent.

Note: *A U.S. branch that is treated as a U.S. person is treated as such solely for purposes of determining whether a payment is subject to withholding. The branch is, for purposes of information reporting, a foreign person and payments to such a branch must be reported on Form 1042-S.*

Recipient. A recipient is **any** of the following:

- A beneficial owner of income.
- A QI.
- A withholding foreign partnership or withholding foreign trust.
- An authorized foreign agent.
- A U.S. branch of certain foreign banks or insurance companies that is treated as a U.S. person.
- A foreign partnership or a foreign trust (other than a withholding foreign partnership or withholding foreign trust), but only to the extent the income is effectively connected with its conduct of a trade or business in the United States.
- A payee who is not known to be the beneficial owner, but who is presumed to be a foreign person under the presumption rules.
- A PAI.

A recipient does **not** include **any** of the following:

- An NQI.
- A nonwithholding foreign partnership, if the income is not effectively connected with its conduct of a trade or business in the United States.
- A disregarded entity.
- A foreign trust that is described in section 651(a) (a foreign simple trust) if the income is not effectively connected with the conduct of a trade or business in the United States.
- A foreign trust to the extent that all or a portion of the trust is treated as owned by the grantor or other person under sections 671 through 679 (a foreign grantor trust).
- A U.S. branch that is not treated as a U.S. person unless the income is, or is treated as, effectively connected with the conduct of a trade or business in the United States.

Flow-through entity. A flow-through entity is a foreign partnership (other than a withholding foreign partnership), a foreign simple or grantor trust (other than a withholding foreign trust), or, for any payments for which a reduced rate of withholding under an income tax treaty is claimed, any entity to the extent the entity is considered to be fiscally transparent under section 894 with respect to the payment by an interest holder’s jurisdiction.

Fiscally transparent entity. An entity is treated as fiscally transparent with respect to an item of income for which treaty benefits are claimed to the extent that the interest holders in the entity must, on a current basis, take into account separately their shares of an item of income paid to the entity, whether or not distributed, and must determine the character of the items of income as if they were realized directly from the sources

from which realized by the entity. For example, partnerships, common trust funds, and simple trusts or grantor trusts are generally considered to be fiscally transparent with respect to items of income received by them.

Disregarded entity. A business entity that has a single owner and is not a corporation under Regulations section 301.7701-2(b) is disregarded as an entity separate from its owner.

Exempt recipient. Generally, an exempt recipient is any payee that is not required to provide Form W-9 and is exempt from the Form 1099 reporting requirements. See the **Instructions for the Requester of Form W-9** for a list of exempt recipients.

Non-exempt recipient. A non-exempt recipient is any person who is not an exempt recipient.

Amounts Subject to Reporting on Form 1042-S

Amounts subject to reporting on Form 1042-S are amounts paid to foreign persons (including persons presumed to be foreign) that are subject to withholding, even if no amount is deducted and withheld from the payment because of a treaty or Code exception to taxation or if any amount withheld was repaid to the payee. Amounts subject to withholding are amounts from sources within the United States that constitute **(a)** fixed or determinable annual or periodical (FDAP) income; **(b)** certain gains from the disposal of timber, coal, or domestic iron ore with a retained economic interest; and **(c)** gains relating to contingent payments received from the sale or exchange of patents, copyrights, and similar intangible property. Amounts subject to reporting include, but are not limited to, the following U.S. source items.

- **Corporate distributions.** The entire amount of a corporate distribution (whether actual or deemed) must be reported, irrespective of any estimate of the portion of the distribution that represents a taxable dividend. Any distribution, however, that is treated as gain from the redemption of stock is not an amount subject to reporting.
- **Interest.** This includes the portion of a notional principal contract payment that is characterized as interest.
- **Rents.**
- **Royalties.**
- **Compensation for independent personal services performed in the United States.**
- **Compensation for dependent personal services performed in the United States for which the beneficial owner is claiming treaty benefits.**
- **Annuities.**
- **Pension distributions and other deferred income.**
- **Most gambling winnings.** However, proceeds from a wager placed in blackjack, baccarat, craps, roulette, or big-6 wheel are not amounts subject to reporting.

- **Cancellation of indebtedness.** Income from the cancellation of indebtedness must be reported unless the withholding agent is unrelated to the debtor and does not have knowledge of the facts that give rise to the payment.

- **Effectively connected income (ECI).** ECI includes amounts that are (or are presumed to be) effectively connected with the conduct of a trade or business in the United States even if no withholding certificate is required, as, for example, with income on notional principal contracts. Note that bank deposit interest, which generally is not subject to Form 1042-S reporting, is subject to Form 1042-S reporting if it is effectively connected income.

- **Notional principal contract income.** Income from notional principal contracts that the payor knows, or must presume, is effectively connected with the conduct of a U.S. trade or business is subject to reporting. The amount to be reported is the amount of cash paid on the contract during the calendar year. Any amount of interest determined under the provisions of Regulations section 1.446-3(g)(4) (dealing with interest in the case of a significant non-periodic payment) is reportable as interest and not as notional principal contract income.

- **Students, teachers, and researchers.** Amounts paid to foreign students, trainees, teachers, or researchers as scholarship or fellowship income, and compensation for personal services (whether or not exempt from tax under an income tax treaty), must be reported. However, amounts that are exempt from tax under section 117 are not subject to reporting.

- **Amounts paid to foreign governments, foreign controlled banks of issue, and international organizations.** These amounts are subject to reporting even if they are exempt under section 892 or 895.

- **Foreign targeted registered obligations.** Interest paid on registered obligations targeted to foreign markets paid to a foreign person other than a financial institution or a member of a clearing organization is an amount subject to reporting.

- **Original issue discount (OID) from the redemption of an OID obligation.** The amount subject to reporting is the amount of OID actually includible in the gross income of the foreign beneficial owner of the income, if known. Otherwise, the withholding agent should report the entire amount of OID as if the recipient held the instrument from the date of original issuance. To determine the amount of OID reportable, a withholding agent may rely on **Pub. 1212**, List of Original Issue Discount Instruments.

- Certain dispositions described under **Withholding on Dispositions of U.S. Real Property Interests by Publicly Traded Trusts and Real Estate Investment Trusts (REITs)** on page 5.

- Certain dispositions described under **Publicly Traded Partnerships (Section 1446 Withholding Tax)** on page 5.

For more details on the types of income that are subject to withholding, see Pub. 515.

Amounts That Are Not Subject to Reporting on Form 1042-S

1. Interest on deposits. Generally, no withholding (or reporting) is required on interest paid to foreign persons on deposits if such interest is not effectively connected with the conduct of a trade or business in the United States. For this purpose, the term “deposits” means amounts that are on deposit with a U.S. bank, savings and loan association, credit union, or similar institution, and from certain deposits with an insurance company.

Exception for interest payments to Canadian residents who are not U.S. citizens. If you pay \$10 or more of U.S. source bank deposit interest to a nonresident alien who is a resident of Canada, you generally must report the interest on Form 1042-S. This reporting requirement applies to interest on a deposit maintained at a bank’s office in the United States. However, it does not include interest on certain bearer certificates of deposit if paid outside the United States. Although you only have to report payments you make to residents of Canada, you can comply by reporting bank deposit interest to all foreign persons if that is easier.

When completing Form 1042-S, use income code 29 in box 1 and exemption code 02 in box 6.

On the statements furnished to the Canadian recipients, you must include an information contact phone number in addition to the name and address in box 10 on Form 1042-S. You must also include a statement that the information on the form is being furnished to the United States Internal Revenue Service and may be provided to the government of Canada.

2. Interest and OID from short-term obligations. Interest and OID from any obligation payable 183 days or less from the date of original issue should not be reported on Form 1042-S.

3. Registered obligations targeted to foreign markets. Interest on a registered obligation that is targeted to foreign markets and qualifies as portfolio interest is not subject to reporting if it is paid to a registered owner that is a financial institution or member of a clearing organization and you have received the required certifications.

4. Bearer obligations targeted to foreign markets. Do not file Form 1042-S to report interest not subject to withholding on bearer obligations if a Form W-8 is not required.

5. Notional principal contract payments that are not ECI. Amounts

paid on a notional principal contract that are not effectively connected with the conduct of a trade or business in the United States should not be reported on Form 1042-S.

6. Accrued interest and OID.

Interest paid on obligations sold between interest payment dates and the portion of the purchase price of an OID obligation that is sold or exchanged in a transaction other than a redemption is not subject to reporting unless the sale or exchange is part of a plan, the principal purpose of which is to avoid tax, and the withholding agent has actual knowledge or reason to know of such plan.

Exception for Amounts Previously Withheld Upon. A withholding agent should report on Form 1042-S any amounts, whether or not subject to withholding, that are paid to a foreign payee and that have been withheld upon, including backup withholding, by another withholding agent under the presumption rules.

Example. A withholding agent (WA) makes a payment of bank deposit interest to a foreign intermediary that is a nonqualified intermediary (NQI-B). NQI-B failed to provide any information regarding the beneficial owners to whom the payment was attributable. Under the presumption rules, WA must presume that the amounts are paid to a U.S. non-exempt recipient. WA withholds 30% of the payment under the backup withholding provisions of the Code and files a Form 1099-INT reporting the interest as paid to an unknown recipient. A copy of Form 1099-INT is sent to NQI-B. The beneficial owners of the bank deposit interest are two customers of NQI-B, X and Y. Both X and Y have provided NQI-B with documentary evidence establishing that they are foreign persons and therefore not subject to backup withholding. NQI-B must file a Form 1042-S reporting the amount of bank deposit interest paid to each of X and Y and the proportionate amount of withholding that occurred.

Withholding on Dispositions of U.S. Real Property Interests by Publicly Traded Trusts and Real Estate Investment Trusts (REITs)

Regulations section 1.1445-8 provides rules for withholding required on the disposition of a U.S. real property interest by a publicly traded trust or a REIT. The special rules of Regulations section 1.1445-8 only apply to distributions by a publicly traded trust or a REIT.

In general, when a publicly traded trust or a REIT makes a distribution to a foreign person attributable to the disposition of a U.S. real property interest, it must withhold tax under section 1445. However, this withholding liability is

shifted to the person who pays the distribution to a foreign person (or to the account of the foreign person) if the special notice requirement of Regulations section 1.1445-8(f) and other requirements of Regulations section 1.1445-8(b)(1) are satisfied.

The amount subject to withholding for a distribution by a publicly traded trust is determined under the large trust rules of Regulations section 1.1445-5(c)(3).

The amount subject to withholding for a distribution by a REIT generally is the amount of each share or beneficial interest designated by the REIT as a capital gains dividend, multiplied by the number of shares or certificates of beneficial interests owned by a foreign person. If the withholding liability is shifted to the payer of the distribution under Regulations section 1.1445-8(b), the payer will receive notice as described in Regulations section 1.1445-8(f) of the amount of the distribution subject to withholding.

The rate of withholding is as follows:

1. Distribution by a publicly traded trust that makes recurring sales of growing crops and timber – 10%.
2. Distribution by a publicly traded trust not described in 1 above – 35%.
3. Distribution by a REIT – 35%.

To determine whether an interest holder is a foreign person, see Regulations section 1.1445-8(e).

Use Forms 1042-S and 1042 to report and pay over the withheld amounts. All other withholding required under section 1445 is reported and paid over using **Form 8288**, U.S. Withholding Tax Return for Dispositions by Foreign Persons of U.S. Real Property Interests, and **Form 8288-A**, Statement of Withholding on Dispositions by Foreign Persons of U.S. Real Property Interests.

Publicly Traded Partnerships (Section 1446 Withholding Tax)

A “publicly traded partnership” is any partnership in which interests are regularly traded on an established securities market (regardless of the number of its partners). However, it does not include a publicly traded partnership treated as a corporation under the general rule of section 7704(a).

A publicly traded partnership that has effectively connected income, gain, or loss must pay a withholding tax on distributions of that income made to its foreign partners and file Form 1042-S, unless an election is made to pay a withholding tax based on effectively connected taxable income allocable to its foreign partners. See Pub. 515 for details.

A **nonpublicly** traded partnership that has effectively connected gross income allocable to foreign partners must pay a withholding tax under section 1446. These amounts are reported on **Form 8804**, Annual Return for Partnership

Withholding Tax (Section 1446), and **Form 8805**, Foreign Partner’s Information Statement of Section 1446 Withholding Tax.

Payments by U.S. Withholding Agents

In general. U.S. withholding agents making payments described under **Amounts Subject to Reporting on Form 1042-S** on page 4 must file a separate Form 1042-S for each recipient who receives the income. Furthermore, withholding agents filing paper Forms 1042-S are not permitted to use multiple income lines on Copy A filed with the IRS. These filers must use a separate Form 1042-S for information reportable on a single income line.

These filers cannot use a single Form 1042-S to report income if that income is reportable under different income, recipient, or exemption codes or is subject to different rates of withholding.

A withholding agent may be permitted to use substitute payee copies of Form 1042-S (i.e., copies B, C, and D) that contain more than one income line (i.e., boxes 1 through 8). See **Substitute Forms** on page 2 for details.

See **Payments Made to Persons Who Are Not Recipients** on page 7 if the payment is made to a foreign person that is not a recipient.

Payments to Recipients

1. Payments directly to beneficial owners. If a U.S. withholding agent is making a payment directly to a beneficial owner, it must complete Form 1042-S treating the beneficial owner as the recipient. Boxes 17 through 20 should be left blank. A U.S. withholding agent should complete box 21 only if it is completing Form 1042-S as a paying agent acting pursuant to an agreement.

Under a grace period rule, a U.S. withholding agent may, under certain circumstances, treat a payee as a foreign person while the withholding agent waits for a valid withholding certificate. A U.S. withholding agent who relies on the grace period rule to treat a payee as a foreign person must file Form 1042-S to report all payments during the period that person was presumed to be foreign even if that person is later determined to be a U.S. person based on appropriate documentation or is presumed to be a U.S. person after the grace period ends.

In the case of foreign joint owners, you may provide a single Form 1042-S made out to the owner whose status you relied upon to determine the applicable rate of withholding (i.e., the owner subject to the highest rate of withholding). If, however, any one of the owners requests its own Form 1042-S, you must furnish a Form 1042-S to the person who requests it. If more than one Form 1042-S is issued for a single payment, the aggregate amount paid and tax withheld that is reported on

all Forms 1042-S cannot exceed the total amounts paid to joint owners and the tax withheld on those payments.

2. Payments to a qualified intermediary, withholding foreign partnership, or withholding foreign trust. A U.S. withholding agent that makes payments to a QI (whether or not the QI assumes primary withholding responsibility), a withholding foreign partnership, or a withholding foreign trust should generally complete Forms 1042-S treating the QI, withholding foreign partnership, or withholding foreign trust as the recipient. However, see **Payments allocated, or presumed made, to U.S. non-exempt recipients** below for exceptions. The U.S. withholding agent must complete a separate Form 1042-S for each withholding rate pool of the QI, withholding foreign partnership, or withholding foreign trust. For this purpose, a withholding rate pool is a payment of a single type of income, determined in accordance with the income codes used to file Form 1042-S, that is subject to a single rate of withholding. A QI that does not assume primary withholding responsibility provides information regarding the proportions of income subject to a particular withholding rate to the withholding agent on a withholding statement associated with Form W-8IMY. A U.S. withholding agent making a payment to a QI, withholding foreign partnership, or withholding foreign trust must use recipient code 12 (qualified intermediary) or 04 (withholding foreign partnership or withholding foreign trust). A U.S. withholding agent must not use recipient code 13 (private arrangement intermediary withholding rate pool—general), 14 (private arrangement intermediary withholding rate pool—exempt organizations), 15 (qualified intermediary withholding rate pool—general), or 16 (qualified intermediary withholding rate pool—exempt organizations). Use of an inappropriate recipient code may cause a notice to be generated.

Note: A QI, withholding foreign partnership, or withholding foreign trust is required to act in such capacity only for designated accounts. Therefore, such an entity may also provide a Form W-8IMY in which it certifies that it is acting as an NQI or flow-through entity for other accounts. A U.S. withholding agent that receives a Form W-8IMY on which the foreign person providing the form indicates that it is **not** acting as a QI, withholding foreign partnership, or withholding foreign trust may not treat the foreign person as a recipient. A withholding agent must not use the EIN that a QI, withholding foreign partnership, or withholding foreign trust provides in its capacity as such to report payments that are treated as made to an entity in its capacity as an NQI or flow-through entity. In that case, use the EIN, if any, that is provided by the entity on its Form W-8IMY in which it claims that it is acting as an NQI or flow-through entity.

Payments allocated, or presumed made, to U.S. non-exempt recipients. You may be given Forms W-9 or other information regarding U.S. non-exempt recipients from a QI together with information allocating all or a portion of the payment to U.S. non-exempt recipients. You must report income allocable to a U.S. non-exempt recipient on the appropriate Form 1099 and not on Form 1042-S, even though you are paying that income to a QI.

You may also be required under the presumption rules to treat a payment made to a QI as made to a payee that is a U.S. non-exempt recipient from which you must withhold 30% of the payment under the backup withholding provisions of the Code. In this case, you must report the payment on the appropriate Form 1099. See the **General Instructions for Forms 1099, 1098, 5498, and W-2G**.

Example 1. WA, a U.S. withholding agent, makes a payment of U.S. source dividends to QI, a qualified intermediary. QI provides WA with a valid Form W-8IMY with which it associates a withholding statement that allocates 95% of the payment to a 15% withholding rate pool and 5% of the payment to C, a U.S. individual. QI provides WA with C's Form W-9. WA must complete a Form 1042-S, showing QI as the recipient in box 13 and recipient code 12 (qualified intermediary) in box 12, for the dividends allocated to the 15% withholding rate pool. WA must also complete a Form 1099-DIV reporting the portion of the dividend allocated to C.

Example 2. WA, a withholding agent, makes a payment of U.S. source dividends to QI, a qualified intermediary. QI provides WA with a valid Form W-8IMY with which it associates a withholding statement that allocates 40% of the payment to a 15% withholding rate pool and 40% to a 30% withholding rate pool. QI does not provide any withholding rate pool information regarding the remaining 20% of the payment. WA must apply the presumption rules to the portion of the payment (20%) that has not been allocated. Under the presumption rules, that portion of the payment is treated as paid to an unknown foreign payee. WA must complete three Forms 1042-S: one for dividends subject to 15% withholding, showing QI as the recipient in box 13 and recipient code 12 (qualified intermediary) in box 12; one for dividends subject to 30% withholding, showing QI as the recipient in box 13 and recipient code 12 (qualified intermediary) in box 12; and one for dividends subject to 30% withholding, showing QI as the recipient in box 13 and recipient code 20 (unknown recipient) in box 12.

3. Amounts paid to certain U.S. branches. A U.S. withholding agent making a payment to a "U.S. branch treated as a U.S. person" (defined on page 3) completes Form 1042-S as follows:

- If a withholding agent makes a payment to a U.S. branch that has provided the withholding agent with a

Form W-8IMY that evidences its agreement with the withholding agent to be treated as a U.S. person, the U.S. withholding agent treats the U.S. branch as the recipient.

- If a withholding agent makes a payment to a U.S. branch that has provided a Form W-8IMY to transmit information regarding recipients, the U.S. withholding agent must complete a separate Form 1042-S for each recipient whose documentation is associated with the U.S. branch's Form W-8IMY. If a payment cannot be reliably associated with recipient documentation, the U.S. withholding agent must complete Form 1042-S in accordance with the presumption rules.

- If a withholding agent cannot reliably associate a payment with a Form W-8IMY from a U.S. branch, the payment must be reported on a single Form 1042-S treating the U.S. branch as the recipient and reporting the income as effectively connected income.

Note: The rules above apply only to U.S. branches treated as U.S. persons (defined on page 3). In all other cases, payments to a U.S. branch of a foreign person are treated as payments to the foreign person.

4. Amounts paid to authorized foreign agents. If a withholding agent makes a payment to an authorized foreign agent, the withholding agent files Forms 1042-S for each type of income (determined by reference to the income codes used to complete Form 1042-S) treating the authorized foreign agent as the recipient, provided that the authorized foreign agent reports the payments on Forms 1042-S to each recipient to which it makes payments. If the authorized foreign agent fails to report the amounts paid on Forms 1042-S for each recipient, the U.S. withholding agent remains responsible for such reporting.

Use recipient code 17 in box 12 if you make a payment to an authorized foreign agent.

5. Amounts paid to an estate or complex trust. If a U.S. withholding agent makes a payment to a foreign complex trust or a foreign estate, a Form 1042-S must be completed showing the complex trust or estate as the recipient. Use recipient code 05 (trust) or 10 (estate). See **Payments Made to Persons Who Are Not Recipients** on page 7 for the treatment of payments made to foreign simple trusts and foreign grantor trusts.

6. Dual claims. A withholding agent may make a payment to a foreign entity (e.g., a hybrid entity) that is simultaneously claiming a reduced rate of tax on its own behalf for a portion of the payment and a reduced rate on behalf of persons in their capacity as interest holders in that entity on the remaining portion. If the claims are consistent and the withholding agent has accepted the multiple claims, a separate Form 1042-S must be filed for the entity for those payments for which the entity is treated

as claiming a reduced rate of withholding and separate Forms 1042-S must be filed for each of the interest holders for those payments for which the interest holders are claiming a reduced rate of withholding. If the claims are consistent but the withholding agent has not chosen to accept the multiple claims, or if the claims are inconsistent, a separate Form 1042-S must be filed for the person(s) being treated as the recipient(s).

7. Special instructions for U.S. trusts and estates. Report the entire amount of income subject to reporting, irrespective of estimates of distributable net income.

Payments Made to Persons Who Are Not Recipients

1. Disregarded entities. If a U.S. withholding agent makes a payment to a disregarded entity but receives a valid Form W-8BEN or W-8ECI from a foreign person that is the single owner of the disregarded entity, the withholding agent must file a Form 1042-S in the name of the foreign single owner. The taxpayer identifying number (TIN) on the Form 1042-S, if required, must be the foreign single owner's TIN.

Example. A withholding agent (WA) makes a payment of interest to LLC, a foreign limited liability company. LLC is wholly-owned by FC, a foreign corporation. LLC is treated as a disregarded entity. WA has a Form W-8BEN from FC on which it states that it is the beneficial owner of the income paid to LLC. WA reports the interest payment on Form 1042-S showing FC as the recipient. The result would be the same if LLC was a domestic entity.

Note: A disregarded entity can claim to be the beneficial owner of a payment if it is a hybrid entity claiming treaty benefits. See Form W-8BEN and its instructions for more information. If a disregarded entity claims on a valid Form W-8BEN to be the beneficial owner of treaty benefitted income, the U.S. withholding agent must complete a Form 1042-S treating the disregarded entity as a recipient and use recipient code 02 (corporation).

2. Amounts paid to a nonqualified intermediary or flow-through entity. If a U.S. withholding agent makes a payment to an NQI or a flow-through entity, it must complete a separate Form 1042-S for each recipient on whose behalf the NQI or flow-through entity acts as indicated by its withholding statement and the documentation associated with its Form W-8IMY. If a payment is made through tiers of NQIs or flow-through entities, the withholding agent must nevertheless complete Form 1042-S for the recipients to which the payments are remitted. A withholding agent completing Form 1042-S for a recipient that receives a payment through an NQI or a flow-through entity must include in boxes 17 through 20 of Form 1042-S the name, country code, address, and TIN, if any, of the NQI or flow-through entity from whom

the recipient directly receives the payment. A copy of the Form 1042-S need not be provided to the NQI or flow-through entity unless the withholding agent must report the payment to an unknown recipient. See **Example 4** on page 8.

If a U.S. withholding agent makes payments to an NQI or flow-through entity and cannot reliably associate the payment, or any portion of the payment, with a valid withholding certificate (Forms W-8 or W-9) or other valid appropriate documentation from a recipient (either because a recipient withholding certificate has not been provided or because the NQI or flow-through entity has failed to provide the information required on a withholding statement), the withholding agent must follow the appropriate presumption rules for that payment. If, under the presumption rules, an unknown recipient of the income is presumed to be foreign, the withholding agent must withhold 30% of the payment and report the payment on Form 1042-S. For this purpose, if the allocation information provided to the withholding agent indicates an allocation of more than 100% of the payment, then no portion of the payment should be considered to be associated with a Form W-8, Form W-9, or other appropriate documentation. The Form 1042-S should be completed by entering "Unknown Recipient" in box 13 and recipient code 20 in box 12.

Pro-rata reporting. If the withholding agent has agreed that an NQI may provide information allocating a payment to its account holders under the alternative procedure of Regulations section 1.1441-1(e)(3)(iv)(D) (i.e., no later than February 14, 2004) and the NQI fails to allocate more than 10% of the payment in a withholding rate pool to the specific recipients in the pool, the withholding agent must file Forms 1042-S for each recipient in the pool on a pro-rata basis. If, however, the NQI fails to timely allocate 10% or less of the payment in a withholding rate pool to the specific recipients in the pool, the withholding agent must file Forms 1042-S for each recipient for which it has allocation information and report the unallocated portion of the payment on a Form 1042-S issued to "Unknown Recipient." In either case, the withholding agent must include the NQI information in boxes 17 through 20 on that form. See **Example 6** and **Example 7** on page 8.

The following examples illustrate Form 1042-S reporting for payments made to NQIs and flow-through entities.

Example 1. NQI, a nonqualified intermediary, has three account holders, A, B, and QI. All three account holders invest in U.S. securities that produce interest and dividends. A and B are foreign individuals and have provided NQI with Forms W-8BEN. QI is a qualified intermediary and has provided NQI with a Form W-8IMY and the withholding statement required from a qualified intermediary. QI's withholding statement

states that QI has two withholding rate pools: one for interest described by income code 01 (interest paid by U.S. obligors—general) and one for dividends described by income code 06 (dividends paid by U.S. corporations—general). NQI provides WA, a U.S. withholding agent, with its own Form W-8IMY, with which it associates the Forms W-8BEN of A and B and the Form W-8IMY of QI. In addition, NQI provides WA with a complete withholding statement that allocates the payments of interest and dividends WA makes to NQI among A, B, and QI. All of the interest and dividends paid by WA to NQI is described by income code 01 (interest paid by U.S. obligors—general) and income code 06 (dividends paid by U.S. corporations—general). WA must file a total of six Forms 1042-S: two Forms 1042-S (one for interest and one for dividends) showing A as the recipient, two Forms 1042-S (one for interest and one for dividends) showing B as the recipient, and two Forms 1042-S (one for interest and one for dividends) showing QI as the recipient. WA must show information relating to NQI in boxes 17 through 20 on all six Forms 1042-S.

Example 2. The facts are the same as in Example 1, except that A and B are account holders of NQI2, which is an account holder of NQI. NQI2 provides NQI with a Form W-8IMY with which it associates the Forms W-8BEN of A and B and a complete withholding statement that allocates the interest and dividend payments it receives from NQI to A and B. NQI provides WA with its Form W-8IMY and the Forms W-8IMY of NQI2 and QI and the Forms W-8BEN of A and B. In addition, NQI associates a complete withholding statement with its Form W-8IMY that allocates the payments of interest and dividends to A, B, and QI. WA must file six Forms 1042-S: two Forms 1042-S (one for interest and one for dividends) showing A as the recipient, two Forms 1042-S (one for interest and one for dividends) showing B as the recipient, and two Forms 1042-S (one for interest and one for dividends) showing QI as the recipient. The Forms 1042-S issued to A and B must show information relating to NQI2 in boxes 17 through 20 because A and B receive their payments directly from NQI2, not NQI. The Forms 1042-S issued to QI must show information relating to NQI in boxes 17 through 20.

Example 3. FP is a nonwithholding foreign partnership and therefore a flow-through entity. FP establishes an account with WA, a U.S. withholding agent, from which FP receives interest described by income code 01 (interest paid by U.S. obligors—general). FP has three partners, A, B, and C, all of whom are individuals. FP provides WA with a Form W-8IMY with which it associates the Forms W-8BEN from each of A, B, and C. In addition, FP provides a complete withholding statement with its Form W-8IMY that allocates the interest payments among A, B, and C. WA must

file three Forms 1042-S, one each for A, B, and C. The Forms 1042-S must show information relating to FP in boxes 17 through 20.

Example 4. NQI is a nonqualified intermediary. It has four customers: A, B, C, and D. NQI receives Forms W-8BEN from each of A, B, C, and D. NQI establishes an account with WA, a U.S. withholding agent, in which it holds securities on behalf of A, B, C, and D. The securities pay interest that is described by income code 01 (interest paid by U.S. obligors—general) and that may qualify for the portfolio interest exemption from withholding if all of the requirements for that exception are met. NQI provides WA with a Form W-8IMY with which it associates the Forms W-8BEN of A, B, C, and D. However, NQI does not provide WA with a complete withholding statement in association with its Form W-8IMY. Because NQI has not provided WA with a complete withholding statement, WA cannot reliably associate the payments of interest with the documentation of A, B, C, and D and must apply the presumption rules. Under the presumption rules, WA must treat the interest as paid to an unknown recipient that is a foreign person. The payments of interest are subject to 30% withholding. WA must complete one Form 1042-S, entering “Unknown Recipient” in box 13 and recipient code 20 in box 12. WA must include information relating to NQI in boxes 17 through 20 and must provide the recipient copies of the form to NQI. Because NQI has failed to provide all the information necessary for WA to accurately report the payments of interest to A, B, C, and D, NQI must report the payments on Form 1042-S. See **Amounts Paid by Nonqualified Intermediaries and Flow-Through Entities** on page 9. The results would be the same if WA’s account holder was a flow-through entity instead of a nonqualified intermediary.

Example 5. The facts are the same as in Example 4, except that NQI provides the Forms W-8BEN of A and B, but not the Forms W-8BEN of C and D. NQI also provides a withholding statement that allocates a portion of the interest payment to A and B but does not allocate the remaining portion of the payment. WA must file three Forms 1042-S: one showing A as the recipient in box 13, one showing B as the recipient in box 13, and one showing “Unknown Recipient” in box 13 (and recipient code 20 in box 12) for the unallocated portion of the payment that cannot be associated with valid documentation from a recipient. In addition, WA must send this form (i.e., the Form 1042-S for the unknown recipient) to NQI. All Forms 1042-S must contain information relating to NQI in boxes 17 through 20. The results would be the same if WA’s account holder was a flow-through entity instead of a nonqualified intermediary.

Example 6. NQI is a nonqualified intermediary. It has four customers: A, B,

C, and D. NQI receives Forms W-8BEN from each of A, B, C, and D. NQI establishes an account with WA, a U.S. withholding agent, in which it holds securities on behalf of A, B, C, and D. The securities pay interest that is described by income code 01 (interest paid by U.S. obligors—general) and that may qualify for the portfolio interest exemption from withholding if all of the requirements for that exception are met. NQI provides WA with a Form W-8IMY with which it associates the Forms W-8BEN of A, B, C, and D. WA and NQI agree that they will apply the alternative procedures of Regulations section 1.1441-1(e)(3)(iv)(D). Accordingly, NQI provides a complete withholding statement that indicates that it has one 0% withholding rate pool. WA pays \$100 of interest to NQI. NQI fails to provide WA with the allocation information by February 14, 2004. Therefore, WA must report 25% of the payment to each of A, B, C, and D using pro-rata basis reporting. Accordingly, for each of the Forms 1042-S, WA must enter \$25 in box 2 (gross income), “30.00” in box 5 (tax rate), and \$0 in box 7 (U.S. Federal tax withheld). In addition, WA must check the PRO-RATA BASIS REPORTING box at the top of the form and include NQI’s name, address, country code, and TIN, if any, in boxes 17 through 20. WA must enter “30.00” in box 5 (tax rate) because without allocation information, WA cannot reliably associate the payment of interest with documentation from a foreign beneficial owner and therefore may not apply the portfolio interest exception. See the instructions for box 6 (exemption code) on page 12 for information on completing that box.

Example 7. The facts are the same as in Example 6, except that NQI timely provides WA with information allocating 70% of the payment to A, 10% of the payment to B, and 10% of the payment to C. NQI fails to allocate any of the payment to D. Because NQI has allocated 90% of the payment made to the 0% withholding rate pool, WA is not required to report to NQI’s account holders on a pro-rata basis. Instead, WA must file Forms 1042-S for A, B, and C, entering \$70, \$10, and \$10, respectively in box 2 (gross income), “-0-” in box 5 (tax rate), exemption code 05 (portfolio interest) in box 6, and \$0 in box 7 (U.S. Federal tax withheld). WA must apply the presumption rules to the \$10 that NQI has not allocated and file a Form 1042-S showing “Unknown Recipient” in box 13 and recipient code 20 in box 12. On that Form 1042-S, WA must also enter “30.00” in box 5 (tax rate) because the portfolio interest exemption is unavailable and \$0 in box 7 (U.S. Federal tax withheld) because no amounts were actually withheld from the interest. In addition, WA must send this form (i.e., the Form 1042-S for the unknown recipient) to NQI. All Forms 1042-S must contain information relating to NQI in boxes 17 through 20.

Payments allocated, or presumed made, to U.S. non-exempt recipients. You may be given Forms W-9 or other information regarding U.S. non-exempt recipients from an NQI or flow-through entity together with information allocating all or a portion of the payment to U.S. non-exempt recipients. You must report income allocable to a U.S. non-exempt recipient on the appropriate Form 1099 and not on Form 1042-S, even though you are paying that income to an NQI or a flow-through entity.

You may also be required under the presumption rules to treat a payment made to an NQI or flow-through entity as made to a payee that is a U.S. non-exempt recipient from which you must withhold 30% of the payment under the backup withholding provisions of the Code. In this case, you must report the payment on the appropriate Form 1099. See the **General Instructions for Forms 1099, 1098, 5498, and W-2G**.

Example 1. FP is a nonwithholding foreign partnership and therefore a flow-through entity. FP establishes an account with WA, a U.S. withholding agent, from which FP receives interest described by income code 01 (interest paid by U.S. obligors—general). FP has three partners, A, B, and C, all of whom are individuals. FP provides WA with a Form W-8IMY with which it associates Forms W-8BEN from A and B and a Form W-9 from C, a U.S. person. In addition, FP provides a complete withholding statement in association with its Form W-8IMY that allocates the interest payments among A, B, and C. WA must file two Forms 1042-S, one each for A and B, and a Form 1099-INT for C.

Example 2. The facts are the same as in Example 1, except that the payment made by WA is described by income code 31 (short-term OID) and FP does not provide any documentation from its partners. Because WA cannot reliably associate the short-term OID with documentation from a payee, it must apply the presumption rules. Under the presumption rules, the OID is deemed paid to an unknown U.S. non-exempt recipient. WA must, therefore, apply backup withholding at 30% to the payment of OID and report the payment on Form 1099-INT. WA must file a Form 1099-INT and send a copy to FP.

Amounts Paid by Qualified Intermediaries

In general. A QI reports payments on Form 1042-S in the same manner as a U.S. withholding agent. However, payments that are made by the QI directly to foreign beneficial owners (or that are treated as paid directly to beneficial owners) may generally be reported on the basis of reporting pools. A reporting pool consists of income that falls within a particular withholding rate and within a particular income code, exemption code, or recipient code as determined on Form

1042-S. A QI may not report on the basis of reporting pools in the circumstances described in **Recipient-by-Recipient Reporting** below. A QI may use a single recipient code 15 (qualified intermediary withholding rate pool—general) for all reporting pools except for amounts paid to foreign tax-exempt recipients, for which recipient code 16 should be used. Note, however, that a QI should only use recipient code 16 for pooled account holders that have claimed an exemption based on their tax-exempt status and not some other exemption (i.e., tax treaty or other Code exception). See **Amounts Paid to Private Arrangement Intermediaries** below, if a QI is reporting a withholding pool paid to a PAI.

Example 1. QI, a qualified intermediary, has four direct account holders, A and B, foreign individuals, and X and Y, foreign corporations. A and X are residents of a country with which the United States has an income tax treaty and have provided documentation that establishes that they are entitled to a lower treaty rate of 15% on withholding of dividends from U.S. sources. B and Y are not residents of a treaty country and are subject to 30% withholding on dividends. QI receives U.S. source dividends on behalf of its four customers. QI must file one Form 1042-S for the 15% withholding rate pool. This Form 1042-S must show income code 06 (dividends paid by U.S. corporations—general) in box 1, “15.00” in box 5 (tax rate), recipient code 15 (qualified intermediary withholding rate pool—general) in box 12, and “Withholding rate pool” in box 13 (recipient’s name). QI must also file one Form 1042-S for the 30% withholding rate pool that contains the same information as the Form 1042-S filed for the 15% withholding rate pool, except that it will show “30.00” in box 5 (tax rate).

Example 2. The facts are the same as in Example 1, except that Y is an organization that has tax-exempt status in the United States and in the country in which it is located. QI must file three Forms 1042-S. Two of the Forms 1042-S will contain the same information as in Example 1. The third Form 1042-S will contain information for the withholding rate pool consisting of the amounts paid to Y. This Form 1042-S will show income code 06 (dividends paid by U.S. corporations—general) in box 1, “-0-” in box 5 (tax rate), exemption code 02 (exempt under an Internal Revenue Code section (income other than portfolio interest)) in box 6, recipient code 16 (qualified intermediary withholding rate pool—exempt organizations) in box 12, and “Zero rate withholding pool—exempt organizations,” or similar designation, in box 13 (recipient’s name).

Under the terms of its withholding agreement with the IRS, the QI may be required to report the amounts paid to U.S. non-exempt recipients on Form 1099 using the name, address, and TIN of the payee to the extent those items of information are

*known. These amounts must **not** be reported on Form 1042-S. In addition, amounts paid to U.S. exempt recipients are not subject to reporting on Form 1042-S or Form 1099.*

Amounts Paid to Private Arrangement Intermediaries

A QI generally must report payments made to each private arrangement intermediary (PAI) (defined on page 3) as if the PAI’s direct account holders were its own. Therefore, if the payment is made directly by the PAI to the recipient, the QI may report the payment on a pooled basis. A separate Form 1042-S is required for each withholding rate pool of each PAI. The QI must, however, use recipient code 13 or 14 for PAIs and must include the name and address of the PAI in box 13. If the PAI is providing recipient information from an NQI or flow-through entity, the QI may not report the payments on a pooled basis. Instead, it must follow the same procedures as a U.S. withholding agent making a payment to an NQI or flow-through entity.

Example. QI, a qualified intermediary, pays U.S. source dividends to direct account holders that are foreign persons and beneficial owners. It also pays a portion of the U.S. source dividends to two private arrangement intermediaries, PAI1 and PAI2. The private arrangement intermediaries pay the dividends they receive from QI to foreign persons that are beneficial owners and direct account holders in PAI1 and PAI2. All of the dividends paid are subject to a 15% rate of withholding. QI must file a Form 1042-S for the dividends paid to its own direct account holders that are beneficial owners. QI must also file two Forms 1042-S, one for the dividends paid to the direct account holders of each of PAI1 and PAI2. Each of the Forms 1042-S that QI files for payments made to PAI1 and PAI2 must contain recipient code 13 (private arrangement intermediary withholding rate pool—general) in box 12 and the name and address of PAI1 or PAI2 in box 13 (recipient’s name and address).

Recipient-by-Recipient Reporting

If a QI is not permitted to report on the basis of reporting pools, it must follow the same rules that apply to a U.S. withholding agent. A QI may not report the following payments on a reporting pool basis, but rather must complete Form 1042-S for each appropriate recipient.

1. Payments made to another QI, withholding foreign partnership, or withholding foreign trust. The QI must complete a Form 1042-S treating the other QI, withholding foreign partnership, or withholding foreign trust as the recipient.

2. Payments made to an NQI (including an NQI that is an account holder of a PAI). The QI must complete a Form 1042-S for each recipient who

receives the payment from the NQI. A QI that is completing Form 1042-S for a recipient that receives a payment through an NQI must include in boxes 17 through 20 the name, country code, address, and TIN, if any, of the NQI from whom the recipient directly receives the payment.

3. Payments made to a flow-through entity. The QI must complete a Form 1042-S for each recipient who receives the payment from the flow-through entity. A QI that is completing a Form 1042-S for a recipient that receives a payment through a flow-through entity must include in boxes 17 through 20 the name, country code, address, and TIN, if any, of the flow-through entity from which the recipient directly receives the payment.

Example 1. QI, a qualified intermediary, has NQI, a nonqualified intermediary, as an account holder. NQI has two account holders, A and B, both foreign persons who receive U.S. source dividends from QI. NQI provides QI with a valid Form W-8IMY, with which it associates Forms W-8BEN from A and B and a complete withholding statement that allocates the dividends paid to NQI between A and B. QI must complete two Forms 1042-S, one for A and one for B, and include information relating to NQI in boxes 17 through 20.

Example 2. QI, a qualified intermediary, has FP, a foreign nonwithholding partnership, as an account holder. QI pays interest described by income code 01 (interest paid by U.S. obligors—general) to FP. FP has three partners, A, B, and C, all of whom are individuals. FP provides QI with a Form W-8IMY with which it associates the Forms W-8BEN from each of A, B, and C. In addition, FP provides a complete withholding statement in association with its Form W-8IMY that allocates the interest payments among A, B, and C. QI must file three Forms 1042-S, one each for A, B, and C. The Forms 1042-S must show information relating to FP in boxes 17 through 20.

Amounts Paid by Nonqualified Intermediaries and Flow-Through Entities

An NQI and a flow-through entity are withholding agents and must file Forms 1042-S for amounts paid to recipients. However, an NQI or flow-through entity is not required to file Form 1042-S if it is not required to file Form 1042-S under the **Multiple Withholding Agent Rule** on page 10. An NQI or flow-through entity must report payments made to recipients to the extent it has failed to provide to another withholding agent the appropriate documentation and complete withholding statement, including information allocating the payment to each recipient.

Forms 1042-S must be filed in any case where the NQI or flow-through entity is making a payment to a recipient and

tax has been withheld on the payment by another withholding agent that did not report the payment on Form 1042-S to the recipient, even if the recipient should have been exempt from taxation. Failure to file Forms 1042-S may not only result in penalties for the NQI or flow-through entity, but may result in the denial of any refund claim made by a recipient.

If another withholding agent has withheld tax on an amount that should have been exempt (e.g., where the withholding agent applied the presumption rules because it did not receive proper documentation or other required information from the NQI or flow-through entity), the NQI or flow-through entity should report the correct tax rate and the actual U.S. Federal tax withheld in boxes 5 and 7 and should enter the applicable exemption code using the instructions for box 6 on page 13.

NQI or flow-through entity provides correct and complete information to another withholding agent yet the withholding agent underwithholds. In this case, assuming that the NQI or flow-through entity knows that the withholding agent underwithheld, the NQI or flow-through entity must withhold additional amounts to bring the total withholding to the correct amount. Furthermore, the NQI or flow-through entity must complete Form 1042-S and must include in boxes 5 and 7 the correct tax rate and the combined amount of U.S. Federal tax withheld by the NQI or flow-through entity and any other withholding agent in the chain of payment that has withheld on the payment. See **Example 2** below.

Example 1. A foreign bank acts as a nonqualified intermediary (NQI) for four different foreign persons (A, B, C, and D) each of whom own securities from which they receive interest. The interest is paid by a U.S. withholding agent (WA) as custodian of the securities for NQI. A, B, C, and D each own a 25% interest in the securities. NQI has furnished WA a Form W-8IMY to which it has attached Forms W-8BEN from A and B. NQI's Form W-8IMY contains an attachment stating that 25% of the securities are allocable to each of A and B, and 50% to undocumented owners. WA pays \$100 of interest during the calendar year. WA treats the \$25 of interest allocable to A and the \$25 of interest allocable to B as portfolio interest and completes a Form 1042-S for A and for B as the recipients. WA includes information relating to NQI in boxes 17 through 20 on the Forms 1042-S for A and B. WA subjects the remaining \$50 of interest to 30% withholding under the presumption rules and reports the interest on a Form 1042-S by entering "Unknown Recipient" in box 13 (and recipient code 20 in box 12), "30.00" in box 5 (tax rate), and \$15 as the amount withheld in box 7. WA also includes information relating to NQI in boxes 17 through 20 of the Form 1042-S and sends a copy of the form to NQI.

Because NQI has not provided WA with beneficial owner information for C and D, NQI must report the interest paid to C and D on Forms 1042-S. (Note that under the multiple withholding agent rule, NQI is not required to file a Form 1042-S for A or B.) The Forms 1042-S for C and D should show \$25 in box 2 (gross income) and \$7.50 in box 7 (the actual U.S. Federal tax withheld). The rate of tax NQI includes on the Form 1042-S for C and D depends on the rate of withholding to which they should be subject. Thus, if C and D provided NQI with documentation prior to the payment of interest that would qualify the interest as portfolio interest, the rate entered in box 5 should be "-0-." If they do not qualify for a reduced rate of withholding, NQI should enter "30.00" in box 5. In any event, NQI must also enter "99" in box 6 (exemption code) of the Forms 1042-S it prepares for C and D. See the instructions for box 6 on page 13.

Example 2. A U.S. withholding agent (WA) makes a \$100 dividend payment to a foreign bank (NQI) that acts as a nonqualified intermediary. NQI receives the payment on behalf of A, a resident of a treaty country who is entitled to a 15% rate of withholding, and B, a resident of a country that does not have a tax treaty with the United States and who is subject to 30% withholding. NQI provides WA with its Form W-8IMY to which it associates the Forms W-8BEN from both A and B and a complete withholding statement that allocates 50% of the dividend to A and 50% to B. A's Form W-8BEN claims a 15% treaty rate of withholding. B's Form W-8BEN does not claim a reduced rate of withholding. WA, however, mistakenly withholds only 15%, \$15, from the entire \$100 payment. WA completes a Form 1042-S for each A and B as the recipients, showing on each form \$50 of dividends in box 2, a withholding rate of "15.00" in box 5 (tax rate), and \$7.50 as the amount withheld in box 7. Under the multiple withholding agent rule, NQI is not required to file a Form 1042-S for A. However, because NQI knows (or should know) that B is subject to a 30% rate of withholding, and assuming it knows that WA only withheld 15%, the multiple withholding agent rule does not apply to the dividend paid to B and NQI must withhold an additional 15% from the payment to B. NQI must then file a Form 1042-S for B showing \$50 of dividends in box 2, "30.00" in box 5 (the correct tax rate), and \$15 withheld in box 7 (the combined amount withheld). NQI must also enter "00" in box 6 (exemption code). See the instructions for box 6 on page 13.

Example 3. A withholding agent (WA) receives a Form W-8IMY from a nonqualified intermediary (NQI). NQI's Form W-8IMY relates to payments of bank deposit interest. NQI collects the bank deposit interest on behalf of A, B, C, and D, but does not associate Forms W-8, W-9, or other documentary evidence with the Form W-8IMY that NQI provides WA. A, B, and C are foreign persons for whom NQI has valid documentation

establishing their foreign status. D is a U.S. person and has provided NQI with a Form W-9. Under the presumption rules, WA must treat the bank deposit interest as being paid to an unknown U.S. person and apply backup withholding at 30%. WA must complete one Form 1099 for an unknown payee showing 30% backup withholding. A copy of the form must be sent to NQI. Because NQI failed to provide the requisite documentation to WA and because the amounts have been subject to withholding, NQI must report the amounts paid to A, B, C, and D. Accordingly, NQI must file a Form 1042-S for each A, B, and C showing deposit interest (income code 29) as the type of payment in box 1; "-0-" in box 5 (the correct tax rate); the actual amount withheld from the payment allocable to A, B, and C in box 7; and exemption code 99 in box 6. (See the instructions for box 6 on page 13.) NQI must also file a Form 1099 for D to report the actual amounts paid and withheld.

Multiple Withholding Agent Rule

A withholding agent is not required to file Form 1042-S if a return is filed by another withholding agent reporting the same amount to the same recipient (the multiple withholding agent rule). If an NQI or flow-through entity has provided another withholding agent with the appropriate documentation and complete withholding statement, including information allocating the payment to each recipient, the NQI or flow-through entity may presume that the other withholding agent filed the required Forms 1042-S unless the NQI or flow-through entity knows, or has reason to know, that the required Form 1042-S reporting has not been done.

The multiple withholding agent rule does not relieve withholding agents from Form 1042-S reporting responsibility in the following circumstances.

- Any withholding agent making a payment to a QI, withholding foreign partnership, or withholding foreign trust must report that payment as made to the QI, withholding foreign partnership, or withholding foreign trust.
- Any U.S. withholding agent making a payment to an authorized foreign agent must report that payment to the authorized foreign agent.
- Any withholding agent making a payment to a U.S. branch treated as a U.S. person must report the payment as made to that branch.
- Any withholding agent making a payment to a flow-through entity must report the payment as made to a beneficial owner, QI, withholding foreign partnership, or withholding foreign trust that has a direct or indirect interest in that entity.
- Any withholding agent that withholds an amount from a payment under Chapter 3 of the Code must report that amount to the recipient from whom it was withheld,

unless the payment is reportable on another IRS form.

Furthermore, the multiple withholding agent rule does not relieve the following from Form 1042-S reporting responsibility.

- Any QI required to report an amount to a withholding rate pool **and**
- An NQI or flow-through entity that has not transmitted a valid Form W-8 or other valid documentation to another withholding agent together with the required withholding statement.

Penalties

The following penalties apply to the person required to file Form 1042-S. The penalties apply to both paper filers and to magnetic media/electronic filers.

1. Late filing of correct Form 1042-S.

A penalty may be imposed for failure to file each correct and complete Form 1042-S when due (including extensions), unless you can show that the failure was due to reasonable cause and not willful neglect. The penalty, based on when you file a correct Form 1042-S, is:

- \$15 per Form 1042-S if you correctly file within 30 days; maximum penalty \$75,000 per year (\$25,000 for a small business). A small business, for this purpose, is defined as having average annual gross receipts of \$5 million or less for the 3 most recent tax years (or for the period of its existence, if shorter) ending before the calendar year in which the Forms 1042-S are due.
- \$30 per Form 1042-S if you correctly file more than 30 days after the due date but by August 1; maximum penalty \$150,000 per year (\$50,000 for a small business).
- \$50 per Form 1042-S if you file after August 1 or you do not file correct Forms 1042-S; maximum penalty \$250,000 per year (\$100,000 for a small business).

If you intentionally disregard the requirement to report correct information, the penalty per Form 1042-S is increased to \$100 or, if greater, 10% of the total amount of items required to be reported, with no maximum penalty.

2. Failure to furnish correct Form 1042-S to recipient. If you fail to provide correct statements to recipients and cannot show reasonable cause, a penalty of \$50 may be imposed for each failure to furnish Form 1042-S to the recipient when due. The penalty may also be imposed for failure to include all required information or for furnishing incorrect information on Form 1042-S. The maximum penalty is \$100,000 for all failures to furnish correct recipient statements during a calendar year. If you intentionally disregard the requirement to report correct information, each \$50 penalty is increased to \$100 or, if greater, 10% of the total amount of items required to be reported, and the \$100,000 maximum does not apply.

3. Failure to file on magnetic media. If you are required to file on magnetic media but fail to do so, and you do not have an approved waiver on record, you may be subject to a \$50 penalty per

return for failure to file information returns on magnetic media unless you establish reasonable cause. The penalty applies separately to original returns and corrected returns.

Avoid Common Errors

To ensure that your Forms 1042-S can be correctly processed, be sure that you:

- Carefully read the information provided in Pub. 515 and these instructions.
- If you are a magnetic media or electronic filer, comply with the requirements in Pub. 1187.
- Complete all required fields. At a minimum, you must enter information in boxes 1, 2, 5, 6, 7, 9, 10, 12, 13, 15, and 16. Other boxes must be completed if the nature of the payment requires it.

Note: You may leave box 6 blank if you are applying backup withholding to the payment being reported.

- Use only income, recipient, exemption, and country codes specifically listed in these instructions.
- Use only tax rates that are allowed by statute, regulation, or treaty. Do not attempt to “blend” rates. Instead, if necessary, submit multiple Forms 1042-S to show changes in tax rate.

All information you enter when reporting the payment must correctly reflect the intent of statute and regulations. Generally, you should rely on the withholding documentation you have collected (Form W-8 series, Form 8233, etc.) to complete your Form 1042-S submissions.

Also note the following:

- The gross income you report in box 2 cannot be zero.
- The income code you report in box 1 must correctly reflect the type of income you pay to the recipient.
- The withholding agent’s name, address, and EIN or QI-EIN must be reported in boxes 9 and 10 in all cases.
- The recipient’s name, address, and TIN, if any, must be reported in boxes 13 and 14. You must generally report a **foreign** address in box 13. See the instructions for box 13 on page 14.
- The recipient code you report in box 12 must correctly identify the recipient’s status. Use recipient code 20 **only** if you do not know who the recipient is.

Note: If you cannot identify the recipient, the tax withheld must be 30%.

- The recipient’s country of residence for tax purposes that you report in box 15 must be present and correctly coded and **cannot** be “US”. Additionally, do not use “OC” or “UC” except as specifically allowed in these instructions.
- The exemption code you report in box 6 must correctly identify the proper tax status for the type of income you pay to the recipient.

Note: If you use exemption code 04 (exempt under tax treaty), the recipient’s country of residence for tax purposes that you report in box 15 must be a valid treaty country. Countries with which the United States has a tax treaty are shown in bold

italics in the Country Code list beginning on page 15.

You, the withholding agent, are liable for the tax if you know, or should have known, that underwithholding on a payment has occurred.

Specific Instructions for Withholding Agents

Note: All amounts must be reported in U.S. dollars.

Rounding Off to Whole Dollars

To round off amounts to the nearest whole dollar, drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next dollar. If you have to add two or more amounts to figure the amount to enter on a line, include cents when adding and only round off the total.

VOID and CORRECTED Boxes at Top of Form

See **Correcting Paper Forms 1042-S** beginning on page 14.

PRO-RATA BASIS REPORTING Box

Withholding agents must check this box to notify the IRS that an NQI that used the alternative procedures of Regulations section 1.1441-1(e)(3)(iv)(D) failed to properly comply with those procedures. See **Pro-rata reporting** on page 7 for additional information and examples.

Box 1, Income Code

All filers must enter the appropriate 2-digit income code from the list on page 12. Use the income code that is the most specific. For example, if you are paying bank deposit interest, you should use code 29 (deposit interest), not code 01 (interest paid by U.S. obligors—general). If you paid more than one type of income to or on behalf of the same recipient, you must complete a separate Form 1042-S for each income type.

Note: Although income codes are provided for deposit interest, short-term OID, and notional principal contract income, those items are not always subject to reporting on Form 1042-S. For example, bank deposit interest is reportable if it is effectively connected with the conduct of a U.S. trade or business or is paid to a resident of Canada. Short-term OID or bank deposit interest may need to be reported by an NQI or flow-through entity if those amounts are paid to foreign persons and another withholding agent backup withheld on those amounts under the presumption rules. (See **Example 3** on page 10.) Notional principal contract

income is reportable if it is effectively connected with the conduct of a trade or business in the United States. For more information, see the regulations under Chapter 3 of the Code and Pub. 515.

Box 2, Gross Income

For each income type, enter the gross amount you paid to or on behalf of the recipient during calendar year 2003, including withheld tax. The following special procedures apply to the reporting of gross income.

- You must report the entire amount of a corporate distribution made with respect to stock even if you elect to reduce the amount of withholding on the distribution because all or a portion of the distribution

is nontaxable or represents a capital gain dividend or exempt-interest dividend distributed by a regulated investment company.

- You must report the entire amount of a payment if you do not know at the time of payment the amount that is subject to withholding because the determination of the source of the income or the calculation of the amount of income subject to tax depends upon facts that are not known at the time of payment.
- You must report the entire amount of gains relating to the disposal of timber, coal, or domestic iron ore with a retained economic interest and gains relating to contingent payments received from the sale or exchange of patents, copyrights, and similar intangible property.

- You must report only the amount of cash paid on notional principal contracts.

Box 3, Withholding Allowances

This box should only be completed if the income code reported in box 1 is 15 (scholarship or fellowship grants) or 16 (compensation for independent personal services). See Pub. 515 for more information.

Box 4, Net Income

Complete this box only if you entered an amount in box 3. Otherwise, leave it blank.

¹ If compensation that otherwise would be covered under Income Codes 16–19 is directly attributable to the recipient's occupation as an artist or athlete, use Income Code 20 instead.

² If Income Code 20 is used, Recipient Code 09 (artist or athlete) should be used instead of Recipient Code 01 (individual), 02 (corporation), or 03 (partnership other than withholding foreign partnership).

³ Use appropriate Interest Income Code for embedded interest in a notional principal contract.

⁴ Non-U.S. source income paid to a nonresident alien is not subject to U.S. tax. Use Exemption Code 03 when entering an amount for information reporting purposes only.

⁵ May be used only by a qualified intermediary.

Box 5, Tax Rate

Enter the correct rate of withholding that applies to the income in box 2 (gross income) or box 4 (net income), as appropriate. The correct tax rate should be included even if you withheld less than that rate. For example, if an NQI is reporting dividends paid to a beneficial owner who is a resident of a country with which the United States does **not** have a tax treaty and a U.S. withholding agent paid the dividend and withheld only 15% (rather than the required 30%) and the NQI withholds an additional 15%, the NQI should report "30.00" in box 5. See **Example 2** on page 10.

Enter the tax rate using the following format: two digits, a decimal, and two digits (e.g., "30.00" for 30%). However, if the income is exempt from tax under a U.S. tax treaty or the Code, enter "-0-". If the tax rate is less than 10%, enter a zero before the tax rate (e.g., enter "04.00" for 4%).

Note: If you withheld at more than one tax rate for a specific type of income that you paid to the same recipient, you **must** file a separate Form 1042-S for each amount to which a separate rate was applied.

Box 6, Exemption Code

Note: If you are filing a Form 1042-S to correct certain information already provided to you by another withholding agent on a Form 1099 or Form 1042-S (e.g., as required under **Amounts Paid by Nonqualified Intermediaries and Flow-Through Entities** on page 9), see item 5 below.

Generally, if the tax rate you entered in box 5 is 0% (-0-), you should enter the appropriate exemption code (01 through 09) from the list on page 12.

If an amount was withheld under Chapter 3 of the Code (i.e., the tax rate you entered in box 5 is greater than zero and is not due to backup withholding), enter "00" in box 6. If the tax rate you entered in box 5 is due to backup withholding, leave box 6 blank.

1. If exemption code 01 (income effectively connected with a U.S. trade or business) may apply, you **must** enter the recipient's U.S. TIN in box 14. If the recipient's U.S. TIN is unknown or unavailable, you must withhold tax at the foreign-person rate of 30% (30.00) and enter "00" in box 6.

2. A withholding agent should use exemption code 06 (qualified intermediary that assumes primary withholding responsibility) **only** if it is making a payment to a QI that has represented on its Form W-8IMY that it is assuming primary withholding responsibility under Chapter 3 of the Code.

3. A withholding agent should use exemption code 07 (withholding foreign partnership or withholding foreign trust) **only** if it is making a payment to a foreign partnership or trust that has represented

that it is a withholding foreign partnership or trust.

4. A withholding agent should use exemption code 09 (qualified intermediary represents income is exempt) **only** if it makes a payment to a QI that has **not** assumed primary withholding responsibility under Chapter 3 of the Code or primary backup withholding responsibility, but has represented on a withholding statement associated with its Form W-8IMY that the income is exempt from withholding.

5. If you have failed to provide another withholding agent with appropriate information regarding the status of the person to whom you are making a payment, the other withholding agent may be required to withhold on the payment based on the presumption rules. If the income is in fact exempt from withholding, you must submit a Form 1042-S providing the correct information. In this situation, you must:

- Indicate the correct rate at which the income should have been subject to withholding in box 5 (usually 0% (-0-)),
- Enter "99" in box 6, and
- Enter the actual amount of U.S. Federal tax withheld by the other withholding agent in box 7.

You must also provide the correct recipient code in box 12 and the name and address of the actual recipient in box 13.

Box 7, U.S. Federal Tax Withheld

Note: Box 7 **must** be completed in all cases, even if no tax has actually been withheld.

Enter the total amount of U.S. Federal tax actually withheld. If no tax has been withheld on the payment by any withholding agent, enter "-0-". If you are a withholding agent filing a Form 1042-S to report income that has already been subject to withholding by another withholding agent, enter the aggregate amount of tax withheld by you and any other withholding agent (see **Amounts Paid by Nonqualified Intermediaries and Flow-Through Entities** on page 9).

Box 8, Amount Repaid to Recipient

This box should be completed only if:

- You repaid a recipient an amount that was overwithheld and
- You are going to reimburse yourself by reducing, by the amount of tax actually repaid, the amount of any deposit made for a payment period in the calendar year following the calendar year of withholding.

Generally, a QI should not enter an amount in box 8 unless it is a QI that has represented on its Form W-8IMY that it is assuming primary withholding responsibility under Chapter 3 of the Code.

You must also state on a timely filed Form 1042 for the calendar year of

overwithholding that the filing of the Form 1042 constitutes a claim for refund.

Box 9, Withholding Agent's Employer Identification Number (EIN)

You are generally required to enter your EIN. However, if you are filing Form 1042-S as a QI, withholding foreign partnership, or withholding foreign trust, enter your QI-EIN. Enter the number and check the applicable box.

If you do not have an EIN, you should apply for one on **Form SS-4**, Application for Employer Identification Number. You can get Form SS-4 by calling 1-800-TAX-FORM (1-800-829-3676) or from the IRS Web Site at www.irs.gov. File corrected Forms 1042-S when you receive your EIN.

To get a QI-EIN, submit Form SS-4 with your Application for QI Status (completed in accordance with Section 3 of the preamble of Rev. Proc. 2000-12. You can find Rev. Proc. 2000-12 on page 387 of Internal Revenue Bulletin 2000-4 at www.irs.gov/pub/irs-irbs/irb00-04.pdf.) **Do not** send an application for a QI-EIN to the Philadelphia Service Center; it will not be processed.

Box 10, Withholding Agent's Name and Address

Enter your name and address. Include the suite, room, or other unit number after the street address. If your post office does not deliver mail to the street address and you have a P.O. box, show the box number instead of the street address.

Note: On statements furnished to Canadian recipients of U.S. source deposit interest, in addition to your name and address, you must include the telephone number of a person to contact. This number must provide direct access to an individual who can answer questions about the statement. The telephone number is not required on Copy A of paper forms or on magnetic media filed with the IRS. You must also include a statement that the information on the form is being furnished to the United States Internal Revenue Service and may be furnished to Canada.

Box 11, Recipient's Account Number

You may use this box to enter the account number assigned by you to the recipient.

Box 12, Recipient Code

Enter the recipient code from the list on page 12. The following special instructions apply.

- If applicable, use recipient code 09 (artist or athlete) instead of recipient code 01 (individual), 02 (corporation), or 03 (partnership other than a withholding foreign partnership).

- Use recipient code 12 if you are making a payment to a QI and 04 if you are making a payment to a withholding foreign partnership or a withholding foreign trust.
- If you are making a payment to an NQI or flow-through entity, you generally must use the recipient code that applies to the type of recipient who receives the income from the NQI or flow-through entity.
- Use recipient code 03 (partnership other than a withholding foreign partnership) **only** if you are reporting a payment of income that is effectively connected with the conduct of a trade or business of a nonwithholding foreign partnership in the United States. Otherwise, follow the rules that apply to payments to flow-through entities.
- Use recipient code 20 (unknown recipient) **only** if you have not received a withholding certificate or other documentation for a recipient **or** you cannot determine how much of a payment is reliably associated with a specific recipient. Do not use this code because you cannot determine the recipient's status as an individual, corporation, etc. The regulations under Chapter 3 of the Code provide rules on how to determine a recipient's status when a withholding agent does not have the necessary information.
- Only QIs may use recipient codes 13 (private arrangement intermediary withholding rate pool—general), 14 (private arrangement intermediary withholding rate pool—exempt organizations), 15 (qualified intermediary withholding rate pool—general), and 16 (qualified intermediary withholding rate pool—exempt organizations). A QI should only use recipient code 14 or 16 for pooled account holders that have claimed an exemption based on their tax-exempt status and not some other exemption (e.g., treaty or other Code exception). A U.S. withholding agent making a payment to a QI should use recipient code 12.

Box 13, Recipient's Name and Address

Name. Enter the complete name of the recipient.

- If you do not know the name of the recipient, enter "Unknown Recipient".
- If Form 1042-S is being completed by a QI for a withholding rate pool, enter "Withholding rate pool" in box 13. No address is necessary.
- A QI reporting payments made to a PAI on a withholding rate pool basis must include the name and address of the PAI in box 13.

Address. You must generally enter a **foreign** address in box 13. However, there are limited exceptions. For example, you may enter a U.S. address when reporting payments of scholarship or fellowship grants (income code 15).

For addresses **outside** the United States or its possessions or territories, enter the complete address in the following order: street address, city or

town, province or state, and country. Follow the foreign country's practice for entering the postal code. Do not abbreviate the country name.

For addresses **within** the United States, enter the address in the following order: street address (number, street, apartment number, or rural route), city or town, state, and ZIP code. Use the U.S. Postal Service 2-letter abbreviation for the state name. Do not enter "United States" or "U.S."

Box 14, Recipient's U.S. Taxpayer Identification Number (TIN)

You must obtain and enter a U.S. taxpayer identification number (TIN) for:

- Any recipient whose income is effectively connected with the conduct of a trade or business in the United States.

Note: For these recipients, exemption code 01 should be entered in box 6.

- Any foreign person claiming a reduced rate of, or exemption from, tax under a tax treaty between a foreign country and the United States, unless the income consists of dividends and interest from stocks and debt obligations that are actively traded; dividends from any redeemable security issued by an investment company registered under the Investment Company Act of 1940 (mutual fund); dividends, interest, or royalties from units of beneficial interest in a unit investment trust that are (or were, upon issuance) publicly offered and are registered with the Securities and Exchange Commission under the Securities Act of 1933; and amounts paid with respect to loans of any of the above securities.
- Any nonresident alien individual claiming exemption from tax under section 871(f) for certain annuities received under qualified plans.

- Any nonresident alien individual claiming exemption from withholding on compensation for independent personal services.
- Any foreign grantor trust with five or fewer grantors.
- Any U.S. branch of a foreign bank or foreign insurance company that is treated as a U.S. person.

Box 15, Recipient's Country of Residence for Tax Purposes

Enter the unabbreviated name of the recipient's country of residence for tax purposes.

Box 16, Recipient's Country Code

You must enter the code (from the list that begins on page 15) for the country of which the recipient claims residency under that country's tax laws. Enter "OC" (other country) **only** when the country of residence does not appear on the list or the payment is made to an international organization (e.g., the United Nations). Enter "UC" (unknown country) **only** if the payment is to an unknown recipient. If you are making a payment to a QI or if you are a QI and are making a payment to a QI withholding rate pool, enter the country code of the QI.

Note: If exemption code 04 (exempt under tax treaty) appears in box 6 or if a reduced rate of withholding based on a tax treaty is entered in box 5, the country code entered in box 16 **must** be a country with which the United States has entered into an income tax treaty.

Boxes 17 Through 20, Nonqualified Intermediary's (NQI's)/ Flow-Through Entity's Name, Country Code, Address, and TIN

If you are reporting amounts paid to a recipient whose withholding certificates or other documentation has been submitted to you with a Form W-8IMY provided by an NQI or flow-through entity, you must include the name, address, and TIN, if any, of the NQI or flow-through entity with whose Form W-8IMY the recipient's Form W-8 or other documentation is associated.

Box 21, Payer's Name and Taxpayer Identification Number (TIN)

Correcting Paper Forms 1042-S

If you filed a Form 1042-S with the IRS and later discover you made an error on it, you must correct it as soon as possible.

To correct a previously filed Form 1042-S, you will need to file two Forms 1042-S. See the **Step-by-Step Instructions** on this page.

To determine whether you are required to submit corrections on magnetic media, see **Magnetic Media/Electronic Reporting** on page 1 and in Pub. 1187.

Note: *If you fail to correct Form(s) 1042-S, you may be subject to a penalty. See **Penalties** on page 11.*

If any information you correct on Form(s) 1042-S changes the information you previously reported on Form 1042, you must also correct the Form 1042 by filing an amended return. To do this, see the Form 1042 instructions.

VOID box. Enter an "X" in the VOID box of a Form 1042-S that shows the same information, including errors, as the form you previously filed with the IRS. This will identify the Form 1042-S you want the IRS to disregard. An "X" in the VOID box will not correct a previously filed Form 1042-S. See **Step-by-Step Instructions** on this page.

CORRECTED box. Enter an "X" in the CORRECTED box of Copy A only if you are correcting a Form 1042-S you previously filed with the IRS. Enter an "X" in the CORRECTED box you give to the recipient only if you are correcting a Form 1042-S previously furnished to the recipient. You must provide statements to recipients showing the corrections as soon as possible.

Country Codes

Select the appropriate code from the following list and enter it in box 16 (country code of recipient). Also use the following codes to complete box 18 (country code of NQI), if applicable. See the instructions for box 16 (and box 18, if applicable) on page 14 before selecting a country code.
Note: *Countries bolded and italicized are those with which the United States had entered into an income tax treaty at the time these instructions were printed.*

General Instructions

Paperwork Reduction Act Notice. We ask for the information on these forms to carry out the Internal Revenue Laws of the United States. You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by Code section 6103.

The time needed to provide this information would vary depending on individual circumstances. The estimated average time is:

Preparing Form 8508 15 min.

If you have comments concerning the accuracy of these time estimates or suggestions for making this form simpler, we would be happy to hear from you. You can write to the Tax Forms Committee, Western Area Distribution Center, Rancho Cordova, CA 95743-0001.

DO NOT SEND THE FORMS TO THIS OFFICE. Instead, see the instructions below on where to file. When completing this form, please type or print clearly in **BLACK** ink.

Purpose of Form. Use this form to request a waiver from filing Forms W-2, W-2AS, W-2G, W-2GU, W-2PR, W-2VI, 1042-S, 1098, 1099 Series, 5498, 5498-MSA, or 8027 magnetically for the tax year indicated in Block 2 of this form. Complete a Form 8508 for each Taxpayer Identification Number (TIN). You may use one Form 8508 for multiple types of forms. After evaluating your request, IRS will notify you as to whether your request is approved or denied. The chart below contains volume requirements and the acceptable media for each form.

Specific Instructions

Block 1. --Indicate the type of submission by checking the appropriate box. An original submission is your first request for a waiver for the current year. A reconsideration indicates that you are submitting additional information to IRS that you feel may reverse a denial of an originally submitted request.

Block 2. --Enter the tax year for which you are requesting a waiver. Only waiver requests for the current tax year can be processed. If this block is not completed, the IRS will assume the request is for the current tax year.

Block 3. --Enter the name and complete address of the payer and person to contact if additional information is needed by IRS.

Block 4. --Enter the Taxpayer Identification Number (TIN) [Employer Identification Number (EIN) or the Social Security Number (SSN)] of the payer. The number must contain 9-digits.

Block 5. --Enter the telephone number and Email address of the contact person.

Block 6. --Check the box(es) beside the form(s) for which the waiver is being requested.

Block 6a. --For each type of information return checked, enter the total number of forms you plan to file.

Block 6b. --Provide an estimate of the total number of information returns you plan to file for the following tax year.

Block 7. --Indicate whether or not this waiver is requested for corrections only. If you request a waiver for original documents and it is approved, you will automatically receive a waiver for corrections. However, if you can submit your original returns magnetically, but not your corrections, a waiver must be requested for corrections only.

Block 8. --If this is the first time you have requested a waiver for any of the forms listed in Block 6, for any tax year, check "YES" and skip to Block 10. However, if you have requested a waiver in the past and check "NO," complete Block 9 to establish undue hardship. Waivers, after the first year, are granted only in case of undue hardship or catastrophic event. **Note:** Under Regulations Section 301.6011-2(c)(2), "The principal factor in determining hardship will be the amount, if any, by which the cost of filing the information returns in accordance with this section exceeds the cost of filing the returns on other media."

Block 9. --Enter the cost estimates from two service bureaus or other third parties. These cost estimates must reflect the total amount that each service bureau will charge for software, software upgrades or programming for your current system, or costs to produce your electronic/magnetic media file only. **If you do not provide two written cost estimates from service bureaus or other third parties, we will automatically deny your request. Cost estimates from prior years will not be accepted.** **Note:** If your request is not due to undue hardship, as defined above, attach a detailed explanation of why you need a waiver.

Block 10. --The waiver request must be signed by the payer or a person duly authorized to sign a return or other document on his behalf.

Filing Instructions

When to File. -- You should file Form 8508 at least 45 days before the due date of the returns for which you are requesting a waiver. See Publication 1220, Part A for the due dates. Waiver requests will be processed beginning January 1st of the calendar year the returns are due.

General Instructions

Purpose of form. Use this form to request an extension of time to file any form shown in line 8.

Who may file. Filers of returns submitted on paper, on magnetic media, or electronically may request an extension of time to file on this form.

How to file. When you request extensions of time to file for **more than 50 filers** for the forms shown in line 8, except Form 8027, you **must** submit the extension requests magnetically or electronically.

For **10–50 filers**, you are encouraged to submit the extension request magnetically or electronically.

If filing on paper with **50 or less filers**, you must attach a list of the filers' names and taxpayer identification numbers. If you are filing the extension request magnetically or electronically, you do not have to provide a list.

For more information, see **Pub. 1220**, Specifications for Filing Forms 1098, 1099, 5498, and W-2G Electronically or Magnetically and **Pub. 1187**, Specifications for Filing Form 1042-S, Foreign Person's U.S. Source Income Subject to Withholding, Magnetically or Electronically.

Note: Specifications for filing **Forms W-2, Wage and Tax Statements, magnetically or electronically, are only available from the Social Security Administration (SSA). Call 1-800-SSA-6270 for more information.**

When to file. File Form 8809 as soon as you know an extension of time to file is necessary. However, Form 8809 **must** be filed by the due date of the returns. See the chart below that shows the due dates for filing this form on paper, magnetically, or electronically. IRS will respond in writing beginning in January.

If you are requesting an extension of time to file several types of forms, you may use one Form 8809, but you must file Form 8809 by the earliest due date. For example, if you are requesting an extension of time to file both **Forms 1099-INT**, Interest Income, and **Forms 1099-DIV**, Dividend Income, you must file Form 8809 by February 28 (March 31 if you file electronically). You may complete more than one Form 8809 to avoid this problem. **An extension cannot be granted if a request is filed after the due date of the original returns.**

The due dates for filing Form 8809 are shown below.

IF you file Form . . .	MAGNETICALLY or on PAPER, then the due date is . . .	ELECTRONICALLY, then the due date is . . .
W-2 Series	Last day of February	March 31
W-2G	February 28	March 31
1042-S	March 15	March 15
1098 Series	February 28	March 31
1099 Series	February 28	March 31
5498 Series	May 31	May 31
8027	Last day of February	March 31

If any due date falls on a Saturday, Sunday, or legal holiday, file by the next business day.

Caution: You do not have to wait for a response before filing your returns. File your returns as soon as they are ready. For all forms shown in line 8, except Form 8027, if you have received a response, **do not** send a copy of the letter or Form 8809 with your returns. If you have not received a response by the end of the extension period, file your returns. When filing Form 8027 on paper **only**, attach a copy of your approval letter. If an approval letter has not been received, attach a copy of your timely filed Form 8809.

Where to file. Send Form 8809 to IRS-Martinsburg Computing Center, Information Reporting Program, Attn: Extension of Time Coordinator, 240 Murall Dr., Kearneysville, WV 25430.

Extension period. If the IRS approves your extension request, you will be granted an extension of 30 days from the original due date.

Additional extension. Although rarely granted, you may request an additional 30-day extension by submitting another Form 8809 before the end of the first extension period.

Approval or denial of request. Requests for extensions of time to file information returns are not automatically granted. Approval or denial is based on administrative criteria and guidelines. The IRS will send you a letter of explanation approving or denying your request.

Note: If your extension request is approved, it will only extend the due date for filing the returns. It will not extend the due date for providing statements to recipients.

Penalty. If you file required information returns late and you have not applied for and received an approved extension of time to file, you may be subject to a late filing penalty. The amount of the penalty is based on when you file the correct information return. For more information on penalties, see the **General Instructions for Forms 1099, 1098, 5498, and W-2G**.

Specific Instructions

Tax year. You may request an extension for only 1 tax year on this form. If no tax year is shown, the IRS will assume you are requesting an extension for the returns currently due to be filed.

Line 1. Enter the name and complete mailing address, including room or suite number of the filer or transmitter requesting the extension of time. Use the name and address

where you want the response sent. For example, if you are a preparer and want to receive the response, enter your client's complete name, care of (c/o) your firm, and your complete mailing address. Enter the name of someone who is familiar with this request whom the IRS can contact if additional information is required. Please provide your telephone number and e-mail address. If you act as transmitter for a group of filers, enter your name and address here, and see **How to file** on page 1.

Note: Approval or denial notification will be sent only to the person who requested the extension (filer or transmitter).

Line 2. Enter your nine-digit employer identification number (EIN) or qualified intermediary employer identification number (QI-EIN). If you are not required to have an EIN or QI-EIN, enter your social security number. Do not enter hyphens. Failure to provide this number, and the list of numbers if you are acting as a transmitter as explained under **Line 1**, will result in automatic denial of the extension request.

Line 3. For electronic or magnetic media only. If you filed **Form 4419**, Application for Filing Information Returns Magnetically/Electronically, to file Forms 1042-S, 1098, 1099, 5498, W-2G, or 8027, and it was approved, the IRS-Martinsburg Computing Center assigned you a five-character Transmitter Control Code (TCC). Enter that TCC here. Leave this line blank if you **(1)** are requesting an extension to file any Forms W-2, **(2)** are requesting an extension to file forms on paper, or **(3)** have not yet received your TCC.

Line 7. Check this box if you have already received at least one extension, but you need an additional extension for the same year and for the same forms. Do not check this box unless you received an original extension.

Signature. Form 8809 must be signed by you or a person who is duly authorized to sign a return, statement, or other document.
