The Earned Income Tax Credit. It's waiting for you.

To help determine if you are eligible for the credit, bring these documents with you when you come to file your tax return:

- Social Security card for you and your spouse (if married filing jointly)
- W-2 forms to verify your earned income
- And if you have a qualifying child, your child's Social Security card

You can also visit www.irs.gov/eitc or call 1-800-TAX-1040 to see all of the requirements.

When it comes to getting help claiming everything you honestly deserve, consider it done.
