CHECK YOUR PAYMENT STATUS OR REVIEW YOUR PAYMENT HISTORY

With EFTPS-OnLine, you can logon and check all EFTPS payments you have made in the last 120 days*. Your payment history contains the type of payment, when it was made, how it was made, how much, when it was received, and when it settled. All this information is available to you online 24 hours a day, 7 days a week.

If you prefer to call about your payment history, you can call EFTPS Customer Service.

* Beginning in June 2003, EFTPS will begin storing 16 months of your payment history.

SCHEDULE YOUR PAYMENTS IN ADVANCE

If you know you will be out of town or busy when a tax payment is due, EFTPS lets you schedule your tax payment in advance—up to 365 days in advance for personal tax payments and up to 120 days in advance for business tax payments. You can make payments weekly, monthly, even daily if you want.

EFTPS is especially useful for scheduling your 1040ES quarterly estimated payments for the whole year. Or you can make your quarterly payments one at a time. It's up to you.

And if you need to change any scheduled payment, it's easy. You can make changes up to two business days in advance of the scheduled payment date online or by calling Customer Service.

What could be easier?

Don't worry about missing a payment because you're out of town or on vacation. And don't worry about remembering to make your payments on the right dates. EFTPS takes the worry out of paying your federal taxes on time.
