#### Economist

One of the best sources of general Web information can be found on the Economist Web page. It is -  
<http://lmsb.irs.gov/hq/fs/economist/websitesforirseconomistsjuly2001.htm>

These Tax Shelter sites came from "Web sites for IRS Economists":

- Lowtax.net (<http://www.lowtax.net/sitemap/index.asp>). Provides access to information about corporate tax shelter.
- LMSB Office of Tax Shelter Analysis (<http://lmsb.irs.gov/hq/pftg/techguide/otsa/index.htm>). Contains links and resources (white papers, etc.) on the issue of tax shelters.
- *The Problem of Corporate Tax Shelters Discussions, Analysis and Legislative Proposals*, (<http://lmsb.irs.gov/hq/pftg/techguide/otsa/downloads/Background/CTS-WhitePaper.pdf>). Document prepared by Department of the Treasury "White Paper," July 1999.
- *Description and Analysis of Present-Law Tax Rules and Recent Proposals Relating to Corporate Tax Shelters*, (<http://lmsb.irs.gov/hq/pftg/techguide/otsa/downloads/Background/CTS-Joint%20Committee.pdf>). Document prepared by the Staff of the Joint Committee on Taxation, November 10, 1999.
- Emerging Potentially Abusive Tax Shelter Issues - IRC Section 302, Basis-Shifting Transactions, March 21, 2001 ([http://lmsb.irs.gov/hq/pftg/techguide/otsa/downloads/emerging\\_issues/Basis%20Shift%20Transactions.pdf](http://lmsb.irs.gov/hq/pftg/techguide/otsa/downloads/emerging_issues/Basis%20Shift%20Transactions.pdf)).

Other Web site topics include:

- Technical Issues,
- Company Information,
- Industry Information,
- Economic and Financial Information, and
- Other Useful Sites
  - Tax Topics,
  - Accounting, Law and Economic Consulting Firms,
  - Search Engines, and
  - Reference Tools.
