U.S.-INDIA AGREE TO SUSPEND COLLECTION OF TAXES DURING MUTUAL AGREEMENT PROCEDURE

WASHINGTON – The Competent Authorities of the U.S. and India, under the U.S.— India Double Taxation Convention, have agreed on a procedure to defer assessment or suspend collection of taxes, including any related interest or penalties, during a negotiation regarding potential or actual tax assessments under the Mutual Agreement Procedure Article of that Convention. The Competent Authorities have considered the hardship taxpayers potentially face during the process of a MAP negotiation, and believe that this arrangement will mitigate the same and facilitate the efficient processing of MAP cases.
