

**SAVINGS INCENTIVE MATCH PLAN FOR EMPLOYEES OF SMALL EMPLOYERS
(SIMPLE IRA Plan) under § 408(p) of the Internal Revenue Code
(Changes from 1-1998 package are underlined.)**

Listing of Required Modifications and Information Package

This information package contains samples of plan provisions that satisfy certain specific requirements of the Internal Revenue Code as amended through the Job Creation and Worker Assistance Act of 2002 (P.L. 107-147). Such language may or may not be acceptable in specific plans, depending on the context. We have prepared this package to assist sponsors who are drafting plans. To expedite the review process, sponsors are encouraged to use the language in this package.

(1) Statement of Requirement: Definition of Employer, Code § 414(b), (c), (m) and (o).

Sample Plan Language:

_____ ("Employer") establishes this SIMPLE IRA Plan under § 408(p) of the Code.

If the Employer is a member of a controlled group of corporations (under § 414(b) of the Code), a group of trades or businesses under common control (under § 414(c)), an affiliated service group (under § 414(m)) or is required to be aggregated with any other entity under § 414(o), then for purposes of this SIMPLE IRA Plan, the term "Employer" shall include the other members of such groups or other entities required to be aggregated with the Employer.

(2) Statement of Requirement: Eligible employers, Code § 408(p) (2) (C) (i).

Sample Plan Language:

An Employer may establish a SIMPLE IRA Plan for a calendar year if the Employer had no more than 100 employees who earned \$5,000 or more in Compensation from the Employer during the preceding calendar year (the "100-Employee limit").

If the Employer maintaining this plan exceeds the 100-Employee limit for a particular calendar year, the Employer is treated as meeting the 100-Employee limit for the 2 calendar years following the calendar year that such Employer last satisfied the 100-Employee limit. If the failure to continue to satisfy the 100-Employee limit is due to an acquisition or similar transaction, the 2-year grace period applies only if the Employer satisfies the provisions of § 410(b)(6)(C)(i) of the Code.

(3) Statement of Requirement: One-plan requirement, Code § 408(p)(2)(D).

Sample Plan Language:

The Employer cannot contribute to this SIMPLE IRA Plan for any calendar year if the Employer maintains another qualified plan with respect to which contributions are made, or benefits are accrued, for any Employee's service for any plan year beginning or ending in that calendar year (the "one-plan requirement").

For this purpose, a qualified plan is defined in § 219(g)(5) of the Code as:

a plan described in § 401(a) that includes a trust exempt from tax under § 501(a); an annuity plan described in § 403(a); a plan established for its employees by the United States, by a State or political subdivision thereof, or by an agency or instrumentality of any of the foregoing (but not an eligible deferred compensation plan within the meaning of § 457(b)); a tax-sheltered annuity plan described in § 403(b); a simplified employee pension (SEP) plan described in § 408(k); and another SIMPLE IRA Plan described in § 408(p).

If the failure to meet the one-plan requirement is due to an acquisition or similar transaction, the Employer is treated as meeting the one-plan requirement through the end of the following calendar year (through the end of the following 2 calendar years, if permitted by § 408(p)) provided that, during this period, Employees who would be employed by another employer involved in the transaction had the transaction not occurred are not eligible to participate in this plan.

Special Rule

The one-plan requirement is not violated if the Employer maintains another qualified plan that limits participation to

Employees covered under a collective bargaining agreement described in § 410(b)(3)(A) of the Code and eligibility to participate in this SIMPLE IRA Plan is limited to other Employees.

(4) Statement of Requirement: Definition of employee, Code §§ 408(p)(6)(B), 414(n) and 414(o).

Sample Plan Language:

Employee means a common-law employee of the Employer, and also includes leased employees described in § 414(n) and employees described under § 414(o) that are required to be treated as employed by the Employer. The term "Employee" also includes self-employed individuals described in § 401(c)(1) of the Code.

(5) Statement of Requirement: Eligibility, Code § 408(p)(4).

Sample Plan Language:

An Eligible Employee is an Employee who meets the following requirements (select either a or b and complete applicable blanks):

a. Full eligibility. All Employees are eligible.

b. Limited eligibility. Eligibility is limited to each Employee who is described in both (i) and (ii) below:

(i) Prior year compensation. An Employee who has received at least \$5,000, or _____, if lesser, in Compensation during any 2, or _____ (insert 0 or 1), if less, preceding calendar years (need not be consecutive); and

(ii) Current year compensation. An Employee who is reasonably expected to receive at least \$5,000, or _____, if lesser, in Compensation during the current calendar year.

If checked, the following Employees are not Eligible Employees:

Employees who are covered under a collective bargaining agreement if retirement benefits were the subject of good faith bargaining. NOTE: THIS BOX IS DEEMED CHECKED IF THE SPECIAL RULE FOR THE ONE-PLAN REQUIREMENT IN APPLIES.

(Note to reviewer: The blank should contain the cite that corresponds to LRM # 3.)

[] Employees who are nonresident aliens and who receive no earned income from the Employer that constitutes income from sources within the United States.

If the Employer has been involved in an acquisition or similar transaction, by checking the box below, the following Employees are not Eligible Employees, but only for the calendar year of the transaction and the following calendar year (the following 2 calendar years, if permitted by § 408(p)):

[] Employees who would be employed by another employer involved in the _____ (insert date of transaction) transaction with the Employer had the transaction not occurred. NOTE: THIS BOX IS DEEMED CHECKED IF _____ APPLIES.

(Note to reviewer: The blank should contain the cite that corresponds to the third paragraph (relating to an acquisition or similar transaction) of LRM # 3.)

(6) Statement of Requirement: Employees' election periods and plan notice, Code §§ 408(p)(5)(C), 408(1)(2)(C) and 6693(c)(1).

Sample Plan Language:

60-day election periods

An Employee who is an Eligible Employee for a particular calendar year must be permitted to make or modify a salary reduction election during the 60-day period immediately preceding the calendar year, effective as soon as practical after receipt by the Employer (or, if later, the date specified by the Employee in the salary reduction agreement) but not earlier than the first pay period beginning in the calendar year. In the case of an Employee who becomes an Eligible Employee other than at the beginning of a calendar year because 1) this plan does not impose a prior-year-compensation requirement, 2) the employee satisfied this plan's prior-year-compensation requirement during a prior period of employment with the Employer, or 3) this plan is first effective after the beginning of a calendar year, the Eligible Employee must be permitted to make or modify a salary reduction election during

the 60-day period that begins on the day plan notice is provided to the Employee and that includes the day the Employee becomes an Eligible Employee or the day before. In this case, the salary reduction election will become effective as soon as practical after receipt by the Employer (or, if later, the date specified by the Employee in the salary reduction agreement) but any election made by the Eligible Employee may be modified prospectively any time during the 60-day period.

Other election periods

In addition to the 60-day election periods described above, Eligible Employees may make or modify their salary reduction elections during the following election periods:

(Insert a period or periods [e.g., semi-annually, quarterly, monthly, or daily] that will apply uniformly to all Eligible Employees.)

If an election is made or modified during one of these other election periods, it will become effective as soon as practical after receipt of the election by the Employer or, if later, the date specified by the Employee in the salary reduction agreement.

Plan notice

The Employer shall notify each Eligible Employee immediately before each 60-day election period of the Employee's opportunity to make an election. The notice shall include a copy of the summary description as described in § 408(l)(2)(B) of the Code. (Section 6693(c)(1) provides that if an employer fails to provide one or more notices, such employer may be subject to a penalty of \$50 per day for each day that the failure to provide notice occurs.)

(7) Statement of Requirement: Salary reduction elections, Code §§ 408(p)(2)(A)(ii), 408(p)(2)(E) and 414(v).

Sample Plan Language:

An Eligible Employee may elect to have his or her Compensation reduced by a percentage or a fixed dollar amount. The salary reduction election shall be in writing and delivered to the Employer. The total amount of the reduction in the Eligible Employee's Compensation cannot exceed \$7,000 for 2002, \$8,000

for 2003, \$9,000 for 2004, and \$10,000 for 2005 and later years. After 2005, the maximum amount will be adjusted by the Secretary of the Treasury for cost-of-living increases under § 408(p)(2)(E) of the Code. Such adjustments will be in multiples of \$500.

An Eligible Employee who would attain age 50 or over by the end of the year can elect to have his or her Compensation reduced by an additional amount of \$500 for 2002, \$1,000 for 2003, \$1,500 for 2004, \$2,000 for 2005, and \$2,500 for 2006 and later years. After 2006, the maximum additional amount will be adjusted by the Secretary of the Treasury for cost-of-living increases under § 414(v)(2)(C) of the Code. Such adjustments will be in multiples of \$500.

- (8) Statement of Requirement: Employees' right to terminate salary reduction elections, Code § 408(p)(5)(B).
Sample Plan Language:**

An Eligible Employee must be permitted to terminate a salary reduction election at any time. The termination request must be in writing and become effective as soon as practical after receipt of the request by the Employer or, if later, the date specified by the Employee in the termination request.

[] If checked, an Eligible Employee who terminates a salary reduction election outside an election period may not make a new salary reduction election that is effective earlier than the beginning of the next calendar year. However, if an Eligible Employee terminates a salary reduction election during an election period, the Employee must be permitted to make a new salary reduction election during any subsequent election period.

- (9) Statement of Requirement: Full vesting requirements, Code § 408(p)(3).
Sample Plan Language:**

The interest of an Eligible Employee in the balance of his or her SIMPLE IRA established under this SIMPLE IRA Plan is nonforfeitable at all times.

- (10) Statement of Requirement: Employer matching contributions, Code §§ 408(p)(2)(A)(iii) and 408(p)(2)(C)(ii).
Sample Plan Language:**

Matching Contributions

For each calendar year, the Employer must make a matching contribution to each Eligible Employee's SIMPLE IRA in an amount equal to the Employee's salary reduction contributions up to a limit of 3% of the Employee's Compensation for the calendar year.

For any year, the Employer may reduce the 3% limit if the following requirements are met:

- (1) The limit is not reduced below 1%;
- (2) The limit is not reduced for more than 2 calendar years during the 5-year period ending with the calendar year the reduction is effective; and
- (3) Each Eligible Employee is notified of the reduced matching contribution limit within a reasonable period of time before the Employee's 60-day election period for that calendar year.

For purposes of (2) above, the limit is not considered reduced for any year any SIMPLE IRA Plan of the Employer is not in effect or for any calendar year with respect to which the Employer makes nonelective contributions to a SIMPLE IRA Plan.

- (11) Statement of Requirement: Alternative 2% nonelective employer contributions, Code § 408(p)(2)(B).**
Sample Plan Language:

Nonelective Contributions

For any calendar year, in lieu of matching contributions, the Employer must make a nonelective contribution to the SIMPLE IRA for each Eligible Employee who receives at least \$5,000, or _____, if lesser, in Compensation from the Employer for the calendar year in an amount equal to 2% of the Eligible Employee's Compensation.

The Employer must notify each Eligible Employee of the nonelective contribution within a reasonable period of time before each Employee's 60-day election period for that calendar year.

Compensation taken into account in determining the 2% nonelective contribution cannot exceed the Compensation limit described in § 401(a)(17) of the Code as adjusted by the Secretary of the Treasury for increases in the cost of living in accordance with § 401(a)(17)(B). Such adjustments will be in multiples of \$5,000. (The Compensation limit for 2002 is \$200,000.)

(12) Statement of Requirement: Time for depositing contributions, Code § 408(p)(5)(A).

Sample Plan Language:

The Employer must make a salary reduction contribution to the SIMPLE IRA established for each Eligible Employee under this SIMPLE IRA Plan as of the earliest date on which the contributions for an Eligible Employee can reasonably be segregated from the Employer's general assets, but in no event later than 30 days after the end of the month in which the contribution is withheld from the Employee's pay.

The Employer must make the matching or nonelective contribution to the SIMPLE IRA established for each Eligible Employee under this SIMPLE IRA Plan no later than the due date for filing the Employer's federal income tax return, including extensions, for the taxable year that includes the last day of the calendar year for which the contribution is made.

(13) Statement of Requirement: Employees' selection of financial institutions, Code § 408(p)(7).

Pursuant to the provisions of § 408(p)(7) of the Code, the designated financial institution will notify Eligible Employees in writing (either separately or as part of the plan notice described in § _____ of the plan document) that their SIMPLE IRA balances may be transferred without cost or penalty to another SIMPLE IRA in accordance with the withdrawal and rollover provisions under § 408(d)(3).
