RE: CC Docket 99-200

Dear Mr. Strickling:

For your consideration, the North American Numbering Council (NANC) has made a recommendation to the Industry Numbering Committee (INC) regarding the definition of telephone number reservations. The NANC has requested the INC to utilize this recommendation and incorporate it in the appropriate numbering guidelines. Since these issues are addressed in CC Docket No. 99-200, a copy of that report is attached for your review.

Sincerely,

John Hoffman  
Chairman  
North American Numbering Council
