ATTN: Shawn Murphy, Moderator

During our September 28, 1999, North American Numbering Council meeting, we finalized an action item addressing your concerns pertaining to “Reporting of Resellers’ Code Usage, Forecasting and Utilization Data.” Attached to this letter is our guidance as it relates to this subject. Should you need additional guidance as it pertains to this subject, the NANC will address them as appropriate.

Sincerely yours,

John R. Hoffman  
Chairman, North American Numbering Council
