

Congressional District Profiles

This section presents selected population and housing items from the 108th Congressional District Summary Files of the 2000 Census of Population and Housing. Statistics are presented for all states and the District of Columbia for the newly defined boundaries of the 108th Congress. More information and maps for each congressional district are available through American FactFinder

at the following Census Web page:
<<http://www.census.gov/PressRelease/www/2003/108th.html>>.

Statistical reliability—For a discussion of statistical collection and estimation, sampling procedures, and measures of statistical reliability applicable to Census Bureau data, see Appendix III.

No. 1384. Congressional District Profiles—108th Congress: 2000

[Data in these profiles provide summaries from Census 2000 for the newly defined boundaries of the 108th Congress. See Appendix III for comments on methodology. Maps for each congressional district are available at source listed at bottom of table]

State and district	Percent of total population																			Percent of employed civilians, 16 yrs. and over			Occupied housing units	
	Age			Race										High school graduate or higher, percent of population 25 yrs. and over	Management, professional, and related occupations	Manufacturing industries	Median household income in 1999 (dol.)	Percent of population below poverty level in 1999 ²	Percent owner occupied	Median value (dol.) ³				
	Total population (number)	Under 18 years	65 years and over	White alone	Black or African American alone	American Indian and Alaska native alone	Asian alone	Native Hawaiian and Other Pacific Islander alone	Two or more races	Hispanic or Latino ¹ origin	Foreign born	Average population per household
