From the Defense Finance and Accounting Service:

Be advised, there is a bogus myPay web site 'out there' on the Internet. The bogus site is www.mypay.com. The bogus site is set up to resemble the official site, with terms like "LES" and "DFAS" listed on the left side as "Recent Searches." However, if you were to click on the "Loan" link, you would be taken to a payday loan vendor, giving them your personal information in the process.

Be careful when accessing your LES online. Use only the official myPay website:
