

The Director, Acquisition Career Management is pleased to present:

THE DEPARTMENT OF THE NAVY'S CONTINUOUS LEARNING PROGRAM FOR THE ACQUISITION WORKFORCE

NAVAL ACQUISITION ENGINEER'S CONFERENCE

17 – 19 APRIL 2002

"ENGINEERING THE NAVY – TODAY'S WINS, TOMORROW'S CHALLENGES"

SHERATON HOTEL AND MARINA, SAN DIEGO, CALIFORNIA

Target Audience:

This conference is geared toward mid-level engineers, both civilian and military (GS 12-13/O-4 or equivalent), whose billets are designated in the Systems Planning, Research, Development and Engineering (SPRDE) or Test and Evaluation Engineering (T&E) career fields. Personnel in these career fields who are certified to their level of billet and who have a continuous learning requirement are encouraged to attend. *

Sponsor:

The Assistant Secretary of the Navy (RD&A), Office of the Director, Acquisition Career Management

Mr. W. H. Hauenstein

Director, Acquisition Career Management

Conference Host:

The Department of the Navy's Science and Engineering Functional Board

Mr. Dave Merritt, Chair

About the Conference:

The conference will feature plenary and break-out sessions led by the DON's senior acquisition leadership, including:

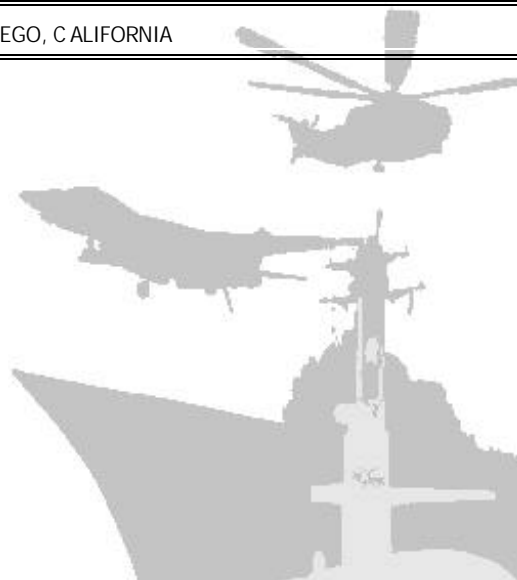

VADM Peter Nanos,

Commander Naval Sea Systems Command

RADM Ken Slaght,

Commander, Space and Naval Warfare Systems Command

Conference sessions will provide in-depth coverage on topics of current interest, such as: **AAAV, Network Centric Warfare Testing, Technology Insertion, F/A-18 Wing Drop, and the USS Cole Recovery**. Additional highlights include local tours to **various ships** and the **North Island Aviation Depot**.

You are the Department of the Navy's future ...

You are Naval Engineering and Acquisition at its best...
