SUBJ/FEB 00 ACQUISITION PROFESSIONAL COMMUNITY (APC) SELECTION
BOARD /RESULTS//

REF/A/DOC/SECNAV/31MAY95//
AMPN/SECNAVINST 5300.36, DoN Acquisition Workforce Program//

1. The Acquisition Professional Community (APC) Selection Board was held 8-9 Feb 00. The 159 officers listed below were selected for APC membership. The additional qualification designator of acquisition professional management, indicating APC membership, has been entered into the officer master file for each selectee.

2. APC is Navy's Acquisition Corps, created in response to the Defense Acquisition Workforce Improvement Act of 1990. APC members are qualified to fill critical acquisition billets, which include some O5 and all O6 and senior acquisition billets. Since each officer community has unique needs for APC members, specific questions regarding career management and future orders for APC officers should be directed to respective community managers or detailers. For general questions regarding APC contact CAPT Steve Kreutner, PERS-447, at (901) 874-3837/DSN 882, E-Mail: p4467@persnet.navy.mil.

3. Officers are listed alphabetically with rank and last four of SSN/Design; read columns from left to right.
