## Register Now for the TOC/CAIV Workshop 7- 8 March 2000

TOC/CAIV Workshop 00-1 will be offered at the Department of the Navy Acquisition Center of Excellence (ACE), Washington Navy Yard, on Tuesday, March 7, and Wednesday, March 8, 2000. This workshop is open to all DoN personnel and support contractors. Please register by 3 March 2000.

Training in Total Ownership Cost (TOC) and Cost As an Independent Variable (CAIV) is offered under the auspices of the ARO's TOC Team, led by Mr. Willie Jones, and will be conducted by Mr. Richard Coleman and Mr. Peter Braxton, both award-winning presenters on TOC, CAIV, and Target Costing. This workshop will also feature a guest speaker on TOC from the Multi-Mission Helicopter Office (PMA 299) and technical experts on various tools and databases available from the Naval Center for Cost Analysis (NCCA): Cost Of Manpower Estimating Tool (COMET), Visibility And Management of Operating and Support Costs (VAMOSOC), Navy Obligation Data Extraction System (NODES), and Operating and Support Cost Analysis Model (OSCAM).

An [agenda](#) and online [registration](#) form are available under "What's New" and "Events" area on the Navy Acquisition Reform Office (ARO) web page <http://www.acq-ref.navy.mil>. Directions and parking information at the Acquisition Center of Excellence are located on the same site under "Acquisition Center of Excellence".

If you have any questions regarding this workshop, please contact: Mr. Peter Braxton, Navy Acquisition Reform Office, (703) 631-2000 x2121.
