Other

In addition, several other organizations conducted or supported tourism activities in the Antarctic during the 2001-2002 season. Although some of these organizations are not U.S. based, some American citizens were involved in their planned activities and for this reason are reported here.

SHIPBORNE

a)   Hapag-Lloyd Cruises of Hamburg, Germany, operated two vessels in the Antarctic Peninsula. The *Hanseatic* conducted 6 cruises, while the *Bremen* conducted 8cruises.

LANDBASED

Adventure Network International (ANI), a Canadian company with an office in Boca Raton, Florida, conducted several 11-17-day excursions to the interior of the Antarctic continent. Travel from Punta Arenas, Chile, to Adventure Network's Patriot Hills base camp (80°20'S, 81°20'W) was via a South African chartered C-130 cargo/passenger aircraft. These various inland excursions occurred during November 2001 - mid-January 2002 using two chartered Twin Otters and their own Cessna C-A185F aircraft.
