

SECRETARY Donald Clark.

I AM WRITING YOU TO EXPRESS THE SHOCK & ANGER I FELT WHEN I LEARNED OF YOUR PLAN TO MAKE THE "MADE IN USA" LABEL ON PRODUCTS FOR SALE TO GREEDY CORPORATE HEADS AROUND THE WORLD. THE EXPORTATION OF AMERICAN JOBS IS ALREADY AT A RIDICULOUS STATE AND ALL THIS WOULD DO IS ENCOURAGE THE TREND EVEN MORE.

I CAN'T SEE WHY WE (YOU) WOULD EVEN CONSIDER ALLOWING COMPANIES TO USE MORE TRICKERY IN ADVERTISING THEIR IMPARTIAL PRODUCTS OTHER THAN SOMEBODY'S POCKETS GETTING LINED VERY WELL. DON'T BE A SELL OUT TO YOUR COUNTRY & MINE
