**RAPID
 MEMO**

Titled:

TO: Made in the U.S.A. - Policy Comment,
 FTC 12422741. P894219

DATE: W. ROBERT & JEANNE D.

SUBJECT: **McCorkle**

Please do not change the Federal Trade Commission's
 requirements for products carrying the label "Made
 in the U.S.A."

In many of my purchases check the labels and a
 25 percent imported part would falsify the "Made in the
 U.S.A." label.

also the foreign cost basis of 25 percent would come
 into play and as a consumer I want to make an informed
 choice.

I, *Robert J. & Corble* Sincerely

Robert J. & Corble Jeannette D. McCorkle
