Dear Senator Clark:

It has come to my attention that products that
that products made in Dakota, Bangkok, Shanghai,
Mexico, and other foreign countries are being
permitted to stamp "Made in U.S.A." on the product
because the smallest and last part of the item
is made & put on in the U.S.A.

As a citizen and voter, I strongly object. I
believe that products only made in the USA
should be so marked.

I do hope you will be able to correct
this and hope that the jobs that are effected,
will be saved. Thank you.

Respect
C Mule
