FOOTNOTES

- /a/ Administrative State boundaries differ from Geographic State boundaries. For example: California BLM administers some public lands within the State of Nevada, and Montana BLM administers all public lands in North Dakota and South Dakota.
- /b/ P AUMs (animal unit months) of permitted use held by permittees on public lands; these totals differ from the AUM totals shown in Table 3-7, which reflect AUMs authorized for use. Title change from “A AUMs” in previous PLS editions to “P AUMs” in this edition conforms with current regulations.
- /c/ S AUMs (animal unit months) of suspended use held by permittees on public lands. These AUMs are not shown in Table 3-7 because they are not authorized for use.
