Note: See the detailed tables, the questionnaire, and the *Explanatory notes* for definitions, limitations, and exceptions. For every characteristic there were persons of unknown status or type; their numbers are in the detailed tables. Jurisdictions failed to report data for 3% of "status of supervision," less than 0.5% of "adults entering parole," 1% of "adults exiting parole," 3% of "sex of adults on parole," 8% of "race of adults on parole," 30% "Hispanic origin of adults on parole," and 16% of "length of sentence" of parolees.

—Less than 0.5% --Less than 0.5%.

	Not known.			annd-time provisio	ns or emergency rel	eases				

Number of adults entering parole

good-time provisions, or emergency releases.

"Reinstatement entries are persons returned to parole

<sup>...</sup>Not applicable.

<sup>&</sup>lt;sup>a</sup>Discretionary parole entries are persons entering because of a parole board decision.

<sup>&</sup>lt;sup>b</sup>Mandatory parole entries are persons whose releases from prison were not decided by a parole board. Includes those entering because of determinate sentencing statutes,

after serving time in a prison because of a parole violation.

<sup>&</sup>lt;sup>d</sup>See *Explanatory notes* for more detail. <sup>e</sup>Detailed data are estimated for entries.

<sup>&</sup>lt;sup>a</sup>See Explanatory notes for more detail.

<sup>&</sup>lt;sup>b</sup>Detailed data are estimated for intensive supervision, electronic monitoring, and bootcamps.

### **Explanatory notes by jurisdiction**

Because many States update their population counts, the January 1, 1995, numbers may differ from those previously published for December 31, 1994.

### **Federal**

The decrease in persons under supervision in 1995 resulted from a review of the parole statistical database, which identified and closed case records that had been coded incorrectly.

Entries do not include reinstatements and inactive parole cases (table 6.4).

Detailed data are not provided for Hispanic origin (table 6.6).

Of the 2,513 parolees on post-conviction home confinement, approximately 70% are electronically monitored; the remainder are monitored by other means.

### Alabama

Alabama has two reporting agencies: one State and one local.

All data are estimated.

Detailed data are not provided for exits, Hispanic origin, and sentence length. In addition the State did not provide detailed data about sex and race.

Data exclude absconders and out-of-State cases.

The State reported operating intensive supervision and electronic monitoring programs but being unable to report the number of parolees in these programs (table 6.9).

### Alaska

Data are estimated for total entries and the December 31, 1995, population.

### Arizona

"Other" entries include Arizona parolees who are supervised out of State through an interstate compact agreement.

#### **Arkansas**

All data are estimated.

Other entries include 185 parolees returned from out of State, 84 reactivated from detainer, 19 absconders in custody out of State, 481 in custody in State, and 262 transfers (table 6.4).

"Returned to incarceration — with revocation" includes parolees returned to incarceration because of technical violations; "returned to incarceration — other" includes parolees returned to incarceration with revocation because of commission of a felony; "other" exits include 153 detainers, 1 incarceration out of State, 21 out-of-State parole terminations, 2 terminated court orders, 568 absconders, and 310 absconders of parolees supervised out of State.

"Other" race includes Cuban, European, North American, Filipino, Japanese, Mexican, and Vietnamese parolees who could not be placed into any other racial group for unspecified reasons (table 6.7).

### California

California has two reporting agencies: Department of Corrections and the California Youth Authority.

Reported data do not include 17,055 absconder cases and 2,764 cases supervised out of State.

"Returned to incarceration — other" includes an unspecified number of parolees who are released because they are "returned to incarceration — with revocation;" "other" exits include 125 California Youth Authority parolees who were released from supervision with a court action pending, absent without leave at discharge, or at the end of CYA's jurisdiction (table 6.5).

"Other" races include 35,838 Hispanic parolees of unknown race (6.7).

#### Colorado

Detailed data are estimated for sex, race, and Hispanic origin.

"Other" entries include interstate compact from other States (table 6.4).

Other race includes 774 Hispanic parolees of unknown race (table 6.7).

The number of parolees in the State's intensive supervision program includes an unreported number of parolees in an electronic monitoring program (table 6.9).

#### Connecticut

"Discretionary release from prison" includes persons who entered parole through "reinstatement of parole" (table 6.4).

"Other" race includes 342 Hispanic parolees of unknown race (table 6.7).

#### Delaware

All data are estimated.

Detailed data are not provided for entries, exits, and sentence length.

### **District of Columbia**

Detailed data are not provided for Hispanic origin and sentence length.

"Other" entries include 236 parole/reparole grants (with administrative status or consecutive sentence and detainers) (table 6.4).

# Florida

The December 31, 1995, population includes all post-prison releases.

### Georgia

Detailed data are not provided for Hispanic origin (table 6.6).

Detailed data are estimated for sex, race, sentence length, "intensive supervision," and "electronic monitoring."

Because of accounting procedures and record keeping, the January 1 count, plus entries, minus exits, does not equal December 31 count (table 6.2)

### Hawaii

Detailed data are not provided for race and Hispanic origin.

"Other" supervision status includes parolees supervised by foreign agencies and parolees in institutions (table 6.3).

"Other" exits include 29 foreign and institutional exits (table 6.5).

#### Idaho

Idaho has 2 reporting agencies: the State and interstate compact agencies.

Detailed data are not provided for sentence length (table 6.8).

Data are estimated for the number of parolees in the intensive supervision and electronic monitoring programs (table 6.9).

The January 1 population is reported based on the December 31, 1994, population count (table 6.2).

"Other" race includes 90 Hispanic parolees of unknown race (table 6.7).

### Illinois

Detailed data are estimated for sex, race, and Hispanic origin.

"Other" entries include transfers from another State and unspecified others (table 6.4).

"Other" exits include transfers to Apprehension Unit and unspecified others (table 6.5).

"Other" races include 2,219 Hispanic parolees of unknown race (table 6.7).

"More than a year" is reported as "1 year or more" (table 6.8).

#### Indiana

Detailed data are not provided for sex, race, Hispanic origin, and sentence length.

"Other" exits include 249 parolees declared delinquent (table 6.5).

#### Iowa

Detailed data are not provided for sentence length (table 6.8).

"Returned to incarceration — with new sentence" includes all parolees released because their parole is revoked; "returned to incarceration - other" includes technical violators: "other" exits include terminated cases (table 6.5).

#### Kansas

Data include all post-prison supervision. The Kansas sentencing guidelines act. with its determinate sentencing structure, became effective July 1, 1993. Previously, Kansas had indeterminate sentencing. As a result, a number of entries and exits to parole (as reported) involve offenders with "guidelines" or "new law" sentences (which have determinate periods of postincarceration supervision). For this report the State is unable to differentiate movements of "old law" and "new law" offenders.

Absconders are not included in the January 1 count, December 31 count, sex, race, Hispanic origin, offense length, and supervision status. Absconders are monitored as a group separate from the regular caseload.

Detailed data are estimated for Hispanic origin (table 6.6).

"Discretionary release from prison" includes those released by the State Parole Board, releases to determinate periods of post-release supervision, and releases pursuant to the retroactive provisions of the Guidelines Act (table 6.4).

"Other" entries include 85 parolees released from pre-revocation and administrative confinement (table 6.5).

"Successful completion" includes 229 discharges and 1,245 sentence expirations; "returned to incarceration - with revocation" includes 1,577 condition violations; "returned to incarceration - other" includes 40 administrative holdings and 87 pre-revocation confinements; "other" exits include 167 absconders who were not returned to jail or prison, 106 cases closed by warrants issued, and 168 cases involving out-of-State offenders (table 6.6).

"More than a year" includes a small number of cases with a sentence of "a year or less" (table 6.8).

# Kentucky

Detailed data are not provided for sex, race, and Hispanic origin.

### Louisiana

Detailed data are not provided for Hispanic origin (table 6.6).

"Other" exits include 132 unsatisfactory releases and 16 released by error (table 6.5).

"Other" race includes parolees of an unspecified race and an unknown number of Latinos (table 6.7).

### Maine

Maine abolished parole in 1976. The data reported represents offenders convicted prior to 1976.

The data exclude absconders.

### Maryland

Detailed data are not provided for Hispanic origin (table 6.6).

"Other" supervision status include delinquents in custody (table 6.3).

"Other" exits include unsatisfactory exits (table 6.5).

### Massachusetts

Detailed data are estimated for January 1 and December 31, 1995, population counts (table 6.2).

"Other" race includes 859 Hispanic parolees of unknown race (table 6.7).

# Michigan

Because of improvements in case-tracking procedures, these data are not comparable to data of previous years.

### Minnesota

"Other" entries include persons released to intensive community supervision programs (table 6.4).

"Other" race includes 96 Hispanic parolees of unknown race and an unspecified number of Asians (table 6.7).

# Mississippi

Data do not include 907 inactive cases.

Detailed data are not provided for Hispanic origin and sentence length.

Detailed data are estimated for race (table 6.7).

"Other" entries include 1 case from an "information lag" (table 6.4).

"Returned to incarceration — with new sentence" includes an unspecified number of parolees released because they are "returned to incarceration — with revocation" (table 6.5).

#### Missouri

All data are estimated.

Detailed data are not provided for Hispanic origin (table 6.6).

#### Montana

Detailed data are not provided for exits (table 6.5).

#### Nevada

All data are estimated.

"Returned to incarceration — with revocation" includes an unspecified number of parolees released because they are "returned to incarceration — with new sentence" (table 6.5).

# **New Hampshire**

Detailed data are estimated for sex, race, and Hispanic origin.

# **New Jersey**

"Other" exits include 25 recalls (table 6.5).

# **New Mexico**

Data do not include 241 absconders or out-of-State cases.

Detailed data are estimated for sex, race, and Hispanic origin.

"Other" exits include 105 unsatisfactory discharges and 8 special action cases (table 6.5).

"Other" race includes an unspecified number of Asians and people from the Middle East (table 6.7).

Intensive supervision and electronic monitoring cases include Community Corrections cases (table 6.9).

### **New York**

Under legislation enacted during 1995, certain non-violent offenders may be

sentenced to parole supervision and mandated to participate in a secure, 90-day drug treatment program prior to their community supervision; "other" entries include 109 of these cases (table 6.4).

"Other" exits include 163 board action cases and 18 court-ordered exits (table 6.5).

"Other" race includes 18,852 Hispanic parolees of unknown race (table 6.7).

All newly released inmates are supervised on an intensive supervision program (in caseloads of 1 to 40) for the first 12 months after release (table 6.9).

#### **North Carolina**

Detailed data are not provided for Hispanic origin (table 6.6).

Detailed data are estimated for supervision status (table 6.3).

"Discretionary release from prison" includes an unknown number of parolees who entered parole by "mandatory release from prison" or "reinstatement of parole;" "other" entries include an adjustment residual of 356 (table 6.4).

"Returned to incarceration — with revocation" includes an unknown number of parolees who are "returned to incarceration — with new sentence" (table 6.5).

"Other" race includes parolees of an unknown or unspecified race (table 6.7).

# Ohio

Data are not comparable to 1994 parole data because 1994 data included compact cases supervised for another State.

Detailed data are estimated for sex, race, and Hispanic origin.

"Other" entries include parolees placed out of State (table 6.4).

"Other" exits include parolees released to inactive (table 6.5).

"Other" races include 129 Hispanic parolees of unknown race (table 6.7).

### Oklahoma

"Other" race includes 96 Hispanic parolees of unknown race (table 6.7).

### Oregon

"Other" exits include discharged absconders and unspecified exits (table 6.5).

"Other" races include 1,786 Hispanic parolees of unknown race (table 6.7).

Intensive supervision program and electronic monitoring counts include both probationers and parolees (table 6.9).

# Pennsylvania
