Re: New Bank Charter - Professional National Bank of Nevada (Proposed)
Las Vegas, Nevada, Control Number: 1999-WE-01-008

Dear Mr. Chen:

The Comptroller of the Currency (OCC) has reviewed your application to establish a new national bank with the title of Professional National Bank of Nevada. Today, after a thorough evaluation of all data available to the OCC, we found that your proposal met the requirements for preliminary approval. The bank also may offer credit life, health, and accident insurance in accordance with 12 CFR 2.

This approval is subject to the condition that the bank shall provide Assistant Deputy Comptroller Rick Schobert at the Phoenix Field Office at least thirty (30) days prior notice of any significant deviations or changes from the proposed operating plan during the first three years of operation. This condition is enforceable under 12 USC §1818. The Phoenix Field Office address is 9633 S. 48th Street, Suite 265, Phoenix, Arizona 85044, and its phone number is (480) 893-1339.

The bank proposes to raise \$7,500,000 in capital prior to commencing operations. You are reminded that, pursuant to 12 CFR § 5.20(I)(5)(iii), this preliminary approval expires if the bank does not raise the capital funds within 12 months from the date of this letter. The preliminary approval also will expire if the bank has not commenced business within 18 months from the date of this letter.

This approval is granted based on a thorough review of all information available, including the representations and commitments made in the application and by the proposed bank's representatives. We also made our decision to grant preliminary approval with the understanding that the proposed national bank will apply for membership in the Federal Reserve System and obtain FDIC insurance.

Professional National Bank of Nevada (Proposed)

Control Number: 1999-WE-01-008

Please refer to the "Corporate Organization" booklet (enclosed) in the Comptroller's Corporate Manual for the instructions on organizing your bank. The booklet contains all of the steps you must take to receive your charter. As detailed in the booklet, you may establish the corporate existence of and begin organizing the bank as soon as you adopt and forward acceptable Articles of Association and the Organization Certificate to this office. As a "body corporate" or legal entity, you may begin taking those steps necessary for obtaining final approval, but you may not begin the business of banking until you fulfill all requirements for a bank in organization and you are granted final approval by the OCC.

Enclosed are standard requirements that must be met before the bank will be allowed to commence business. Management must ensure that the applicable policies and procedures are established and adopted by the board of directors before the bank begins operation. Applicable standard requirements also must be satisfied before the bank will be allowed to commence business.

The OCC poses no objection to Henry Herng Jen Chen serving as President, Chief Executive Officer and Director. The OCC also poses no objection to the following individuals serving as Directors as proposed in the application:

Ferril Barney,	Jonathon Graff,	Lisa Marie Oaks,
David A. Cote,	Michael Greenwood,	Lena Perretta,
Sandra Crowder,	Irene Hammer,	Oletha Rizer, and
Fannie Curro,	Leonard Morgan,	Donald Wicker, M.D.
Mae Fafaleos,	Frank Mundo, Jr.,	

We have not yet completed our background investigation on Brenda Peterson. When we complete our investigation, we will inform you of our decision under separate cover.

Additional executive officers and directors are subject to the OCC's prior review and clearance. You are also reminded that for a period of two years after the bank has opened for business, the OCC must review and have no objection to any new executive officer or director prior to that person assuming such position.

The OCC will send to you under separate cover an appropriate set of OCC handbooks, manuals, issuances, and selected other publications.

A separate letter is enclosed requesting your feedback on how we handled your application. We would appreciate your response so we may improve our service.
