§ 360.300 General prohibitions and restrictions on the movement of noxious weeds; permits.

(1) He or she obtains a permit for such movement in accordance with paragraphs (b) through (e) of this section; and

(c) All such permits issued shall contain in written form in the permit any conditions (other than those conditions specified in this part) under which the permit is to be granted, e.g. conditions with respect to shipment, storage, and destruction.

(d) If the permit is denied, the applicant shall be furnished the reasons therefor.
