Attachment – Recurring Update Notification

Pub. 100-04	Transmittal: 202	Date: June 10, 2004	Change Request 3338
-------------	------------------	---------------------	---------------------

NOTE: This notification replaces transmittal 182, dated May 17, 2004.

SUBJECT: Revised Updated SNF NO PAY File for July 2004

I. GENERAL INFORMATION

A. Background:

As part of its support of SNF consolidated billing and SNF PPS, CMS has provided FI shared systems (SSs) with a SNF NO PAY File. This file, initially released November 1, 2002 for April 1, 2003 implementation, contains HCPCS codes that cannot be paid to a SNF. The effective date of the SNF NO PAY File is April 1, 2003. CMS also provides a SNF Abstract of the Medicare Physician Fee Schedule to FIs to facilitate their pricing of Part B services billed by SNFs. Fee schedule updates are always effective January 1 of the applicable calendar year.

Policy:

B. Policy:

As part of the implementing legislation for SNF PPS, the Balanced Budget Act of 1997 requires that all Part B services provided to SNF residents be paid on any existing fee schedule. Additionally, there are certain services that should not be paid to SNFs. The HCPCS codes for these services are provided to FIs annually, with quarterly updates as necessary.

C. Provider Education:

A provider education article related to this instruction will be available at www.cms.hhs.gov/medlearn/matters shortly after the CR is released. You will receive notification of the article release via the established "medlearn matters" listserv. Contractors shall post this article, or a direct link to this article, on their website and include information about it in a listserv message within one week of the availability of the provider education article. In addition, the provider education article must be included in your next regularly scheduled bulletin.
