We have amended the Defense Federal Acquisition Regulation Supplement (DFARS) to replace DFARS Subpart 235.70 in its entirety to implement streamlined solicitation and contracting procedures for research and development acquisitions. These procedures use a standard solicitation and contract format, and use the World Wide Web both to disseminate the standard format and to publish the resulting solicitations.

The attached interim DFARS rule is effective immediately and will be included in a future Defense Acquisition Circular.

(b) Do not use the procedures in this subpart for—

(1) Contracts to be performed outside the United States and Puerto Rico;
