

# Equal Opportunity: *IT'S THE LAW!*

It's against the law for recipients of DOE Federal financial assistance (such as state and local governments, universities, non-profit and private organizations) to discriminate on the basis of:

- race
- color
- national origin
- disability
- age
- sex or religion (most cases)
- retaliation/reprisal for having previously filed a complaint

To receive more information - or to report discrimination under any program or activity funded by the Department of Energy - contact:
