More Information

Q: Do I really get Juno Web for ONLY \$9.95 per month?

A: Yes. As a Juno member in good standing you're important to us. That's why we're offering you this special **LOW** price when you sign up for Juno Web.

OK

More Information

Q: What do I get with Juno Web that I don't get with my free basic service?

A: Our premium service gives you quality and reliability above and beyond our free basic service. You get access to thousands of dial-up numbers nationwide to help you avoid busy signals. Additionally, because Juno Web doesn't include the Juno Guide, you'll see fewer advertisements while you're online. Best of all, Juno Web doesn't have the same constraints that may be associated with your free service. You can get online whenever you want to!

OK

More Information

Q: don't have time for busy signals. How does Juno Web help me avoid them?

A: With Juno Web, you'll have priority access to thousands of dial-up numbers. Juno Web helps you avoid unwanted busy signals when you need to get online, and gives you more reliable connections.

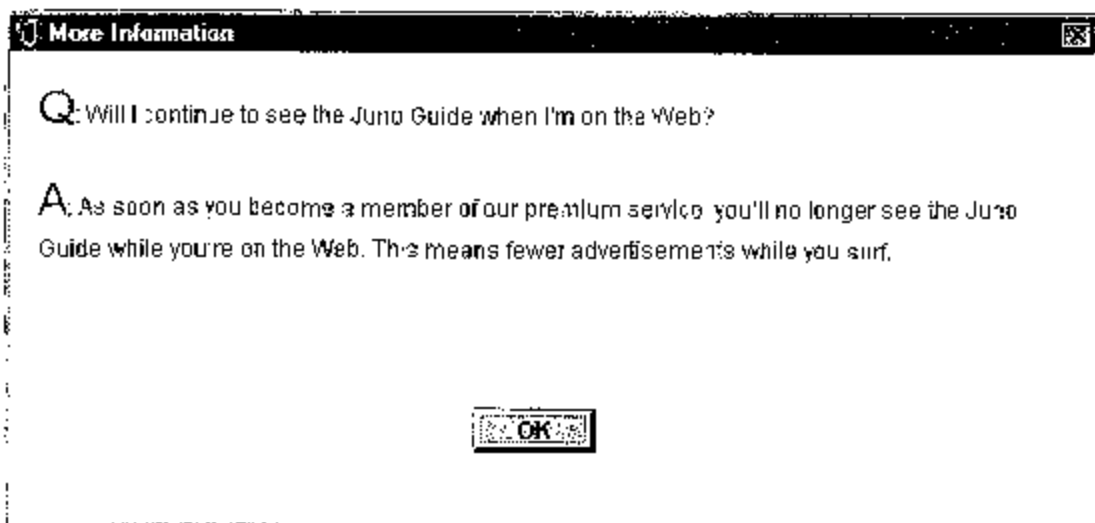

OK

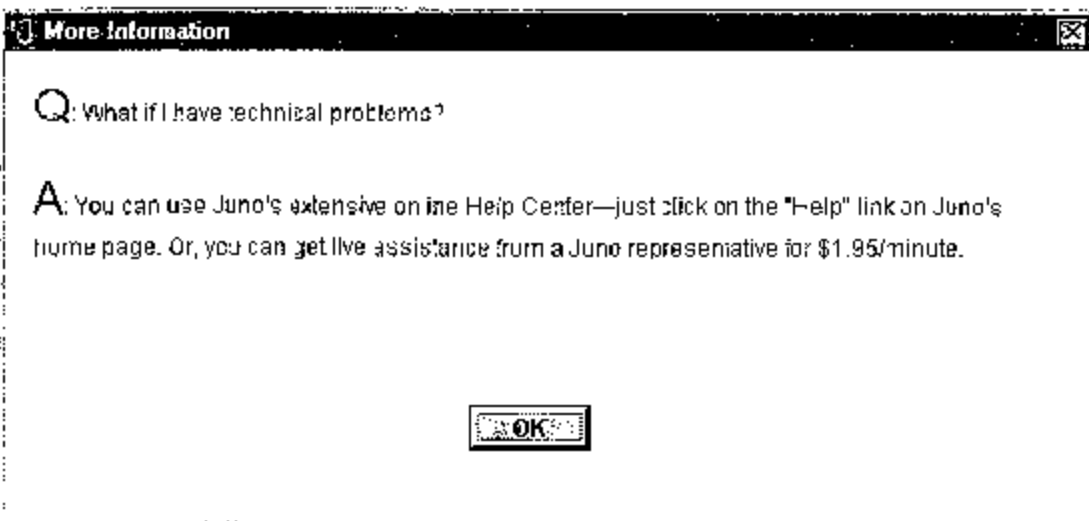

More Information

Q: Will signing up for Juno Web affect my e-mail address? Will I have to change how I use Juno?

A: When you sign up for Juno's premium service, you'll keep the same e-mail address you currently use and it will work exactly the way it works now—you don't have to change a thing.

OK

More Information

Q: Why should I choose Juno Web over the competition?

A: Juno Web gives you high-quality, easy-to-use Internet service, at an incredible price! With this special offer, Juno costs significantly less than what our major competitors charge, and gives you great online features. Try Juno Web, and see why it's the right choice.

OK

More Information

Q: Do the additional access numbers have a 56K connection capability?

A: Over 99% of Juno's access numbers allow you to connect at speeds up to 56K, and most support the V.90 standard.

OK

J More Information 

Q: I'm happy with my free service. Why should I try Juno Web?

A: Now's the perfect time to try premium Internet access. You can get Juno Web for the LOW price of just \$9.95/month. Best of all, Juno Web doesn't have the same constraints that may be associated with your free service. You can get online whenever you want to! Try it and see the difference for yourself.

 More Information

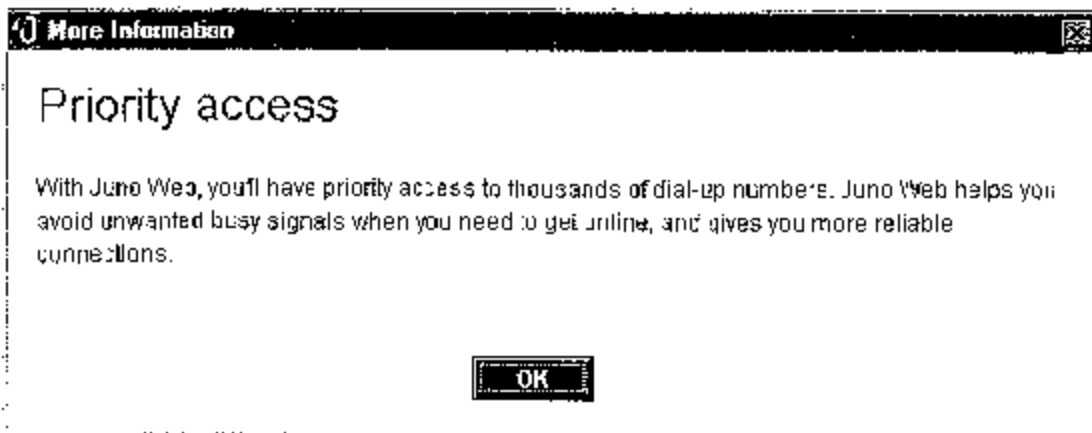

33

A great bargain!

Juno now offers you premium service for only \$9.95/month. If you've thought about trying Juno Web, why not take advantage of this special low rate?

 **More Information** 

Greater quality and reliability

Our premium service gives you quality and reliability above and beyond our free basic service. You get priority access to thousands of dial-up numbers nationwide to help you avoid busy signals. In addition, since Juno Web doesn't include the Juno Guide, you'll see fewer advertisements while you're online.

System Requirements

Software: Windows 8.1, Windows 8, Windows 7, Windows Vista, Windows XP (32-bit)
Hardware: 1GB RAM (2GB recommended), 100MB free space, Internet connection
Additional requirements: Administrator rights, valid email address, valid phone number

Terms and Conditions

Juno's Internet services are intended for the personal use of individual Juno members (and members of their immediate households), and not for corporate or commercial use, or for use by organizations or other groups of users. Juno's services are not available outside of the United States and Canada or any other location Juno may authorize. Connections exceeding 10 hours in length are prohibited, as are simultaneous connections by two or more computers through a single Juno account. Local telephone charges may apply. See Juno's Service Agreement for additional terms and conditions.

If you have been a Juno premium services member in the past 30 days, please call Customer Service toll free at 1 (888) 729-7660 to reactivate your account. You will not be able to do so by responding to this advertisement. Members who have cancelled Juno premium accounts in the past may not be eligible for this or other promotional offers.

More Information

Please note that you will continue to be responsible for all charges incurred on your telephone bill. You may incur such charges depending on the numbers you choose, your location, and your calling plan. For a list of access numbers and their locations, call 1 (800) 596-8889 or visit <http://help.juno.com> to find out whether you will incur any charges, and, if so, the amounts of such charges. Please contact your local telephone company.

OK

Juno Web: Congratulations!

Congratulations!

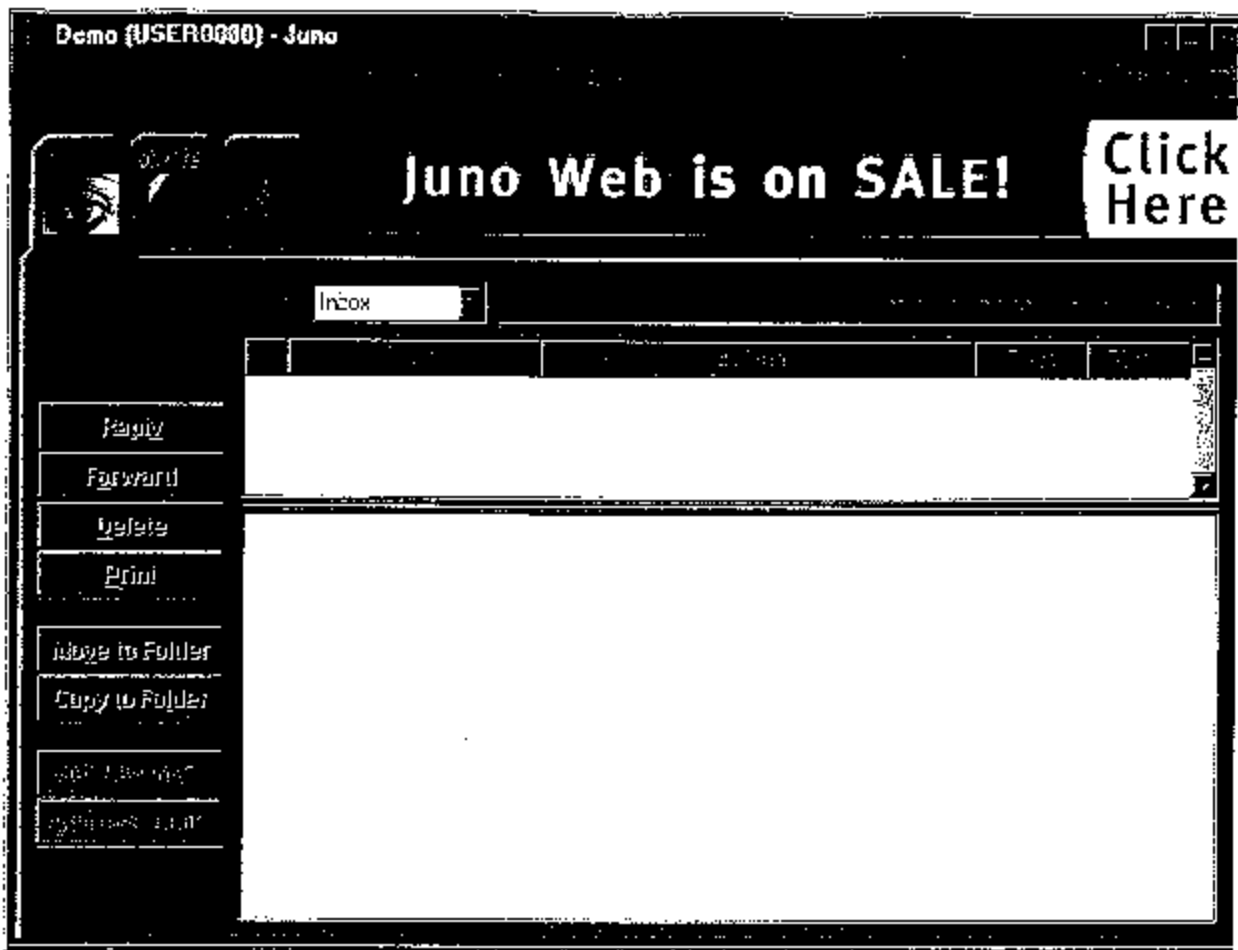

Welcome Juno Web Member!

Thank you for choosing to subscribe to Juno Web, our premium Internet service! Your Juno Web subscription will be activated as soon as your order has been processed. We'll then begin charging you the LOW rate of \$9.95 per month.

In order to begin using our Juno Web service, please check your e-mail (by clicking on the "Get New Mail" button) so we can register you as a member. This activation process is usually immediate, but you may have to wait up to two hours before you can begin fully using Juno Web. Once registered, you'll have more access numbers to choose from, and the floating advertising banner will disappear.

We look forward to serving you!

Terms and Conditions

Juno Web gives you:

- **A great bargain**
- **Priority access**
- **Less advertising**
- **Greater quality and reliability**

More Information

Q: Do I really get Juno Web for ONLY \$9.95 per month?

A: Yes. As a Juno member in good standing, you're important to us. That's why we're offering you this special LCW price when you sign up for Juno Web.

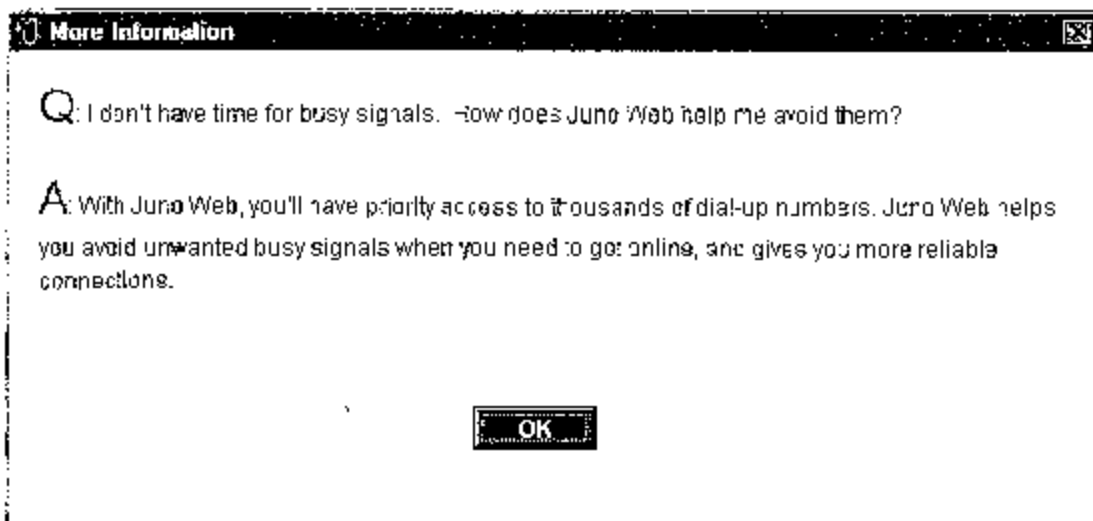

OK

More Information:

Q: What do I get with Juno Web that I don't get with my free basic service?

A: Our premium service gives you quality and reliability above and beyond our free basic service. You get access to thousands of dial-up numbers nationwide to help you avoid busy signals. Additionally, because Juno Web doesn't include the Juno Guide, you'll see fewer advertisements while you're online. Best of all, with Juno Web you won't have constraints on your service. You can get online whenever you want to!

OK

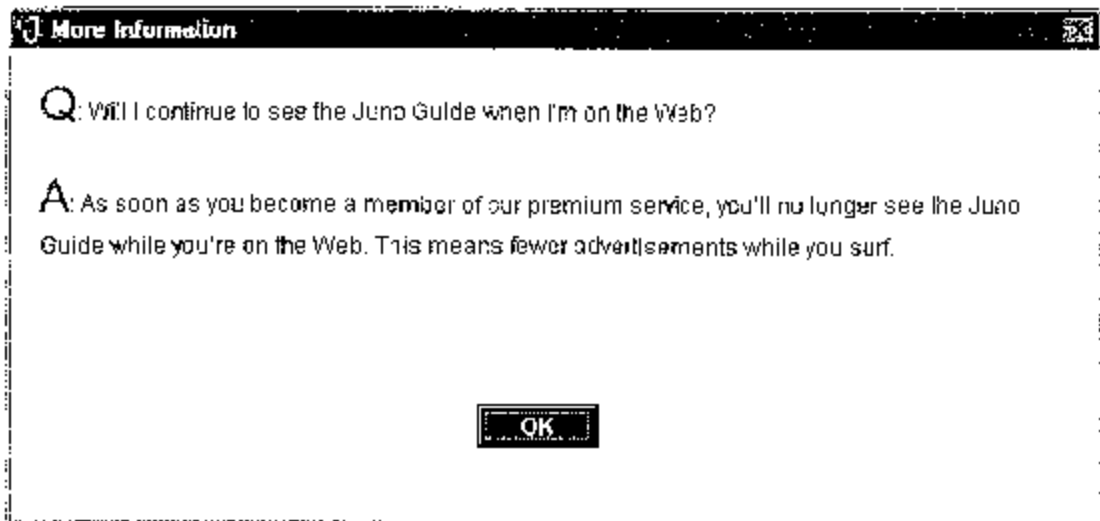

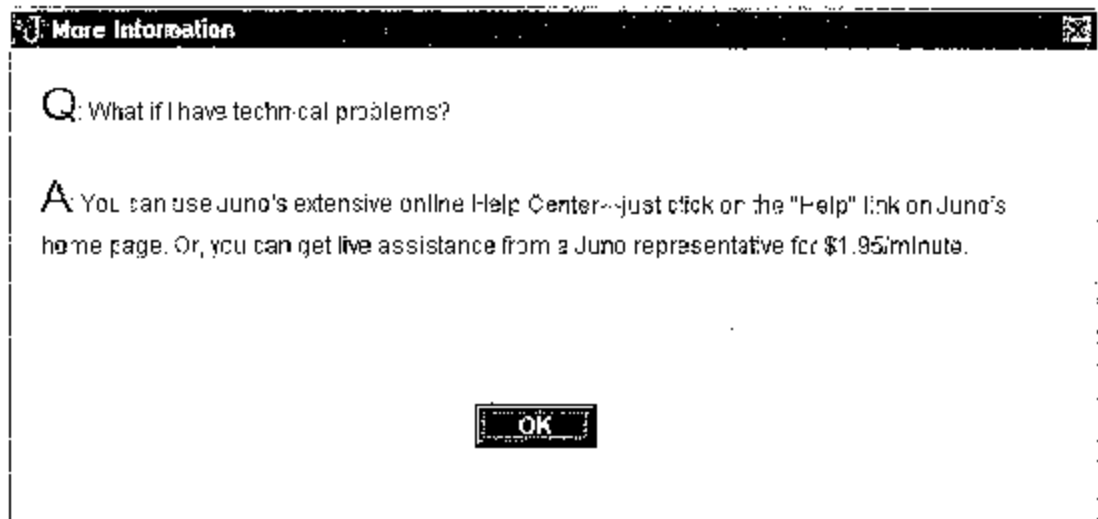

More Information

Q: Will signing up for Juno Web affect my e-mail address? Will I have to change how I use Juno?

A: When you sign up for Juno's premium service, you'll keep the same e-mail address you currently use, and it will work exactly the way it works now—you don't have to change a thing.

OK

More Information

Q: Why should I choose Juno Web over the competition?

A: Juno Web gives you high-quality, easy-to-use Internet service, at an incredible price! With this special offer, Juno costs significantly less than what our major competitors charge, and gives you great online features. Try Juno Web, and see why it's the right choice.

OK

More Information

Q: Do the additional access numbers have a 56K connection capability?

A: Over 99% of Juno's access numbers allow you to connect at speeds up to 56K, and most support the V.90 standard

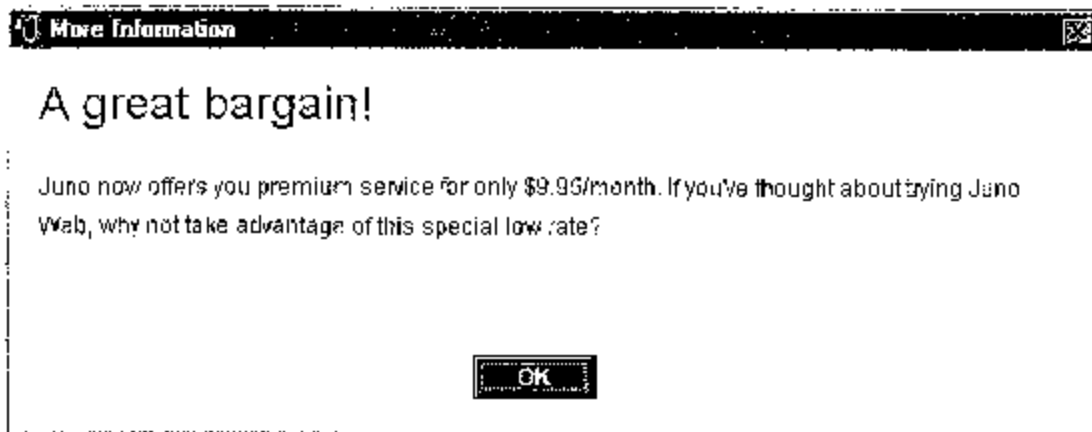

OK

More Information

Q: I'm happy with my free service. Why should I try Juno Web?

A: Now's the perfect time to try premium Internet access. You can get Juno Web for the LOW price of just \$9.95/month. Best of all with Juno Web you won't have constraints on your service. You can get online whenever you want to! Try it and see the difference for yourself.

OK

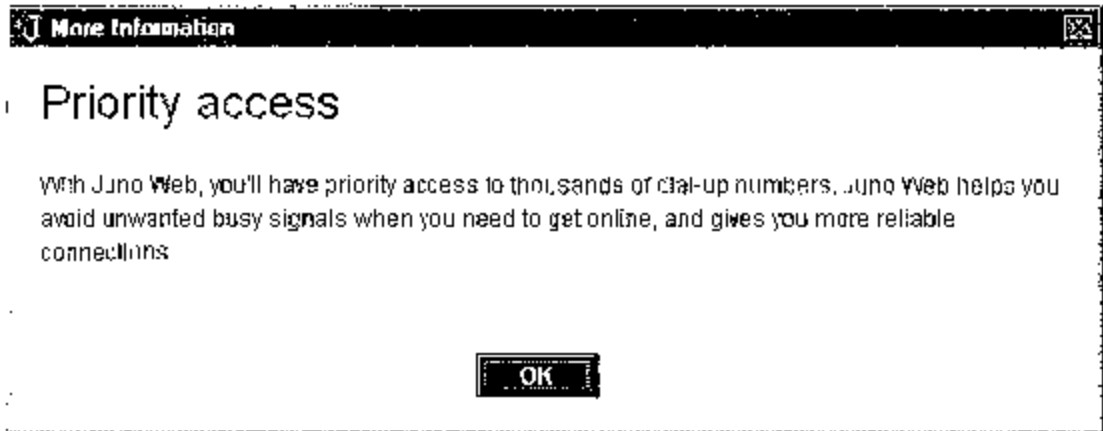

More Information

Less advertising

As soon as you become a member of Juno's premium Internet service, you'll no longer see the Juno Guide while you're on the Web. This means fewer advertisements while you surf!

OK

 More Information 

Greater quality and reliability

Our premium service gives you quality and reliability above and beyond our free basic service. You get priority access to thousands of dial-up numbers nationwide to help you avoid busy signals. In addition, since Juno Web doesn't include the Juno Guide, you'll see fewer advertisements while you're online.

 OK

J Terms and Conditions

Juno's Internet services are intended for the personal use of individual Juno members (and members of their immediate households) and not for corporate or commercial use, or for use by organizations or other groups of users. Juno's services are not available outside of the United States and Canada or any other location Juno may authorize. Connections exceeding 10 hours in length are prohibited, as are simultaneous connections by two or more computers through a single Juno account. Local telephone charges may apply. See Juno's Service Agreement for additional terms and conditions.

If you have been a Juno premium services member in the past 30 days, please call Customer Service toll free at (800) 829-5466 to reactivate your account. You will not be able to do so by responding to this advertisement. Members who have cancelled Juno premium accounts in the past may not be eligible for this or other promotional offers.

Yes! I want premium Internet access from Juno at an incredible price!

Juno Web: Congratulations! 

Welcome Juno Web Member!

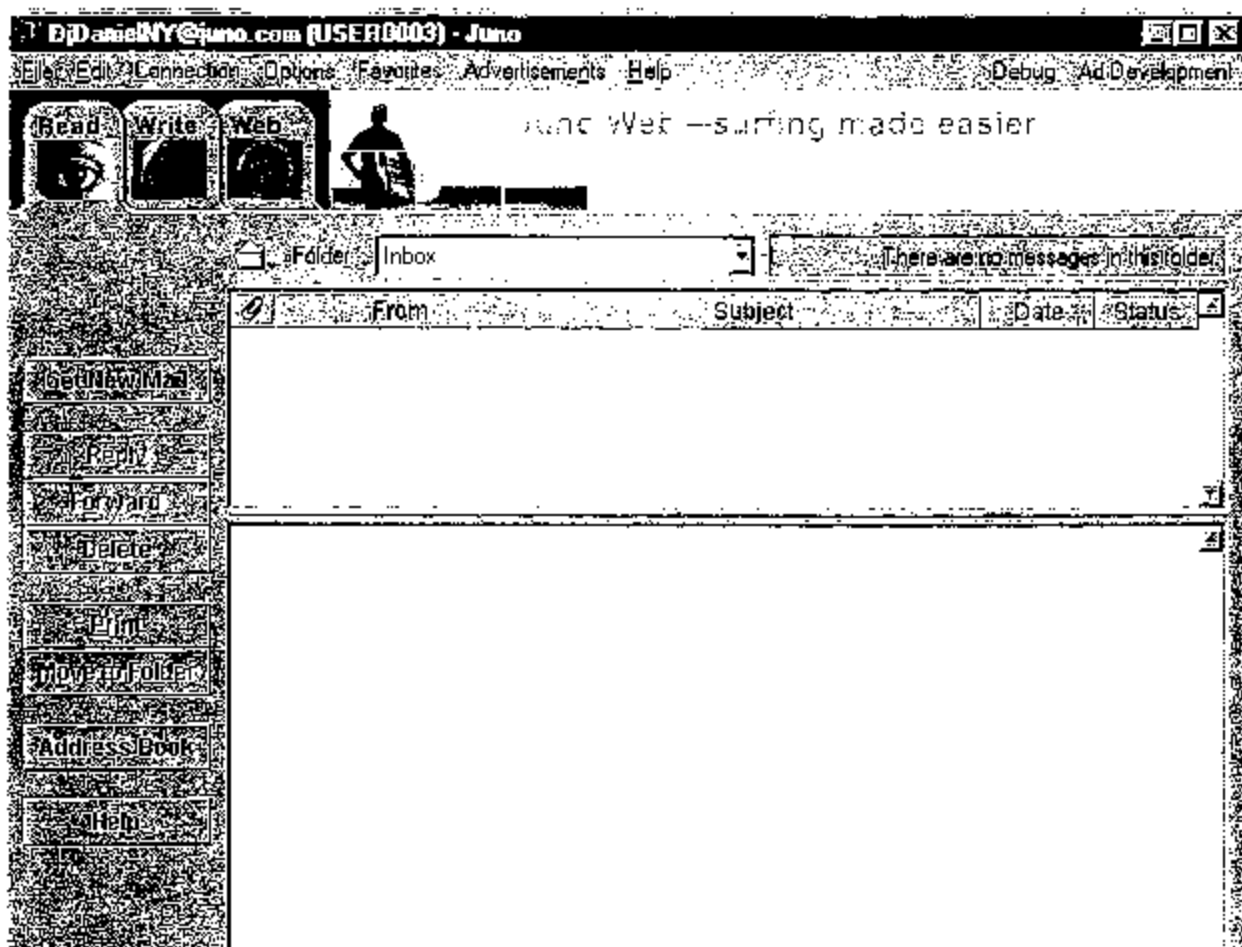

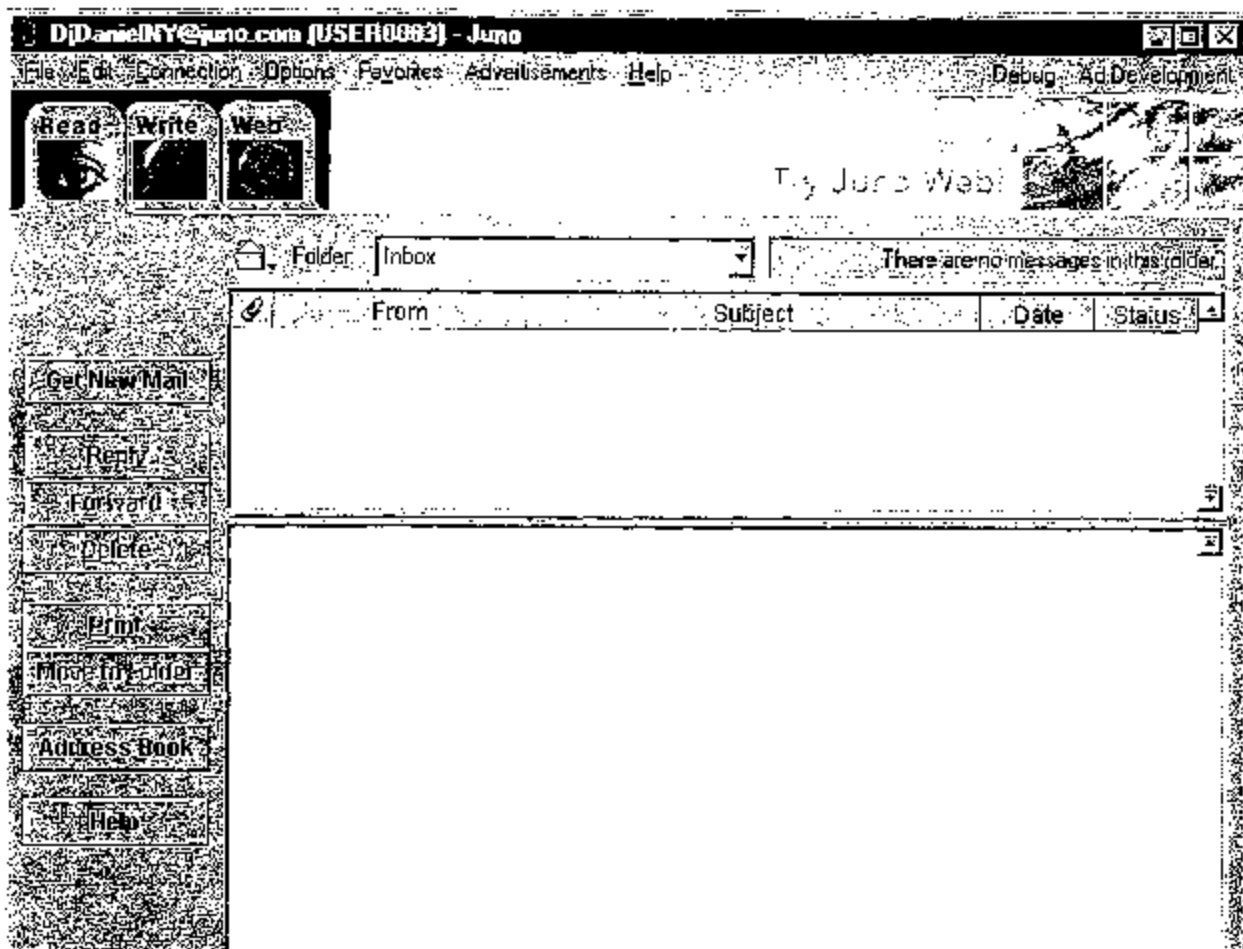

Thank you for choosing to subscribe to Juno Web, our premium Internet service!

Your Juno Web subscription will be activated as soon as your order has been processed. We'll begin charging you the rate of \$14.95 per month once your free trial has ended.

In order to begin using our Juno Web service, please check your e-mail (by clicking on the "Get New Mail" button) so we can register you as a member. This activation process is usually immediate, but you may have to wait up to two hours before you can begin fully using Juno Web. Once registered, you'll have more access numbers to choose from, and the floating advertising banner will disappear.
