**Get Juno Web now!**

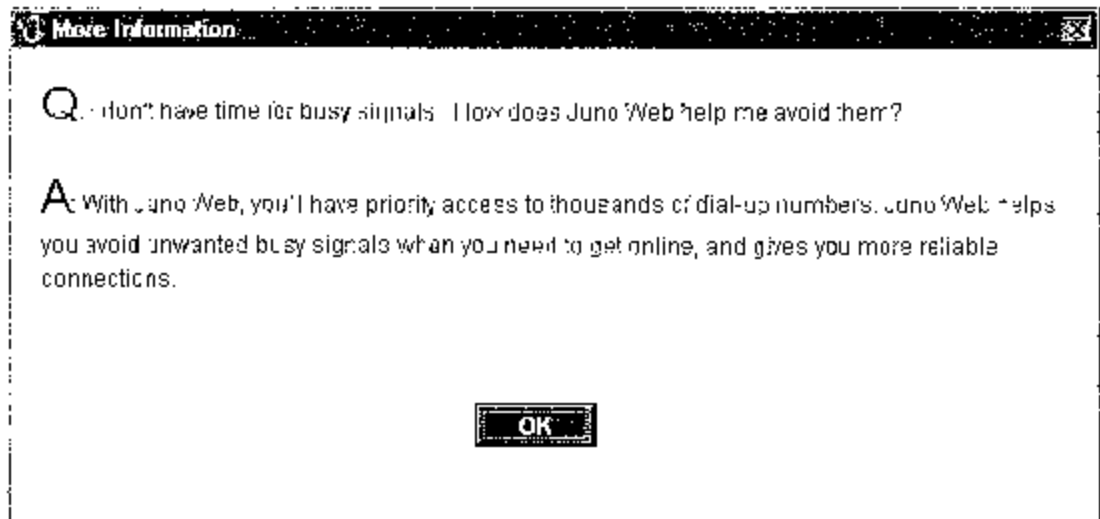

**More Information** 

**Q:** What do I get with Juno Web that I don't get with my free basic service?

**A:** Our premium service gives you quality and reliability above and beyond our free basic service. You get access to thousands of dial-up numbers nationwide to help you avoid busy signals. Additionally, because Juno Web doesn't include the Juno Guide, you'll see fewer advertisements while you're online. Best of all, with Juno Web you won't have constraints on your service. You can get online whenever you want to!

**OK**

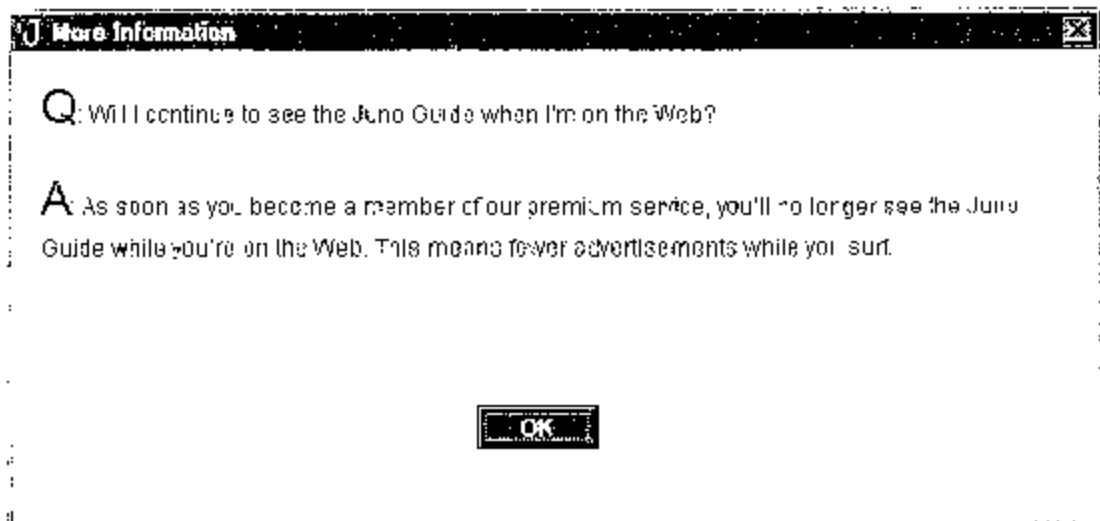

**More Information**

**Q:** Will signing up for Juno Web affect my e-mail address? Will I have to change how I use Juno?

**A:** When you sign up for Juno's premium service, you'll keep the same e-mail address you currently use, and it will work exactly the way it works now—you don't have to change a thing.

**OK**

**More Information**

**Q:** What if I have technical problems?

**A:** You can use Juno's extensive online Help Center - just click on the "Help" link on Juno's home page. Or, you can get live assistance from a Juno representative for \$1.95/minute.

**OK**

**More Information** 

**Q:** Why should I choose Juno Web over the competition?

**A:** Juno Web gives you high-quality, easy-to-use Internet service, at an incredible price. With this special offer, Juno costs significantly less than what our major competitors charge, and gives you great online features. Try Juno Web, and see why it's the right choice.

**OK**

**More Information**

**Q:** Do the additional access numbers have a 53K connection capability?

**A:** Over 99% of Luno's access numbers allow you to connect at speeds up to 56K, and most support the V.90 standard.

**OK**

**More Information** 

**Q:** I'm happy with my free service. Why should I try Juno Web?

**A:** Now's the perfect time to try premium Internet access. You can get Juno Web for the LOW price of just \$0.95/month. Best of all, with Juno Web you won't have constraints on your service. You can get online whenever you want to! Try it and see the difference for yourself.

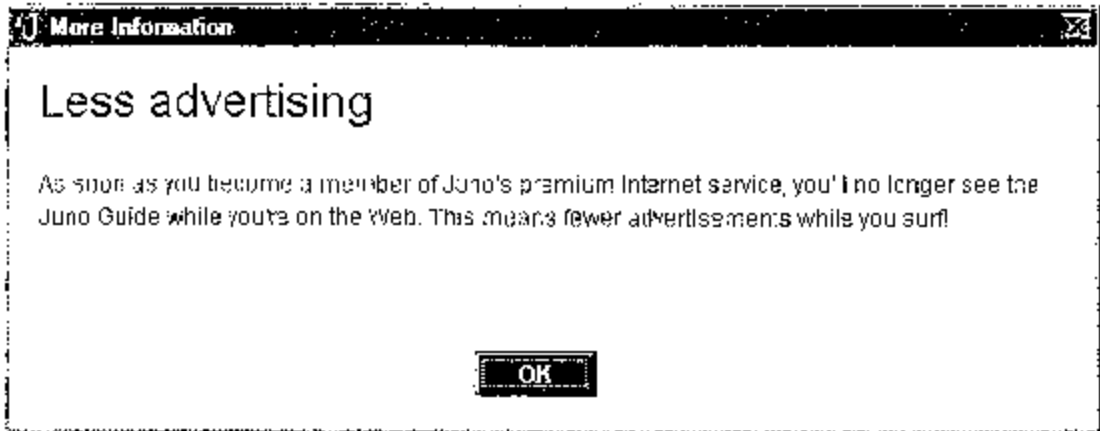

**OK** 

 **More Information** 

## A great bargain!

Juno now offers you premium service for only \$9.95/month. If you've thought about trying Juno Web, why not take advantage of this special low rate?

**More Information**

## Priority access

With Juno Web, you'll have priority access to thousands of dial-up numbers. Juno Web helps you avoid unwanted busy signals when you need to get online, and gives you more reliable connections.

**OK**

**More Information**

## Greater quality and reliability

Our premium service gives you quality and reliability above and beyond our free basic service. You get priority access to thousands of dial-up numbers nationwide to help you avoid busy signals. In addition, since Juno Web doesn't include the Juno Guide, you'll see fewer advertisements while you're online.

**OK**

**System Requirements**

Operating System: Windows 10 (64-bit) or Windows 11 (64-bit)  
Processor: Intel Core i5 or AMD Ryzen 5 (minimum)  
Memory: 8 GB RAM (minimum)  
Storage: 100 GB free space (minimum)

**Terms and Conditions**

Juno's Internet services are intended for the personal use of individual Juno members (and members of their immediate households), and not for corporate or commercial use, or for use by organizations or other groups of users. Juno's services are not available outside of the United States and Canada or any other location Juno may authorize. Connections exceeding 10 hours in length are prohibited, as are simultaneous connections by two or more computers through a single Juno account. Local telephone charges may apply. See Juno's Service Agreement for additional terms and conditions.

If you have been a Juno premium services member in the past 30 days, please call Customer Service toll free at 1 (888) 825-5866 to reactivate your account. You will not be able to do so by responding to this advertisement. Members who have cancelled Juno premium accounts in the past may not be eligible for this or other promotional offers.

### System Requirements

Juno Web requires Windows 2000, Windows Millennium, Windows 95, or Windows NT 4.0 Service Pack 3. Windows Dial-Up Networking software (DUN/RAS) must be installed on the computer where you use Juno Web. If you don't have this software installed, Juno will ask you to install it from your Windows CD-ROM or disks.

**Terms and Conditions** [X]

Juno Web is a personal Internet service. Juno Web is intended for the personal use of individual Juno members (and members of their immediate households), and not for corporate or commercial use, or for use by organizations or other groups of users. Juno Web service is not available outside of the United States and Canada or any other location Juno may authorize. Local telephone charges may apply. See Juno's Service Agreement for additional terms and conditions.

If you've been a Juno premium services member in the past 30 days, please call Customer Service toll-free at 1 (888) 829-JUNO (1-888-829-5866) to reactivate your account. You will not be able to do so by responding to this advertisement. Members who have cancelled Juno Web or other premium accounts in the past may not be eligible for this or other promotional offers.

**More Information**

Please note that you will continue to be responsible for all charges incurred on your telephone bill. You may incur such charges depending on the numbers you choose, your location, and your calling plan. For a list of access numbers and their locations, call 1-(800) 586-6889 or visit <http://help.juno.com>. To find out whether you will incur any charges, and, if so, the amounts of such charges, please contact your local telephone company.
