**Re: Advisory Committee on Online Access and Security –
Nomination, P004807**

Dear Mr. Clark:

On behalf of DoubleClick, Inc., the industry's leading global Internet advertising solutions company, I nominate Josh Isay to serve on the Federal Trade Commission's Advisory Committee on Online Access and Security ("Advisory Committee"). Mr. Isay is DoubleClick's Director of Public Policy and Government Affairs.

Mr. Isay, on behalf of DoubleClick, would be of invaluable assistance to the Advisory Committee. His participation would help promote a balance of viewpoints, which the FTC sought in its December 16, 1999 Federal Register notice. As a representative of one of the leading companies in an industry impacted directly by the Advisory Committee's work, he is ideally suited to make a meaningful contribution to the Committee's consideration of online access and security issues particularly with respect to the topic of "enhancements to personal information," which the Commission identified as a priority. Mr. Isay's knowledge of the industry and technology coupled with his ability to articulate its position as well as work with others in a spirit of cooperative dialogue and consensus-building would be a valuable asset to the Committee.

I encourage you to appoint Josh Isay to serve on the FTC Advisory Committee. Please feel free to contact me if you have further questions.

Sincerely,

Christine Varney
