

Chronological List of Publications
from the 1995 National Survey of Family Growth (NSFG)
Updated March 5, 2004

NOTE: NSFG data are used in numerous newspaper, magazine, and newsletter articles, and government reports such as the annual NCHS publication, Health: United States, and the Healthy People 2010 Objectives on Family Planning. This list does not include those sources. It only includes reports, and articles in scientific journals, that primarily report the results of the survey, or use NSFG data to test hypotheses. For more information on the NSFG, see: <http://www.cdc.gov/nchs/nsfg.htm>
