Title: Acting Director

SUMMARY OF CHANGES. This Change Notice supersedes and replaces **Table 7, State Bond Forfeiture Activity**. The change provides a more accurate picture of bond forfeiture activity underway in the State or actions taken by the regulatory authority to reclaim sites for which bond forfeiture funds have been received. (The previous table did not clearly separate bond forfeiture actions that have been initiated, but which are still in the appeal process from those where funds are available to the regulatory authority.) Also, it provides the reader of the report with a better idea of the regulatory authority's actions to complete bond forfeiture reclamation in a timely manner. Further, the revised table includes actions by sureties, financial institutions or others to reclaim forfeited sites.

Table 7 State Bond Forfeiture Activity

Bond Forfeiture Reclamation Activity by the SRA

● “Sites with bonds forfeited and collected ” include:

- sites where bond forfeiture proceedings have been finalized and forfeiture funds collected.
- sites with forfeited and collected bonds only for those not fully reclaimed as of the reported date.

It does not include data on sites where a surety or other party has agreed to do reclamation in lieu of forfeiture. Those sites are identified under the next section of Table 7.

● “Sites with bonds forfeited and collected that are unreclaimed” at the end of the current evaluation year (Row 5) is the summary of the Row 1, plus Row 2, minus Row 3, and minus Row 4.

● “Sites with forfeited but uncollected bonds” include:

- sites where bond forfeiture proceedings have been completed. This is when a State considers the bonds for the site to be forfeited. This typically would be when the appeal period has expired and/or a collection notice or order has been sent.

Surety/Other Reclamation (in Lieu of Forfeiture)

● “Sites reclaimed by surety/other party” includes those sites where the surety or other party completed reclamation in lieu of forfeiture and the site had Phase III bond release granted by the State within the specified evaluation year.

● “Sites being reclaimed by surety/other party” at the end of the current evaluation year (Row 5) is the summary of the Row 1, plus Row 2, minus Row 3, and minus Row 4.
