Docket No. 9314

PUBLIC RECORD

Joint Motion to Revise the Scheduling Order

As Your Honor is aware, Complaint Counsel and Counsel for the Respondents

we have filed a number of motions over the last three weeks seeking Your Honor's permission to postpone the date for completing expert depositions and extending the deadline for exchanging final proposed witness lists and exhibit lists. In filing these motions, however, we overlooked the Scheduling Order's requirement (set for June 21, 2004), to provide notice to the opposing party and non-parties of the intent to offer into evidence at the hearing confidential materials of an opposing party or non-party. Consequently, we are now requesting Your Honor's permission to move this notice requirement from June 21 to July 5, and to move the corresponding

deadline for filing motions for *in camera* treatment of proposed trial exhibits from July 6 to July 19.

Additionally, in an abundance of caution

we also are requesting that Your Honor move the date for completing expert depositions from June 28 until July 2.

We are not seeking the postponement of any other events set forth in the First Revised Scheduling Order, and we are not requesting these revisions to the Scheduling Order for purposes of delaying the trial.

For the foregoing reasons, Complaint Counsel and Counsel for the Respondents respectfully request that Your Honor grant this motion and revise the Scheduling Order accordingly.

Respectfully submitted,

Markus H. Meier
