Publications Order Form – Fall 2003

Publications in this catalog are available for viewing, printing, and downloading from our Web site. The following titles were published by the Southern Research Station and are available in hard copy by mailing in this order form. You may request more than one title per order form, up to two copies of the same title. Please circle the number(s) of the publication(s) you want:

30 Bats of the Savannah River Site and vicinity

31 A simulation algorithm to approximate the area of mapped forest inventory plots

32 A tree taper model based on similar triangles and use of crown ratio as a measure of form in taper equations for longleaf pine

Please send e-mail to rdm@srs.fs.usda.gov if you have any problems viewing or printing any publications that are available on our Web site.

We want to know the customers we are reaching. Please mark the category within which you best fit.
