Dear FTC Staff:

If you can limit the unwanted spam I get I would be forever grateful.

That is why I have 3 active Email boxes. I try to use one for a normal Email box. I use one mostly for spam and the other one is mostly for my family. I wish there was a way to tell the spammers that I did not want or ask for this but there is not a way. I also wish there was a way I could tell them not to sell my information but as far as I know there is not any way right. I like to get a few pieces of spam I want but about 98% is unwanted junk mail.

If you could do something about this I would be very happy.

Thanks
