MEMORANDUM FOR DIRECTOR OF CONTRACTING, OASA(RD&A)
 DEPUTY FOR ACQUISITION AND BUSINESS
 MANAGEMENT, OASN(RD&A)
 DEPUTY ASSISTANT SECRETARY (CONTRACTING),
 OASAF(RD&A)

SUBJECT: Contractor Profile System (CPS)

Attached is a letter to our field offices canceling CPS. We have analyzed CPS usage and found that it is not being accessed enough to continue funding its support. Additionally, we are developing the Contractor Information Service (CIS) which incorporates all of CPS's functionalities and more.

We want to thank you for your buying activities' contributions to CIS's development. Suggestions your offices have made have been very insightful as to what information CIS needs to provide, and how the information needs to be displayed. We look forward to showing you an electronic model of CIS in the near future.

Please let your offices know of our decision about CPS. If there are any questions, our point of contact is Mr. Bill Lonstein, Contractor Capability and Proposal Analysis Team (AQOD), 767-3397.
