

Southwestern Region Map Ordering Information and Order Form

Thank you for your interest in the national forests and grasslands of the Southwestern Region. The information supplied is general but should help you determine maps you need for the national forests and wilderness areas you wish to visit.

The list below is for national forests. ***These are the only maps we sell.*** We do not sell maps for hunting unit, national parks, state parks, etc. The following map types are available through this order form:

Forest Visitor Maps. These maps cost \$6 or \$7 per copy. We pay shipping costs. The visitor maps are in color and show some Forest Service system roads and trails. The scale is 1/2"-1 mile. These maps are planimetric and show some spot elevations. They are not available in topographic form.

Interim Maps. These maps are used when the finished version is not available. This happens when a map is being revised or updated. The interim map is black and white and costs \$4.

Topographic and Planimetric Maps (7-1/2 Minute). Both topographic maps (maps with contours) and planimetric maps (maps without contours) are available at a scale of 2.64 inches = 1 mile. Each map covers an area approximately 6-1/2 x 8-1/2 miles. Therefore it takes many maps at this scale to cover an entire national forest. For example the Santa Fe National Forest has a total of 91 of these maps to cover its entire land area.

These maps are full color paper prints and cost \$6 per copy, plus \$3.50 shipping and handling per order. Index sheets for New Mexico and Arizona and a separate order form will be provided on request.

The Gila National Forest Topographic Quad book shows the entire forest on a page-size topographic map. The scale is approximately 1 inch = 1 mile and costs \$40.

Ordering Information. Advance payment is required in full. Sorry, no refunds of check or money order payments, but credit will be given. The government pays postage (unless stated otherwise in the map descriptions above); no stamps are necessary.

Please send check or money order (payable to "USDA Forest Service") along with the order form to:

USDA Forest Service
Visitor Information Center
333 Broadway SE
Albuquerque, NM 87102

Order with most major credit cards by phone:

505-842-3292 (TTY 505-842-3198)
FAX: 505-842-3258
