

## **Acknowledgments**

The Regional Economic Measurement Division of the Bureau of Economic Analysis, under the direction of Robert L. Brown, Chief, prepared the estimates of local area personal income. John W. Ruser, Associate Director for Regional Economics, provided general guidance.

Elizabeth P. Cologer, Mauricio Ortiz, Michael G. Pilot, John A. Rusinko, and James M. Scott of the Regional Wage Branch, under the supervision of Sharon C. Carnevale, Chief, guided the preparation of the estimates of nonfarm labor earnings (wages and salaries and other labor income). The estimates were prepared by Michael L. Berry, Kristin M. Chambliss, Susan P. Den Herder, Lisa B. Emerson, John D. Laffman, Russell C. Lusher, Richard A. Lutyk, Paul K. Medzerian, Michael Phillips, Curtis Roberson, Victor A. Sahadachny, Elizabeth F. Stell, Brent J. Thompson, and Jaime Zenzano.

James M. Zavrel, Chief of the Regional Income Branch, guided the preparation of the estimates of farm earnings (wages and salaries, other labor income, and proprietors' income) and residence adjustment. The farm earnings estimates were prepared by Elaine M. Briccetti, Carrie L. Case, and Daniel R. Corrin. Jeffrey L. Newman prepared the estimates of residence adjustment.

Charles A. Jolley of the Regional Income Branch, under the supervision of James M. Zavrel, guided the preparation of the estimates of nonfarm proprietors' income, dividends, interest, rent, and personal contributions for social insurance. The estimates were prepared by Toan A. Ly and Tim McKeel. James P. Stehle, under the supervision of James M. Zavrel, guided the preparation of the estimates of transfer payments. The estimates were prepared by Suet Boudhraa, Keren Israeli, and Marianne A. Ziver.

Gary V. Kennedy of the Regional Economic Information System Branch, under the supervision of Kathy A. Albetski, Chief, guided the preparation of the materials for this publication. This work was performed by Jeffrey L. Newman, who wrote the text, and by H

Steven Dolan, Michael J. Paris, Alison M. Skinner, Callan S. Swenson, Monique B. Tyes, and Mary C. Williams.

In addition, other government agencies and private organizations provided the source data for the estimates. The contributions of the following organizations were particularly noteworthy: The State employment security agencies, the State agencies that administer income maintenance programs, the Bureau of Labor Statistics, the Bureau of the Census, the National Agricultural Statistics Service and the Economic Research Service of the Department of Agriculture, the Internal Revenue Service, the Social Security Administration, the Health Care Financing Administration, the Office of the Secretary of Defense, the Office of Personnel Management, the Department of Veterans Affairs, and the Association of American Railroads.
