<u>HEADER SECTION NUMBERS</u>	<u>PAGES TO INSERT</u>	<u>PAGES TO DELETE</u>

**NEW/REVISED MATERIAL--*EFFECTIVE DATE: January 1, 2000***  
***IMPLEMENTATION DATE: May 29, 2000***

Section 4020.5, Item 24, is revised to make a correction in section G, to the TOS for 78267 and 78268. The correct TOS for these services is TOS 5 (diagnostic lab). CPT code 50547 is also being corrected. The correct TOS for 50547 is TOS N (kidney donor). The common working file (CWF) is unable to pay the correct payment for these services until the TOS is corrected. These corrections will be made in CWF for May 29, 2000.

**NOTE:** Since claims for these services are low volume, contractors can either hold claims (in which case applicable interest should be paid) or continue to pay at the current rate and adjust all applicable claims after the correction in CWF is made. Any adjustments must be completed by August 31, 2000.

For those providers who have already collected the 20 percent coinsurance from patients or insurers, refunds will have to be made once the provider receives the additional 20 percent from Medicare.

**DISCLAIMER:** The revision date and transmittal number only apply to the redlined material. All other material was previously published in the manual and is only being reprinted.

**These instructions should be implemented within your current operating budget.**
