**Transmittal No. 752**

**Date: APRIL 2000**

---

## **CORRECTION NOTICE**

Please make the following change to the transmittal page of **Transmittal Number 745**:

Remove the statement that says “Transmittal Number 742 was omitted from the sequence and will never be released.” This is not the case, because Transmittal Number 742 was released, and there was no break in sequence. We apologize for any inconvenience this may have caused.
