## **I. INTRODUCTION**

### **A. Authority**

In furtherance of the duties imposed on the United States Trustee under the Bankruptcy Code (Code) (11 U.S.C. §101 et. seq.) and 28 U.S.C. §586(a)(3), the United States Trustee, Region 5 (UST) herein promulgates the following Operational Guidelines and Reporting Requirements for cases filed under Chapter 7 (OGRR-7). The OGRR-7 have been promulgated to set out the procedures to be followed by each trustee administering a Chapter 7 case whether appointed by the UST or elected pursuant to 11 U.S.C. §702. The OGRR-7 are not intended to be all inclusive and each trustee shall be thoroughly familiar with the Handbook for Chapter 7 Trustees (Handbook).

Unless specifically directed otherwise, all communications and document submissions should be addressed to the office of the United States Trustee which serves the judicial district wherein the petition was filed (Attachment I).

### **B. Purpose**

The OGRR-7 establish procedures to standardize practices of trustees in Region 5 subject to the Code, Federal Rules of Bankruptcy Procedure (FRBP), applicable local rules and standing orders and to serve as a central repository for UST policy decisions affecting trustees in administering cases.

## **II. OPERATING GUIDELINES**

### **A. Trustee Appointments - 11 U.S.C §701**

A panel trustee is deemed to have accepted the appointment to serve as interim trustee in a case unless the trustee within five (5) days of receipt rejects the appointment or subsequently resigns. The UST will appoint a successor trustee if the appointed trustee resigns or rejects the appointment. (Attachment II).

### **B. Bond Requirements**

The panel of trustees within Region 5 shall be covered by a bond authorized and approved by the UST which shall be adjusted from time to time based on the trustee's funds on deposit.

Within thirty (30) days from the receipt of a bond premium notice or a premium notice for any rider, each affected trustee shall submit to the UST a bond premium allocation in the form of a motion to assess cases and a proposed order authorizing payment (Attachment III). The allocation shall disclose the name and number of each case to be assessed a portion of the premium, the total amount to be assessed each case and the formula used in determining the assessment (costs per \$1,000 coverage times amount of coverage per case). No disbursement from estate funds can be made until the court enters an order authorizing payment of the bond premium.

If an auctioneer is permitted to retain estate funds beyond the day of the sale, the application to employ the auctioneer shall include a statement that the trustee has confirmed adequate bond and insurance coverage.

**C. Trustee Bank Accounts of Estate Funds**

Funds shall not be moved from the interest bearing account more than ten (10) days before submission of the trustee's final report (TFR) or final distribution of funds pursuant to the Handbook except as required to effect authorized disbursements during the administration of the estate. If the balance of funds on hand is less than \$50, 000, the trustee may move the funds to a non-interest bearing account when the TFR is submitted to the UST.

**D. Section 341 Meeting of Creditors**

1. Generally

Each trustee shall file a completed proceeding memo (Attachment IV) for all scheduled §341 meetings and shall deliver a copy of the proceeding memo to the UST within 10 days of the meeting unless the trustee is authorized to make a paperless entry by CM/ECF. The trustee shall deliver immediately to the UST a verbatim recording of the meeting or may deliver the recording within 10 days of the meeting if the meeting is conducted at a remote location.

2. Rescheduled §341 Meetings

All requests for a rescheduled §341 meeting submitted to the trustee shall be immediately forwarded to the UST. All continuances of meetings by the trustee pursuant to Rule 2003(e), FRBP, at the regularly scheduled date shall be clearly disclosed on the proceeding memo.

**E. Initial Case Reviewing Requirements**

1. Asset/No Asset Determinations

In any case previously noticed as a no-asset case, the trustee, upon the discovery of assets to be administered, shall file and serve a copy of the Notice of Change of Status (Attachment V) on the UST within 14 days of the discovery of such assets. In the event an NDR has been previously submitted, the trustee shall initiate any necessary pleadings to have the NDR withdrawn.

2. Substantial Abuse/Bad Faith Filings

The trustee is responsible for reviewing every case for any abuse of the bankruptcy system, including §707(b) substantial abuse and bad faith filing, and timely reporting all instances of abuse to the UST.

**F. Case Closing Procedures**

1. Asset Cases

The trustee shall timely submit to the UST the original and one copy of a TFR together with the original bank statements, original canceled checks, deposit slips, and copy of the annotated court's claims register. Unless the court or UST requires custody, canceled checks and bank statements shall be retained by the trustee for a minimum of 7 years from the date of closing.

The TFR (Attachment VI) shall include the following forms and exhibits;

Exhibit "A" to the TFR is an updated Individual Estate Property Record and Report; (Form 1);  
Exhibit "B" to the TFR is an updated Estate Cash Receipts and Disbursements Record; (Form 2);  
Exhibit "C" to the TFR will be the Proposed Distribution; and  
Exhibit "D" to the TFR will be the trustee's documentation of time spent and services rendered in the case. *Matter of Evangeline Refining Co.* 890 F.2d 1312, 1326 (5<sup>th</sup> Cir. 1989).

The trustee shall timely submit to the UST an original and one copy of the Trustee's Final Account of Distribution (TDR) together with a zero balance bank statement; any bank statements not submitted with the original TFR; and original canceled checks not previously submitted. The TDR (Attachment VII) shall include the following:

Exhibit "A" to the TDR is Form 4, Distribution Report for Closed Cases; and  
Exhibit "B" to the TDR is a revised distribution, as required.

## 2. No-Asset Cases

In no-asset cases, the trustee is required to file a Trustee's Report of No Distribution (NDR) (Attachment VIII). When a trustee collects money in a no-asset case or conducts a consensual sale in a no-asset case as permitted by the court, the trustee may file a Trustee's Report of No Distribution (NDR) (Attachment VIIIA) if authorized in the case by the UST. All original bank statements including the original zero balance bank statement and all original canceled checks shall be submitted with Attachment VIIIA.

## G. CM/ECF Districts

A paper copy of all applications for compensation shall be submitted to the UST concurrently with the filing with the Court. A paper copy of all TFRs, TDRs and TIRs (Trustee Interim Reports) shall be submitted to the UST for review with all attachments.

## **III. OPERATION OF A DEBTOR'S BUSINESS**

If the trustee obtains court approval to operate the debtor's business pursuant to 11 U.S.C. §704(8), the trustee shall file with the Court and submit to the UST monthly operating reports (Attachment IX). Upon cessation of operations, the last monthly operating report shall be marked "Final."

## **IV. CONCLUSION**

Pursuant to 28 U.S.C. §586(a)(3), 11 U.S.C. §101 et. seq., and the FRBP, the UST reserves the right to revise, modify or amend these guidelines as deemed appropriate. Any inquiries regarding compliance with these guidelines should be addressed to the appropriate office of the UST.
