Forest Service to Receive Small Business Administration Award

The Small Business Administration (SBA) has named the Forest Service, Region 1, the Agency of the Year for the State of Montana. This award is in recognition of our support to small businesses through our varied procurement programs.

The Montana State Director for SBA is scheduled to present the award in the Regional Forester's Conference Room on Wed. Nov. 5 at 1:00 pm. Members of the media are invited to attend this short event in the conference room located in the Forest Service office at the corner of N. Pattee and Pine Streets in Missoula.
