Re: [Redacted] Administrative Review, No. 02-0008

Dear [Redacted] and [Redacted]:

By letter dated October 9, 2002, [Redacted] sought administrative review of a decision by the United States Trustee for [Redacted], to suspend [Redacted] from active chapter 7 case rotation in the [Redacted] District of [Redacted] due to issuance of an audit opinion by the Office of the Inspector General which stated that [Redacted] accounting and cash management practices and procedures were inadequate for safeguarding bankruptcy estate funds. By letter dated December 10, 2002, [Redacted] and [Redacted] agreed to stay the issuance of my written decision for sixty days because the deficiencies leading to the suspension were in the process of remediation.

I received a letter from [Redacted], dated January 3, 2003, stating that the deficiencies in question have been cured, and requesting that [Redacted] return to active rotation. Having verified that the documentation supports [Redacted] 's reinstatement to the panel, I conclude this review is moot.

Very truly yours,

Lawrence A. Friedman
