## 2004 Road Construction

Road improvements will take place in Grand Teton and Yellowstone national parks throughout the 2004 summer season. Summer is the only time for roadwork because warm and dry conditions are essential for repairing and resurfacing roads.

### Daytime Delays

**Expect delays of up to 30 minutes**, Monday through Friday, between the hours of 7 a.m. and 7 p.m., on Highway 89/191/287 between Leeks Marina and Yellowstone National Park south entrance. Roadwork will cease from 7 p.m. Friday evening to 7 a.m. Monday morning. Work will not occur on weekends or holidays in June, July, or August.

Approximately 14 miles of Highway 191/26/89 will be chip-sealed from the Jackson Hole Airport junction to Cunningham Cabin. Expect delays of approximately 15 minutes. This road project is scheduled to begin on August 9 and be completed by August 27.
