Trinity River Flow Schedule (August 18, 2004 to April 1,2005)

The Trinity Management Council recommended the following flow schedule for the remainder of water year 2004. Flows for a portion of water year 2005 (October 1, 2004 through April 1, 2005) are anticipated but have not been approved as of this date.

See the following website for the latest scheduled release.
