

# 2004 Air Toxics Workshop and Training

April 13 - 16, 2004

Research Triangle Park, North Carolina

## Register Now!

This workshop is a forum for EPA, State, Tribal, and local pollution control personnel to share ideas and exchange information on current and future air toxics programs. The event is co-sponsored by the U.S. Environmental Protection Agency and State and Territorial Air Pollution Program Administrators and Association of Local Air Pollution Control Officials.

### Highlights include:

- ✓ "Air Toxics 101" training session (for those new to the air toxics experience);
- ✓ Paper and Other Web Coating MACT Implementation training;
- ✓ 1-day Risk Assessment training;
- ✓ Plenary sessions addressing "hot" issues and current program overviews;
- ✓ Two tracks of sessions: (1) MACT Implementation, and (2) Air Toxics Risk Characterization Issues;
- ✓ "Meet the Rule Writers" sessions during breaks;
- ✓ Luncheon with special speakers; and
- ✓ Networking opportunities.

The workshop's website is available at our contractors website:

[www.cleanairinfo.com/airtoxics2004](http://www.cleanairinfo.com/airtoxics2004)

The website has on-line registration, agenda details, hotel and travel information, lunch order form, and more. Closer to the workshop, this website will also have all of the speakers' presentations available for download.

Please share this announcement with your colleagues, staff, and anyone else who might be interested. For more information, contact Lalit Banker, Workshop Coordinator, at [banker.lalit@epa.gov](mailto:banker.lalit@epa.gov) or (919)541-5420.
