# Steering Committee Nomination Form

**Dear Tribal Environmental Professional:**

The Tribal Air Monitoring Support (TAMS) Center is currently accepting nominations for four TAMS Steering Committee members. The Steering Committee members will serve two-year staggered terms beginning on October 1, 2002, their terms ending on September 30, 2004. If you would like to nominate yourself or someone else, please submit the attached nomination form. **Submissions of nominee resumes are requested but not required.**

1. Any person engaged in tribal environmental-quality issues may make nominations.
2. Nominees must be affiliated with a federally recognized tribe or intertribal group and must be engaged in tribal environmental quality issues.
3. Voting members of the Steering Committee shall elect individuals from the pool of nominees to fill open seats on the Steering Committee. The intent of the Steering Committee is to provide broad, regional representation. Such representation is one consideration for member selection.

**Deadline for nominations: July 15, 2002**

Once appointments have been made by the TAMS Steering Committee, appointees will receive letters advising them that an authorization letter from an appropriate elected official(s) or his/her supervisor will be required for Steering Committee membership.

**The TAMS Steering Committee will appoint new members in August 2002; their terms will begin October 1, 2002.**

Current Steering Committee members are listed on this brochure; they are also eligible for nomination. Please feel free to contact them for information on roles and responsibilities.

Return your nomination forms to:
