Percent of Total Participating	3.8	16.0	16.0	21.0	14.3	14.4	0.1	0.1

NOTES: Data from 1985 to date are as of September; prior years are as of December. These are facilities receiving periodic interim payments (PIP) under Medicare. Effective for claims received on or after July 1, 1987, the Omnibus Budget Reconciliation Act of 1986 (P.L. 99-509) eliminates PIP for many PPS hospitals when the servicing intermediary meets specified processing time standards.
