FOR IMMEDIATE RELEASE

COMPUTER SPECIALIST JOINS UNITED STATES ATTORNEY'S OFFICE

KANSAS CITY, Mo. – **Chad Nolan Bixby** has joined the United States Attorney's Office. Todd P. Graves, United States Attorney for the Western District of Missouri, announced today that **Bixby** will be working as the district's Assistant Systems Manager.

Bixby, formerly of Warrensburg, Mo., previously worked for two years as a Computer Specialist for the Department of Defense. He gained additional computer experience working with the United States Air Force for the past nine years. **Bixby** also has training from Executrain Institute of Kansas City and from various computer based training programs. Additionally, he completed several college courses in Warrensburg.

During his career, **Bixby** has acquired licenses and certifications in many different areas of computing. He has earned the Workgroup Administration for Information Managers Certification; Windows 2000 Computer Based Training Certification; and the Windows NT Computer Based Training Certification. **Bixby** has also completed the Microsoft Certified Systems Engineer Certification Course; the CompTIA A+ Certification Course; and is currently working towards completing his bachelor's degree in computer science.
