FOR IMMEDIATE RELEASE

MAN SENTENCED FOR POSSESSION, INTENT TO DISTRIBUTE METH FOLLOWING INDEPENDENCE POLICE CHASE

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a man was sentenced in federal court today for possession with intent to distribute methamphetamine.

John Mark Gay, 41, who has no permanent address, was sentenced by U.S. District Chief Judge Dean Whipple this afternoon to five years and 10 months in federal prison without parole.

On July 24, 2003, **Gay** pleaded guilty to possession with intent to distribute methamphetamine. By pleading guilty, **Gay** admitted that he possessed with intent to distribute five grams or more of methamphetamine on April 9, 2003, in Jackson County, Mo.

Prior to his initial arrest, **Gay** was driving a 1995 Ford Windstar, which law enforcement officers observed traveling 10 miles above the posted speed limit. When law enforcement officers attempted to stop the van, it gained speed, traveling through the yard of a private residence on Rogers Circle, in Independence, Mo. The vehicle was pursued throughout the Independence neighborhood and nearly struck a law enforcement officer's patrol car. At 35th Street and Noland Road, the vehicle ran a red light in front of Truman High School and was clocked driving over 100 miles per hour. The van ultimately drove onto a sidewalk and back onto the road and then came to a stop at Eighth and Carlise streets.

After stopping the vehicle, law enforcement officers took **Gay** into custody along with another passenger. The methamphetamine was discovered to be in **Gay's** possession after his arrest in an amount of 23 grams.

Gay was originally charged with possession with intent to distribute methamphetamine in an indictment returned by a federal grand jury on May 6, 2003, in Kansas City.

The case was prosecuted by Assistant U.S. Attorney David DeTar Newbert. The case was investigated by the Independence, Mo., Police Department.
